A WEDDING AT THE ROBERTSON RESIDENCE

MISS MARIE ROBERTSON OF THIS CITY UNITED IN MARRIAGE TO DR. R. P. WEST-OVER OF OMAHA.

BOTH ARE GRADUATES OF N. U.

Groom Is A Member of U. S. Medical Reserve Corps—Expects To Be Called Soon.

From Thursday's Daily. Yesterday afternoon was the occasion of a second beautiful wedding at the home of Mr. and Mrs. James M. Robertson, when their youngest daughter, Marie Magdaline, was united in marriage to Dr. Raymond P. Westover of Omaha. The decorations were in flags. In the living room was an improved altar hung with flags and banked in ferns and daisies. Just above the place where the young couple took their vows, hung a beautiful silk service flag bearing four stars as Dr. Westover and three of his brothers are in the service.

At 4 o'clock, the appointed hour for the wedding, Mrs. Mae Morgan sang very sweetly, "At Dawning," by McDowell. Mrs. James McCarron of St. Joseph, Mo., presiding at the piano. The stirring strains of "The Star Spangled Banner" were then sounded, which was followed by Lohengrin's wedding march and to which the bridal party entered.

First came the ribbon bearers—Misses Marie Tewksbury and Marion Mauzy and Mrs. Cederlin and Hoffman, who stretched ribbons through to the altar, forming an aisle through which the bridal procession marched.

Then little Vestetta Robertson, niece of the bride, as flower girl and little Miss Josephine McCarron of St. Joseph, Mo., niece of the groom as ring bearer, both dressed in dainty white. They were followed by Miss Evelyn Dilley of Kearney as bridesmaid and Miss Jessie Robertson, sister of the bride, as maid of honor. The bride entered on the arm of her father, Mr. James M. Robertson. The groom, accompanied by his best man, Dr. Victor Dakin of Omaha, and Rev. H. G. McClusky, pastor of the First Presbyterian church, entered the living room through the south entrance, while the bride and her attendants marched through the hall, through the library, into the living room.

The bride was very charming in her wedding dress of white crepe de chene, while her attendants were attired in white georgette crepe and trimmed in green.

Mr. and Mrs. Robertson entertained the bridal party and the wedding guests at a wedding reception after the wedding ceremony, at which time Mr. and Mrs. Westover received the congratulations of their many friends. During this reception delicious ices and cakes were served in the dining room. The dining room was very attractive with its decorations in the red, white and blue flags and flowers being used. Miss Martha Powell and Mrs. N. Z. Snell served, assisted by Misses Lillian Johnson, Hazel Snell, Marion Mauzy and Helen Hunter. During this reception the bride threw her bouquet and this was jointly caught by Misses Marie Tewksbury and Marion Mauzy.

Mr. and Mrs. Westover departed yesterday afternoon on a wedding trip, via automobile, expecting to drive to Hot Springs, S. D., Denver, Colo., and St. Joseph, Mo.

which time he received his B. S. degree. He secured his degree of Doctor of Medicine from the University of Nebraska in the class of 1918. BOOTLEGGERS AT AVOCA THIS WEEK

A CAR HAVING CONTRABAND GOODS DID BUSINESS AT AVOCA YESTERDAY.

From Thursday's Daily. L. W. Van Ausdell, an automobile tire salesman from Omaha, happened to be at Avoca when a blockade runner came his way, and he looked upon the whiskey when it was red and gave color to the bottle, and his tongue clove to the roof of his mouth and his lips became parched when he asked the price of a little of the stuff.

He purchased a quart and a portion only of it seemed to reach the spot, and he was satisfied. He dumped the other portion into the car he was driving and went to Weeping Water, where constable C. T. Noel dropped his flash light over the gunwale of his flivver, and there lay the bottle half filled with gold liquor. The tire man was careful for during the night and this morning was brought to this city, where the county attorney proceeded to arraign him before County Judge Beeson. When asked, regarding the matter, he made a clean breast of the purchase, but said he was taking it home as his wife was sick. He was charged with having illegally, whisky in his possession, and was given a fine of \$100 and costs which amounted to \$13.30. He was still in the hands of the officers and was trying to raise the amount of the fine and trimmings at last report.

