Mrs. Burns' Letter.

Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood, and people should know what to do in like circumstances:

Savannah, Mo., Oct. 12, 1916.
"I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."

The Joy of Living.

To enjoy life we must have good health. No one can reasonably hope to get much real pleasure out of life when his bowels are clogged a good share of the time and the poisons that should be expelled are absorbed into the system, producing headache and indigestion. A few doses of Chamberlain's Tablets will move the bowels, strengthen the digestion and give you a chance to realize the real joy of living. Try it.
