"Keep the Home Fires Burning"

### THE LAWYER AND HIS NATIVE LAND

#### HIS RELATIONS TO THE COUNTRY WHICH GIVE HIM PROTEC- TION AND LIVING.

From Thursday's Daily.  
The local board of this, as well as all places, have received bulletin number 249, which deals with lawyers. The cause for the sending out of the bulletin, was because of the rendering of a decision on a case which was taken from Montana to the office of Provost Marshal General Crowder, and which is asked to be sent to all the local boards and by them given widest publication.

The Selective Service Law was enacted as an emergency measure. It exacts from certain citizens their entire time, and possibly their lives. In administering that law much was expected of the members of the professions, particularly the lawyers.

It should be the pride of every lawyer that no registrant within his district is without competent advice and assistance in preparing all the papers and that such registrant is required to submit in the process of the selection of citizens of this nation for duty in the present emergency. The practice of attorneys of charging registrants fees in connection with their military obligations has met with the severe censure of this office. Such practices are deemed improper, unethical and unpatriotic. It is a form of profiteering beneath the dignity of the legal profession, which profession had almost unanimously strongly condemned it.

The pleading by attorneys of deformed claims of registrants is considered culpable and inconsistent with the spirit of the selective law.

Such practice creates the impression that the application of the said law might not for parallel cases be uniform. The classification arrived at by a Selection Board is not entirely on the genuine fundamental merits of the case, but is influenced to a degree by a professional presentation thereof.

The American Bar Association, and many State Associations, have actively assisted this office in discouraging, by attorneys, the practice of capitalizing the Selective Service Law. In this case the one who has made the charge, Mr. Ewald, who was a member of the local advisory board, has by his action violated section six of the Selective Service Law.  
It is the opinion of this office he

should be prosecuted therefore. But in case he was not a member of the advisory board, his case should be taken to the State Bar Association, and we think he is not getting more than justice when he shall have been given what the following case which came before the Missouri State Bar Association, which suspended the member from the right to practice law for fifteen months, for even exacting fees for the administration of an oath, required in the execution of their questionnaires.

The stand of this office towards the precise in question has, as heretofore, stated, been generally supported by the American Bar Association, as well as by the several state associations, and is as confident that all Bar Associations have equally as high ideals. Signed by E. H. Crowder, Provost Marshal General.

#### LATEST TIRE BULLETIN

Received at the Smith Garage, Agents for Cass County.

You can get General Tires at the old price until July 5th excepting 36x3 1/2 plain and 32x3 1/2 plain and cords.

A new list price is enclosed herewith and a supply of these imprinted with your name will go forward in a few days.

The U. S. government has taken over the supply of rubber and only allow rubber manufacturers seven-sixteenths of the amount of rubber they used last year. This forces them to cut their production accordingly.

In a short time you will find tires mighty hard to buy at any price.

You are getting the advantage of the unusually big purchase we made before the raise in prices April 22d. Many of our dealers have taken advantage of this opportunity and our stock, purchased at the old price, will soon be exhausted.

By buying at the old price you get high grade General Tires, guaranteed for 5,000 miles, at less than you would have to pay for cheaper tires guaranteed for 3,500 miles.

We are always at your service for good tires.

THE SMITH GARAGE,  
Agents for General and United States Tires for Cass County.

## PLATTSMOUTH COUNCIL HAS A BUSY SESSION

THE DEFERRED MEETING ENTERED INTO WITH ENTHUSIASM.

### SAY SEWER CONSTRUCTION BAD

Apoin Committee to Look After its Repairs and Also the Paving.

The first thing to engage the attention of the council last evening was a petition of Mrs. B. C. Kerr asking that a cement walk be built along her property by the city and the amount assessed to her property. The work was ordered done, as well as the necessary grading.

Then followed a communication from the Western Machine and Foundry Co., which was a protest against the raise in gas rates. The communication cited that the rate now was above other cities of this class and was exorbitant. When that was placed on file a recommendation from the library board came, asking the reappointment of Messrs. Wegott, Parmele and DeWolf as members of the board whose terms of office are just now expiring. The request was granted and the nominations confirmed.

#### Chicago Avenue Paving Matter.

A report from the surveyors whom the city has been employing for some time on the public works, said that the paving has been completed and was done in a first-class manner and in detail went into the matter of telling what had been done. They recommended the payment of the amount which the contractors claimed was still due and unpaid. The matter elicited much discussion, in which a majority of the council agreed that the work was not satisfactory, was not completed, and that many places showed settling during the rains of the spring, and that the people of whom the construction company were claiming that they were not getting pay for material used, and it was the sense of the mayor that the city should see that all bills were paid before making final settlement with the contractors. The matter of failure in back filling by the curb was also cited by Councilmen Weber.

Notwithstanding the fact of the faulty work, and it being incomplete and having kept the avenue closed for six months longer than was stipulated in the contract, the engineers advised paying the amount of the bill.  
By a motion of Larson and having a second by Lushinsky, the matter was placed in the hands of the streets, alleys and bridges committee.