GETS FLOSSIE THIS TIME.

From Saturday's Daily. Ed. Wagener some time since purchased a four cylinder automobile of the Chevrolet type of W. W. Wasley something over a year ago. The car proved a good one, and after keeping it for a while he concluded that he wanted a larger one, and one more powerful though the little one had plenty of pep, and so he took a six cylinder, and kept it until just the other day. When he concluded that he would like to have an eight cylinder, and exchanged his six cylinder for that one. He has sure gotten a powerful machine. Mr. W. W. Wasley just drove the car from Minneapolis the other day, going from here one evening and getting home with the car the second day afterwards.

YOUNG GIRL DISAPPEARS.

From Saturday's Daily. The young girl, who some time since was taken by the authorities to Des Moines, and whom the authorities there returned to this city in a short time, and has since been making her home at the home of J. L. Thompson at the Platte river bridge, and who has seemed contented with her home, last night disappeared. The theory is that during the night she departed for her old home in Des Moines again.

Near noon some one reported that the missing girl and another one was seen going south along the Missouri Pacific track towards Murray and in the absence of the sheriff county attorney Cole took his car and overtook them, brought the girls who were Iola Tower and Vera Moore home. Later the Moore girl was returned to Mr. Thompson's while the Tower girl was taken home.

PLATTSMOUTH GETS A RECORDING-SEC.

THE STATE CONVENTION AT NORTH PLATTE ELECTS PLATTSMOUTH LADY TO PROMINENT POSITION.

From Friday's Daily. At the state meeting of the sisterhood of the P. E. O. society, which has been in session at North Platte for the past three or four days, there has been a large number of the ladies of this order from all over the state, who have been very enthusiastic for the good qualities of this society, and have worked with a great determination to do the things which this country stands for as well as to elucidate the ideas of the order to which they belong. There were subscriptions individually for just \$530,000 of liberty bonds, which showed their patriotism.

The ladies from this city who were present want to personally compliment the citizens of North Platte who entertained the ladies in attendance, loyally. They say they could not have been given better entertainment or consideration under any circumstances. The ladies from here, Mrs. William Baird, Mrs. J. E. Wiles and Mrs. Luke L. Wiles, returned home this morning and were very enthusiastic in their praise of the North Platte people, and of the good time which they had in that city.

The election for the coming year of the officers, who are to administer the affairs of the society, and composing the state chapter, are exceptionally strong in character and consecrated to the work of the society. The selection for the position of recording secretary, which was given to Mrs. William Baird on account of the superior character of her work as a delegate in the meeting of the state chapter, was a recognition of her ability as a good, earnest worker in the order; the officers being:

President, Mrs. Minnie Stuff, University Place.
First Vice President, Mrs. Nora Killian, Kearney.
Second Vice President, Mrs. Hattie Rincker, North Platte.
Organizer, Mrs. Elenora Kemp, Fullerton.
Recording secretary, Mrs. Ona Baird, Plattsmouth.

Treasurer, Mrs. Elizabeth Robertson, Beatrice.

LUST FOR MONEY IS CAUSE OF CRIME

FREAK CUTS YOUNG GIRLS HAIR OFF THAT HE MAY SEIZ THE LOCKS.

From Friday's Daily. Yesterday at Weeping Water, a man having the appearance of an Egyptian, being a low dark complexioned, with coarse black hair, and wearing ear rings, with silver bracelets, and a loud colored red sash, carrying a large ring on which were suspended a number of hair switches. He was round the streets and meeting the twelve year old daughter of Henry O'Brien, named Mabel, asked to purchase her hair. This the maiden refused to do, while the man persisted in making the purchase. The girl got away and after had thought nothing of the matter except at home that night repeated the experience to her parents. The family retired at the regular time, and as the nights have been warm, they slept on the porch of the home. They were all sleeping not far from each other.

