A VERY PLEASANT SURPRISE. Last Saturday evening at the pretty country home of Mr. and Mrs. J. J. Lohnes was given a very delightful surprise party in honor of Miss Uilma Cook who was the Saturday and Sunday guest of Misses Ella and Elsie Lohnes.

This arrangement was in the nature of a farewell for Miss Cook who is the teacher at the Eight Mile Grove school and will close her successful term of school within another week so Miss Cook was invited to the Lohnes home but was not aware of the merry old time that was in store for her.

For the occasion the rooms were made very attractive by the general use of spring flowers, intermingled with flag decorations.

At an early hour the young people gathered at the Lohnes home and to be sure Miss Cook was taken by great surprise.

Various amusements had been planned for the occasion and the one that took up the greater portion of the evening was in playing games of all kinds out on the pretty lawn lighted up with lanterns and soon was the merry laughter of voices ringing in the evening breeze.

A few moments were then devoted to a very pleasant social time and the pleasing music that was given by Harry Lohnes on the piano added very much to the enjoyment of the evening.

At a late hour the jolly crowd wended their way homeward, sorry to lose Miss Cook from their midst, but wish her much success in her school work.

Misses Ella and Elsie were very much indebted to the ones fortunate enough to be present for their kind hospitality and splendid evening afforded them and declared the young ladies excellent entertainers. Those present were: Misses Mae and Glenna Barker, Wilma Cook, Elsie Lohnes, Marjorie Vallery, Grace Porter, Lottie Willis, Helen, Marie and Gertrude Vallery and Ella Lohnes, Messrs. Robert Troop, Guy Magill, John Terryberry, Henry Larson, Owen and Bud Willis, Harry Lohnes, Lawrence Leonard, Door Tilson and Charlie Vallery. Mr. and Mrs. A. W. Leonard, Mr. and Mrs. Glen Vallery, Mr. and Mrs. Tom Tilson and Mr. and Mrs. J. J. Lohnes.

ONE BY ONE THE YEARS GO SWIFTLY INTO THE PAST

MRS. WILES ARRIVES AT HER 88TH MILESTONE ON THE JOURNEY OF LIFE.

Children and Grandchildren Gather to Pay Honor to Aged Mother Who is Still Hearty.

Mrs. Elizabeth Catherine Wiles, whose maiden name was McCorkel, was born May 9th, 1830, and is today just 88 years of age. Mrs. Wiles is a native of Missouri and has been in this country for more than sixty years. Her children and children's children to the fourth generation were with her at her home today and helped to celebrate the occasion. At the time when she came to this country the means of transportation were very limited, and for many years when people gathered for any purpose they either rode back and forth in a lumber wagon or walked. Now all have their cars and travel in the greatest of ease.

Many tokens of remembrance were presented to Mrs. Wiles by the relatives each one bespeaking of veneration, love and honor for this good woman, who was the mother of ten sons, seven of whom are now living, and four daughters, all living. The children are as follows: Samuel and Benjamin, who died in infancy; James, who died some twenty years since and Thomas, Isaac, John, Joseph, George, Stephen and Frank. The girls are Mrs. Charles H. Warner, Mrs. L. C. W. Murray Mrs. Wm. Spangler and Miss Isabelle Wiles.

Today on the lawn at the home the children, grand children and the great grand children gathered together to celebrate the occasion of the birthday of Mrs. Wiles, and a jolly crowd they were indeed. This time they came in automobiles, an undreamed of thing when Mrs. Wiles was a girl, a wife and a mother, and brought with them an abundance of such things as would pass the inspection of Herbert Hoover. A most delightful time was spent together and in departing the crowd of Nebraska Americans wished this hardy pioneer many happy returns of the day, which she graciously acknowledged and returned the good wishes to all.

From Monday's Daily. J. W. Edmonds of Murray was up to visit the Red Cross Fair last Saturday, and today departed with his sister Mrs. Ida D. Field of Columbus, Ohio, who has been visiting at the home of her brother in Murray for a month, while Mr. Edmonds will remain for about two weeks. While in Plainview they will be guests of Mrs. Homer Miller, who is a daughter of Mr. Edmonds.

GOES TO HOSPITAL TODAY. From Monday's Daily. Ph Meisinger and wife departed this afternoon for Omaha, where Mrs. Meisinger will enter the Emanuel hospital for an operation for removal of gall stones, which has been troubling her for some time. Mrs. Meisinger in company with her husband was at the hospital of Mayo Brothers at Rochester, Minn., where she received treatment for some two weeks, and now goes hoping to get relief from the operation, which her many friends hope will be gained by the treatment.

GOT A FLOCK OF THEM. From Monday's Daily. Last Saturday evening a crowd of people from Omaha, consisting of Jas. McGuire, Sid Williams, Chas. Henderson and John Flynn who seemed to think that Washington Avenue was a portion of the Washington Highway, which was especially constructed for them to speed their cars upon, had their dream rudely broken by Assistant Chief of Police Alvin Jones, when he gathered them in and had them put up a cash bond each for their appearance at the police court to answer the charge of speeding. They did not appear and the bond was forfeited to the city.

OLD BUILDINGS TO GIVE WAY FOR NEW ONES. From Monday's Daily. Mrs. Mary Heinrich is moving out of the building which has been recently disposed of to the Auto Power and Malleable Manufacturing Company, and moving into her home which she has in the northwest portion of the city. With the vacating of this structure, it will be raised to the ground, for the purpose of making room for the building of the factory which is soon to be erected on the ground. The vacating of the

building on the corner and its removal will soon be commenced, and the parties which are to remove it are only awaiting for the vacating of the room which Mr. Bach is to occupy, and the people who occupy it are awaiting for the vacating of the room which has been purchased to use instead of the one which Mr. Bach is to get. This is making things assume shape, for the general clearing away of the old buildings which are to be razed in a short time. With the old buildings eliminated, and the new elegant factory building in their place will add greatly to the appearance of lower Main street, as it will necessitate the building of other places for the occupants of the building which are to be torn down.

A. M. SANDERS BUYS A HOME. From Monday's Daily. A. M. Sanders who has been compelled to move from that place, where he has been living for some time past, on account of the property being sold to Edmond Spies, has purchased him a home of Mr. L. H. Kearnes in the north portion of the city. Mr. Sanders will have a nice home and Mr. Kearnes who had two houses will still have one for a home.