Garage Sites Asked For.  
A petition was then read and a contract, without consideration, asking for the privileges of building a garage near the Burlington shops' office which was granted. The places being for a car for William Baird. Later in the evening a request for a site on Pearl street was asked for by L. E. Egenberger under same circumstances, which was granted, and will be consummated upon a written agreement being drawn.

Fourth of July Dance.  
The ladies of the Red Cross asked for permission to have a portion of Vine street north of the post office for the use of a dance on July Fourth. The object being laudable, the permission was readily granted on motion of Larson supported by Lushinsky. Following this was the reading and passing upon the following:

Bills Paid.  
Fire department:  
Joe Racek ..... \$ 62.25  
Gunner Johnson ..... 7.25  
G. H. Clossen ..... 6.25  
O. Sandlin ..... 12.00  
August Kopp ..... 6.25  
M. Price ..... 7.25  
E. Stanek ..... 6.25  
Frank Sabatka ..... 6.25

Road and street work:  
John Maurer ..... \$33.00  
E. W. Peoples ..... 25.00  
John Jessup ..... 31.00  
James Winn ..... 36.00  
Carl Egenberger ..... 3.60  
Q. K. Parmele ..... 72.00  
M. Lutz ..... 48.00  
Paul Sltzman ..... 66.00  
John Zilka ..... 31.50  
Henry Vest, sprinkling ..... \$72.00  
C. Boetal, bury dogs ..... 1.50

Will Clean Up the Chamber.  
The matter of cleaning up the council chamber which is far from being in a sanitary condition, was brought up and every man with one accord shouted for its renovation, so it was ordered.

The clerk was ordered to notify George McDaniels, who has gone to the navy at the Great Lakes naval training station, that he must move his blacksmith shop off the street.

The matter of levying a tax for the purpose of supporting the band was reported upon and it was the sense of the committee that the taxes at this time are as high as they should be and thought it not right to place more burdens and so reported. The report was placed on file.

#### Chicago Avenue Sewer Problem.

The matter of the sewer on Chicago avenue was brought up, and all had a chance to have a portion of the discussion, which shall be the beginning of the settlement of the matter. A concrete base was one of the things which it was claimed was necessary to make the job a good one and as it was claimed by a number of the councilmen, that both Banning, the maker of the sewer pipe, and McMaken, the one who installed it, has told the committee of the old council, who would not listen to the matter. It was claimed that Bruce & Sandeven, the engineers which the city has employed, said it was not necessary. This is the second instance in the evening where this firm had steered the people and the council wrong.

During the discussion it developed that not a sufficient number of inter-locking lugs were placed on the separate pieces, and that the sewer had not been built straight. The consensus of opinion was that all were some at fault.

The matter of levying a tax for the purpose of supporting the band was reported upon and it was the sense of the committee that the taxes at this time are as high as they should be and thought it not right to place more burdens and so reported. The report was placed on file.

The matter of the sewer on Chicago avenue was brought up, and all had a chance to have a portion of the discussion, which shall be the beginning of the settlement of the matter. A concrete base was one of the things which it was claimed was necessary to make the job a good one and as it was claimed by a number of the councilmen, that both Banning, the maker of the sewer pipe, and McMaken, the one who installed it, has told the committee of the old council, who would not listen to the matter. It was claimed that Bruce & Sandeven, the engineers which the city has employed, said it was not necessary. This is the second instance in the evening where this firm had steered the people and the council wrong.

During the discussion it developed that not a sufficient number of inter-locking lugs were placed on the separate pieces, and that the sewer had not been built straight. The consensus of opinion was that all were some at fault.

The matter was placed in hands of the streets, alleys and bridges committee and mayor to confer with the contractor and place the sewer in proper condition and adjust the costs thereof. The motion by Lushinsky and supported by Eeson.

Cass and Clara Streets.  
It was reported that the Burlington railway was occupying Clara street, and that it was placed in condition so that it could not be used. This elicited much discussion which brought out the fact that Clara street had been vacated some time since. It was shown that the connections through Cass street was such as not to be safe for travel. The matter was passed to the streets, alleys and bridges committee for investigation and immediate action.

Water Rates Matter Up.  
Then came the reading of an extended account of the cost of operation, the amount of capital invested, the condition of the water plant, and many other things, and compared the years of 1917 and 1918, to show that rates should be higher. Harris, who has the matter in hand as chairman, said that he had not received the matter in time to make report and was given more time. He expected to report at the next regular meeting.

Report Lightning Committee.  
Chairman Lushinsky of the lightning committee reported that he had received a proposition to have the council allow an increase of 20 per cent in the rates, pending an investigation, as to what was just, but that in no case should the minimum be less than one dollar per month whether the amount of gas used had been that much or not. That J. L. Kennedy, the fuel administrator for Nebraska, should employ a competent and disinterested engineer to ascertain what should be a just rate, and should that rate be less than the 20 per cent advance asked, then the amount of his expenses should be taken from the 20 per cent, and the remainder or that portion which was decided was too high paid back to the consumer.