During the night when all were sleeping soundly, some one came and cut the long luxuriant braids of Miss Mabel from her head, not awakening even the girl, nor her parents. In the morning when the maiden awoke she found that she had been robbed of her glossy locks.

The authorities have been notified and all surrounding towns have been carded by the sheriff asking that officers keep on the lookout for the culprit.

BREAKS WHEEL OFF TRUCK—BAD ROADS

From Friday's Daily. Yesterday people had somewhat of an experience with the bad roads between the Burlington railway track at Oreapolis and the Pollock Auto Bridge over the Platte river. At four o'clock yesterday a truck load of hogs which had started for Omaha early that they might arrive in time for the early market, and also that they might avoid the extreme heat, became stuck in the sand near the Nord residence, and were there three hours before they could get any one to assist them in getting out of the hole. Again in the evening Ernest Pollard was coming from Omaha, and near the same place broke a wheel from his truck in trying to get over the uneven ground. Some are complaining that the road should be fixed and maintained by the owner of the bridge, while he says that he has expended two hundred dollars on the stretch of road way, and that it is a public thoroughfare, and it should be the charge of the county to have it fixed. We are not entering into this discussion but the facts are from the reports that come from all directions, that the road needs some work and that badly. Some one will be claiming damage against the county for injury received unless something is speedily done to relieve the conditions which prevail there at this time. This is not a good advertisement for our county or our town.

FROM NEAR ELMWOOD

From Thursday's Daily. J. B. Sutherland, Waldo Willet, D. C. Kuntz and L. L. Horton all of near Elmwood, made an auto trip to Omaha Monday, and on the return trip they made a brief stay in Plattsmouth, shaking hands with county seat friends. While here Mr. Sutherland called at the Journal office and renewed his paper for another year.

W. at the Modern Woodman hall, there were visiting members from the Omaha lodges about thirty very prominent members of those lodges and workers in the grand lodge. Henry R. At this meeting Miss Anna Hassler who is a member of the order, announced her candidacy for the position of Grand Recorder of the Degree of Honor, and for which position she is eminently qualified, hav-

THE BOYS WILL LEAVE HERE ON WEDNESDAY

DEFINITE ORDER RECEIVED FOR TIME OF DEPARTURE OF TWO CALLS.

BOTH QUOTAS GO SAME DAY

Class One Now Entirely Used Up In These Two Calls—19 to Go From This City.

From Thursday's Daily. Orders respecting the departure of the two next calls for the boys to depart for the camps have been received at the headquarters of the local board in this city, which places the time for reporting of the quotas at Tuesday, June 25, and the departure on Wednesday, June 26, via the morning Missouri Pacific south, for Camps Funston and Fort Riley. There will be just thirty each, with one for good measure, fearing that one of those which have been called cannot be inducted.

From those who were listed there is some deduction to be made on account of induction elsewhere, they being Edward G. Dovey, who a telegram notifying the board, had been inducted in a position of the medical reserve at Chicago; Roy Helm, who has been inducted into the emergency fleet, and then a telegram received telling of same required the striking of his name off.

M. Grejsch of Greenwood being sick at his home with small pox, he was crossed off for the present. The names of Charles W. Wence and Jesse W. Bashus were added. Harry R. McNurlin, who has been deferred on account of being a farmer, comes saying that he had gotten the work in such a shape that he could leave it and asked induction, so he had his name added to the list. This makes the list complete with an extra man or so which can be used. They will report as above on the 25th of June, in the evening, at the court and will depart for their respective camps on the day following, or Wednesday, June 26, both quotas going the same time. This will make a large crowd to go from the county. The proportion of this contingent from Plattsmouth will be nineteen.

Reckless—Checkless

—The bills you pay by cash expose you to trouble. If the amount is not large, and the other party does not offer a receipt—you hesitate to ask for one.

—When you pay obligations by Check, you leave a written record behind you. Every check you write this Bank returns cancelled and the Law labels it a "legal receipt."

—Cash paying has always involved disputes, dissensions and double paying. It is reckless because it is Checkless.
