The program was as follows: Professional Women as Mothers, Mrs. John Foreman; "Need of Child Welfare Work in Rural Communities," Mrs. Frank Edwards; Readings, Mrs. A. B. Stroemer. After the program Mrs. Frank Cook led the discussion on "Child Welfare." Moses Keefer was born October 27, 1836, in Pennsylvania, and died June 5, 1918, after an illness of seven weeks. He was united in marriage to Mary Barnhizer in 1856 and to that union were born ten children, three of whom and the mother preceded him to the great beyond. Mr. and Mrs. Keefer came to Nebraska from Illinois about 48 years ago. The deceased became a member of the Church of the Brethren about forty years ago and from that church the funeral was held June 7, 1918, at 2 o'clock. Burial was made in the Brethren cemetery south of the city. Death occurred at the home of his son, M. C. Keefer. Private John M. Andrews of the American Expeditionary Force delivered an address at the High school auditorium Saturday evening. The auditorium was not large enough to seat all the people who came to hear the soldier, and there was hardly standing room for those who were anxious to hear from the front lines in France. He told many interesting and amusing things about the French people and many interesting things about life in the front line trenches. The Pershing man gave a demonstration of the Gas Mask with the assistance of Corporal Davis who gave the gas alarm and held the stop watch. The demonstration was made in exactly six seconds.

ly here and in November he was sent with 500 other boys to Norfolk, Va., but there it was a different atmosphere and made the boys shiver. When Uncle Sam took over seventy or more of those Dutch boats Lloyd was placed on the U. S. S. Arunda and then on the U. S. S. Celebes. These boats were used on the overseas transport service. The last letter he wrote was in New York City on the 23rd of April, saying he was having a swell time and had an invitation with the other boys to attend free the largest theatre in the city. This was the last I knew of his whereabouts until on the 27th of May I received a message saying he was seriously ill of diphtheria in the naval hospital at Portsmouth, Va. Answering the message I received word that he had died on May 25, at 7:15 a. m., aged 17 years, 11 months and 2 days. While in San Diego Lloyd bought a \$100.00 Liberty bond and paid \$50.00 down and the balance at \$10.00 a month besides paying \$10 a month on insurance. I think any father can be proud of such loyal American boys as was Lloyd. Yours faithfully, M. A. PROUTY. The remains were shipped from Portsmouth, Va., arriving Saturday, June 1, 1918, and the funeral was held the following day from the M. E. church, conducted by Rev. C. E. Connell. Burial was made in the Alvo cemetery.

SOMETHING TO THINK ABOUT

If you are a sufferer from stomach troubles, indigestion, headache, etc., then it is very apparent to anyone that a remedy which will clean out thoroughly the stomach and at the same time invigorate the digestive system, must bring relief from the annoying conditions. Triner's American Elixir of Bitter Wine consists of bitter herbs of eminent medicinal value which clean the stomach and of pure red wine which strengthens the system. It is a very palatable preparation and you will be delighted with this remedy. A medical monthly writes in the May number: "It is all right, as I severely thing that comes from the Triner's laboratories." Price \$1.10. At drug stores. Triner's Lintiment is unequalled for rheumatism, neuralgia, lumbago, sprains, swellings, sore muscles, tired feet, etc. 35c and 65c at drug stores, by mail 45c and 75c.—Joseph Triner Company, 1333-1343 S. Ashland Ave., Chicago, Ill.

FINED \$100.00 AND COSTS.

From Tuesday's Daily. Chief of Police Barclay and Sheriff Quinton have been very busy the past few days handling the "booze" business of this section of the county, and at the same time adding considerable revenue to the county treasurer of Cass county. In most all cases the fines are promptly paid, although some of them believe that they are not quite fairly dealt with, but at the same time have violated the law. This seems to be about the case in the Wm. Marsh and Don Rhoden case coming from Murray Monday evening. Both gentlemen were fined \$100 and costs, Mr. Rhoden being charged with the possession section of the statute, owing to the fact that the wet goods was located around his livery barn, although it was in the hands of other parties, and was brought there by other parties. However both fines were paid. Mr. Rhoden says that he knew nothing of the wet goods being in or about his barn. Stationery at the Journal office.