This communication was dated June 12. The committee reported upon this that they had not sufficient knowledge of the matter to act, and asked that some one be secured in line with the suggestion of the lighting company, but that the lighting company bear the expense as they were asking for the increase and the burden of proof was on them to establish the fact that they were entitled to it. The report was adopted after much discussion. Attorney W. A. Robertson addressed the council in behalf of the lighting company, saying that they only wanted what was just and urged higher rates, while the councilmen generally retorted that the rates were excessive at this time. Weber especially, cited instances of higher rates than in town of like size of Plattsmouth. Mr. Robertson said the company must have redress or shut the plant down.

RECONSTRUCTION OF THE LISTS.  
From Thursday's Daily.  
There were some of the people who were to go who did not report at the time, and some were sick, while there were others which had to be added to make the quota good. Ralph B. Davis was changed from Ft. Riley to Funston, Charles W. Wence Jess W. Bashus and Harry R. McNurlin were added to Ft. Riley list, while George Leslie Everett of Sabastopol, California and Harry C. Holmes, Springfield, Illinois were added to the Camp Funston list. Frank J. Kane was inducted at Chicago and Leslie Barrett was inducted in Oregon. John A. Skinner of Alvo and Morton G. Welch of Gretna were sick. Harry Ackerman, Osceola, John Boden of Chicago and Henry Wenstedt of New Orleans failed to report, and unless they shall within forty-eight hours of the departure of the boys, will be considered deserters from the army and so dealt with.

RECEIVES LETTER FROM BROTHER  
From Thursday's Daily.  
Leslie Neill received a letter last evening from his brother Perry Neill who is now and has been in France for some time. Perry was for a number of months at Camp Pike Ark., and spent a number of months there in training. He writes his brother that he is getting along fine there, but does not tell anything which is happening, but says the country is fine, and that all keep well.

HAS ACCEPTED A POSITION TRAVELING  
From Thursday's Daily.  
Mont Robb of Union was a visitor in the city last evening, staying over night having some business with some of the business men here. While in the city he called upon the editor of the Journal, and had a few moments visit with us. Mr. Robb who was formerly the landlord at the Riley Hotel is now making his home at Union. Mr. Robb who has had extensive experience in the grain business, and whose experience gives him a knowledge of the business far beyond many others has just accepted a proposition to go to work for the Haynes Elevator Company, of Omaha and Council Bluffs, Iowa, as their buyer over the country. Mr. Robb will enter the work on July the first as their traveling buyer.

CALL FOR CLERKS AT WASHINGTON.  
The Chairman of the Woman's Committee of the State Council of Defense, Miss Sarka Hrozkova, is in receipt of a new call for Clerks at Washington. The bulletin states that:  
"Although the civilian workers in the National Capital have increased from 39,000 to nearly 90,000 in the first year of the war, the Government still needs specialized clerks. The United States Civil Service Commission announces that there is an urgent call for applicants for the positions of stenographer, typewriter, bookkeeper-typewriter, clerk-bookkeeper, cost accountants, accounting and statistical clerk, statistician, clerk qualified in accounting, clerk qualified in business administration, index and catalogue clerk, schedule clerk, passenger-rate clerk, blue-print file clerk, and assistant to business manager. These positions are open to both men and women.  
Representatives of the Civil Service Commission at the post offices in all cities are prepared to furnish definite information and application blanks.  
According to the Civil Service Commission, the full extent to which the specialized clerk is needed is perhaps not generally understood, and it is in this class of work that women have the best opportunity to be of real service to the Government at this time. Eighteen thousand stenographers and typists are at work constantly in the Government offices at Washington, D. C., on the tone of correspondence and records made necessary by war preparations on a scale such as the world has never before known."

LEGAL NOTICE.  
In the County court of the State of Nebraska, Cass county, ss:  
In the matter of the estate of Bennett Christensen, deceased.  
To the creditors of said estate: You are hereby notified, that I will sit at the County court room in Plattsmouth in said county on the 29th day of July, 1918, and on the 29th day of October, 1918, to receive and examine all claims against said estate, with a view to their adjustment and allowance. ## Children Cry for Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

*Chas. H. Fletcher*

In Use For Over 30 Years

## Summer Tours, 1918

The public is advised that Colorado Summer resorts, such as Rocky Mountain National-Estes Park, Colorado Springs, Manitou and hundreds of other places will be opened for patronage as usual. Accommodations in Estes Park are very extensive and can take care of thousands.

The usual resorts of the Black Hills are open; likewise the ranches in the Sherman-Big Horn Mountains locality; also the ranches along the Cody Road in the Absaroka Mountains.

The Yellowstone Park hotels will not be opened, but the Park Permanent Camps will be operated via the Gardiner gateway.  
GLACIER NATIONAL PARK will be under full operation for tourists. Choose your locality; ask us for printed matter and costs and let us otherwise serve you.
