Frank B. Shopp has been confined to his home for the past two weeks with a dislocated knee. He was engaged in pulling out stumps at his farm place near this city, when in some unknown manner the rope broke loose, swinging back and striking Mr. Shopp on the right knee in such a manner as to cause a dislocation and badly bruise the limb. The family physician was called and Mr. Shopp made as comfortable as possible but it will be some time before he will regain the use of the injured member. Mr. Shopp's many friends will be sorry to learn of his accident but trust that he will soon be able to be in their midst again.

ACCEPTS POSITIONS IN OMAHA.

From Tuesday's Daily.
This morning, going on the Missouri Pacific for Omaha, Misses Ruth and Blanche Clark, accompanied by their mother, went to accept positions with the Henry R. Gering wholesale drug house. A few days since Mr. Gering was in the city, and made very nice offers of employment to the young ladies, which they are now going to accept. The positions that they are accepting are, one stenographer and typewriter, while the other is bookkeeper. Miss Blanche accepting the former and Miss Ruth the latter. They will both be in the same room with their work, which will make it pleasant.

The young ladies are excellent in their chosen vocation and have made good in positions held here, and are of the highest type in character, and with a determination to win, they will make good in the position upon which they are now entering.

SPECIAL NOTES.

From Tuesday's Daily.
The Food Administration is demanding that we make an appeal to the farmers and elevators in the county to sweeten their granaries clean of wheat. Ship this grain at the earliest possible date to the Federal Grain Buyers at Omaha, or the Omaha Grain Exchange. They make this appeal to deliver this wheat without delay.

Wheat should be marketed for patriotic motives even though it would be more convenient to hold this wheat and deliver it along with this season's crop. Patriotism is not measured by the few dollars profit. Many people are voluntarily going without any wheat during this trying time that the supply may be sufficient for our armies and our allies.

CITY WINS WASH. AVE. CASE.

From Tuesday's Daily.
This morning city attorney J. E. Douglas received a notification to the effect that the city had won out in the case wherein a number of citizens had sued out an injunction to prevent the assessing of the special taxes for the paving of Washington avenue. This case was brought through the attorneys D. O. Dwyer and A. L. Tidd, on behalf of the citizens, and was defended by city attorney J. E. Douglas and attorney C. A. Rawls. The handing down of the decision by the supreme court of the state, will in all probability settle the controversy.

How he and Mr. Barclay who has filed on the democratic ticket, will make the contest this fall, the counting of the ballots alone can tell. Mr. A. G. Cole for the position of county attorney has been in the office for but few terms, being first appointed to finish out unexpired term of C. H. Taylor who resigned. At present there are no filings for this office except that of Mr. Cole. Both the gentlemen accepted the nomination last Saturday.

Uncle Sam pushed the clock ahead one hour to give more light.

Take advantage of it. You owe it to yourself and your country to make every minute count.

Use your car—passenger or commercial—to the limit.

Samuel P. Colt, president of the United States Rubber Company, helped awaken the country to the economic value of the automobile last fall. He said—

“Everything on wheels must be used and mobilized.

“The automobile is second to the railroads as an adjunct and supplementary to them in collecting and distributing merchandise.

“Owners should use their cars, both passenger and commercial, more and more.”

Make the most of your car by using the tires that will extend its usefulness to the utmost.

Use good tires—United States Tires. They last longest and carry you farthest at least cost.
