JUDGE KYSER NOW ENDORSES TANALAC

"IT PUT ME IN BETTER SHAPE THAN I'VE BEEN FOR YEARS," HE SAYS. "Tanlac is rapidly making me over into a new man and I will always speak a good word for it when I have the opportunity," said Judge G. W. Kyser, of 1204 West Ninth street, Austin, Texas, recently.

Judge Kyser, is a well known Confederate veteran, who has occupied the bench in Caldwell County, Texas, for twenty years, and later held the office of Commissioner of Pensions, under Governor Colquitt, until his failing health forced him to retire from public life.

"I suffered from rheumatic pains and constipation for years," continued Judge Kyser, "and my troubles were upon me until I could scarcely sleep at all and was stupid and tired all the time. My mind was sluggish and at times, it was difficult for me to think clearly. I had no energy, and suffered terribly from headaches. On top of my other troubles, I took a severe cold which left me with a pain in my chest, and I'd cough at night until I couldn't rest."

"But I'm feeling like a different man now, thanks to Tanlac! Two bottles of this medicine put me in better shape than I have been for years. I eat heartily, sleep well, my rheumatic pains are all gone and I feel more active and energetic than I have in a long time. I recommend Tanlac to all my friends as the best medicine I have ever found to build up a weak run down system and to restore health and vigor."

Tanlac is sold in Plattsmouth by F. G. Fricke & Co., in Alvo by Alvo Drug Co., in Avoca by O. E. Copes, in South Bend by E. Sturenegger, in Greenwood by E. F. Smith and in Weeping Water by Meier Drug Co.

From Friday's Daily. The Senior class or the graduating class of 1918, have made arrangements for their class play and judging from the stunts which the personnel of the class and what they have done in the recent past we are of the opinion that one could not advertise the production to highly, for they are artists. The instructors are entirely interested in the work, and will put forth their utmost to make the production a success.

The play is a three act comedy, entitled "Back to the Farm" and will surely be worth the while to see.

SERGEANT STEPHENS AT HIGH SCHOOL

From Friday's Daily. Last evening standing room was at a premium at the High School, when the time came for Sergeant Stephens to speak. Some three hundred and fifty to four hundred were packed in the room, and on account of the effect that the gas had on Sergeant Stephens, it was not possible for him to be heard very far away. The effect of the gassing is simply beyond description. The matters which he had to tell were interesting but his condition was such that he could not be heard very far away. He was not allowed to tell many things which the people would have liked to know, but would probably be such which an alien enemy could use to our detriment. Where enlisted, where he sailed from, or landed in the old country and where he fought, was wounded or gassed he could not tell. The crowd were well pleased with what they were able to get of what he had to say.
