REGISTRATION OF THE BABIES NEXT WEEK

CHILDREN UNDER SIX YEARS OF AGE TO BE WEIGHED AND MEASURED - THIS IS ABSOLUTELY COMPULSORY

Places of Registration and Days at Each Listed for Convenience of Plattsmouth Mothers From Saturday's Daily. A committee has been appointed in Plattsmouth to examine and register all children under six years of age, during the last five days of next week, as required by the government. This committee has been placed in charge of the Women's Committee, Council of National Defense, Nebraska Division, Child's Welfare Department and the registration is absolutely compulsory. The reason for this is the fact that every year three hundred thousand babies in the U. S., alone, die under the age of five years. Authorities are agreed that half of these deaths are easily preventable. Public opinion has become aroused to these conditions that not only kill so many babies every year, but are also responsible for an even greater number being compelled to grow up in reform schools, institutions for the feeble-minded and in schools for backward children. At this particular time the Government returns on physical examination of enlisted men show that 33 1/2 per cent were physically unfit and the Children's Bureau has been able to show that a large percentage of this physical unfitness was due to preventable diseases of childhood. The Government therefore asks for a closer supervision of the children of the nation to the end that at least 100,000 of the 200,000 lives may be saved each year. All mothers should co-operate with the committee and see that every child under six years of age, in Plattsmouth, is registered. The only thing necessary is for the mothers to bring their babies to the most convenient place of registration, where the babies will be weighed and measured and a record given to the parent and a duplicate sent to the Children's Bureau, U. S. Department of Labor. Each mother is requested to bring a towel in which to wrap her baby, as all children under five years old will be weighed without clothing. The following are places of registration on the days designated: Tuesday, West 2nd Ward School. Wednesday, High school. Thursday, Columbian school. Friday, Winterstein Hill school. Saturday, Public Library. All places of registration will be open from 1 p. m. to 5 p. m. LEGAL PUBLICATION In the District Court of Cass county, Nebraska. Doc. Y. Page 256, No. 6812. S. D. ROGERS HAS GAINED 20 POUNDS Prominent Business Man Says He Couldn't Walk Up a Flight of Stairs Without Giving Out "Honestly, I haven't felt as strong and well in years as I do since taking Tanlac," said S. D. Rogers, residing at 509 East Seventh street, Oklahoma City, in an interesting interview a few days ago. Mr. Rogers is secretary and treasurer of the Southern United Sales company, distributors of Safety Vulcanizers. "I have actually gained twenty pounds in weight on six or seven bottles and I couldn't ask to feel better," continued Mr. Rogers. "I had suffered from indigestion and nervousness for five years and at times I was completely out of commission. Everything I ate would ferment on my stomach and the gas pressure around my heart was so great I couldn't walk up and down a short flight of steps without giving out. I was almost afraid to go to bed at night as I was so nervous and short of breath it kept me uneasy all the time. My whole system seemed to give way. I fell off twenty-five or thirty pounds in weight and nothing did me any good. "I got some Tanlac last July in Arkadelphia, Arkansas, and since that time, I have improved in every way. A few bottles set me right and I have been in fine shape ever since. I am eating just anything I want and the fact that I have increased so much in weight shows how well my food agrees with me. My nerves are quiet now. I sleep fine every night and I am convinced that Tanlac has put me on my feet for good. I suffered a long time and had awful pains but they are all gone now and I am proud to tell what Tanlac has done for me."

There are thousands of men and women in just the same condition as Mr. Rogers. This is especially true of men and women whose business forces them to remain indoors and who fail to get the proper kind of exercise. Such people soon develop improper indigestion, the blood becomes impure, the system is filled with impurities and they suffer from nervousness, loss of appetite, headaches and sleeplessness. According to the statements of thousands of those who have actually tested it, Tanlac goes straight to the seat of the trouble, invigorating every organ of the body and in brief it results in a complete rehabilitation of nerves and splendid condition of the patient. Tanlac is sold in Plattsmouth by E. G. Fricke & Co., in Alvo by Alvo Drug Co., in Avoca by O. E. Copes, in South Bend by E. Sturzenegger, in Greenwood by E. P. Smith, in Weeping Water by Meier Drug Co., and in Elmwood by L. A. Tyson. Mae N. Creamer was a passenger this morning to Omaha, where she is visiting with friends for today.
