

# REGISTER THURSDAY, SEPTEMBER 12TH!

## EVERY MALE BETWEEN THE AGES OF 18 AND 45 WILL BE REQUIRED TO REGISTER ON THAT DAY

### QUESTIONS THEY MUST ANSWER

#### Between Now And Registration Day, Registrants Are Strongly Urged to Study All Questions To Be Answered

Provost Marshall Crowder has issued to local draft boards detailed instructions for registrants in answering the questions in the registration cards to be used in enrollment of men affected by the extension of the draft age limits.

There will be twenty questions on the cards which are somewhat different in form from the card used in registration of men between the ages of 21 and 31.

"Between now and registration day, September 12, prospective registrants are strongly urged," the provost marshal general says, "to study carefully both the questions and the instructions in order to be able to give prompt response to the registrars. Similar request is made of the registrars."

The Questionnaire. Following are the questions and instructions:

Question 1.—Name. The name must be given in full, thus: First name, middle name, last name. For example, "John Henry Smith."

Question 2.—Permanent home address. This means where you have your permanent home now, not the place where you work nor the place where you were born, unless that is your permanent home. Be prepared to give it this way: "100 Woodward Avenue, Detroit, Wayne county, Mich.," or "R. F. D. No. 2, Jonesville, Smith county, Pennsylvania." If the registrant lives in an apartment house he should state the number of the apartment in which he lives.

Question 3.—Age in years. State you age in years only. Disregard additional months or days.

Question 4.—Date of birth: If you do not remember the year, start to answer as you would if some one asked you on your birthday as "o'clock 12." Then say, "On my birthday this year I will be (or was) — years old." The registrant will then fill in the year of birth.

Question 5.—White.

Question 6.—Negro.

Question 7.—Oriental.

Question 8.—Citizen or Indian. An Indian born in the United States is a citizen. (1) If his father or mother prior to his birth of before he attained the age of 21 was allotted land or received a patent in fee prior to May 8, 1906; (2) if he was allotted land or patent to May 8, 1906, and received a patent in fee to his land; (3) if he was residing in the old Indian territory on March 3, 1901; (4) if he lived separate and apart from his tribe and had adopted the habits of civilized life.

Question 9.—Non-citizen? An Indian born in the United States should be classed as non-citizen Indian unless he falls within one of the classes of Indian citizens described in the instructions on question 7.

Question 10.—Native born United States citizen? If you were born in the United States, including Alaska and Hawaii, you are a native born

citizen of the United States irrespective of the citizenship of your parents. Any inhabitant of Porto Rico who was a Spanish subject on April 11, 1899, and who resided in Porto Rico on that date, and continued to reside there until April 11, 1900, is held to be a citizen of Porto Rico, except such inhabitant, natives of the Spanish peninsula, who elected to preserve their allegiance to Spain on or before April 11, 1900, by making a declaration before a court of record of their decision to do so. Any citizen of Porto Rico as above defined and any native of Porto Rico who was temporarily absent from the island on April 11, 1899, and has since returned, and is not a citizen of any foreign country is held to be a citizen of the United States, provided he did not elect to return his political status by making declaration under oath of his decision to do so within six months after Mar. 2, 1917. If you were born abroad you are still a citizen of the United States if your father was a citizen of the United States at the time you were born, unless you have expatriated yourself.

Question 11.—Naturalized citizen of the United States? You are a naturalized citizen if you have completed your naturalization; that is, if you have "taken out final papers." But you are not a citizen if you have only declared your intention to become a citizen (that is, if you have only "taken out first papers"). In the latter case you are declarant.

Question 12.—Citizens of the United States by father's naturalization? The children of parents who have been duly naturalized under the laws of the United States being under the age of 21 at the time of the naturalization of their parents, are, if dwelling in the United States before attaining their majority, considered as citizens thereof.

Question 13.—Alien declarant? You are a declarant if, altho a citizen or subject of some other country, you have declared before naturalization court your intention to become a citizen of the United States. This is referred to as "taking out first papers."

Question 14.—Alien non-declarant? You are a non-declarant alien if you do not fall within one of the classes described by questions ten, eleven, twelve and thirteen, and are not an Indian. In other words, you are a non-declarant alien if you are a citizen or subject of some other country than the United States and have not declared before naturalization court your intention to become a citizen of the United States, that is have not "taken out first papers."

Question 15.—If not a citizen of the United States of what nation are you a subject? This need be answered only by a declarant and non-declarant aliens. If you are an alien of either class, state the name of your country, which the registrant will write in this space. For ex-

ample: "Great Britain," "France," "Italy." State also the name of the sub-division of your country in which you were ordinarily resident before proceeding to the United States, which will be written by the registrar in parenthesis after the name of the country, as "Great Britain (Scotland)." In the case of Czechoslovaks, German or Austrians—Poles, Austrian, Lorrainers and persons of like status, the registrant may answer "Czecho-Slovak, claimed as subject of Austro-Hungary." "Pole claimed as subject of Germany," etc., and such entry shall be made by the registrar.

Question 16.—Present occupation? This means your present occupation trade or employment, which the registrar will enter in this space. Do not state what you did once, nor what you have done most of the time, nor what you are best fitted to do, simply what your job is right now.

Question 17.—Employer's name? If you are working for a firm, corporation, or association, state its name. If in business trade, profession or employment for yourself so state. If you are an officer of the state or federal government, say whether your office is under the United States, the state or a municipality.

Question 18.—Place of employment or business? This means where you work.

Question 19.—Name of nearest relative? If you are married and your wife is living her name should be stated. If you are single or your wife is dead you should state the name of the nearest blood relative. If you are not married and have no blood relative, the name of a close friend should be stated.

Question 20.—Address of nearest relative? In stating the address give the number and name of the street first, then the city or town, then the county and state; or R. F. D. number first, then postoffice, then county and state.

#### Demand Exact Location.

The registrant will ask the registrant if he receives his mail at a place other than that designated as his present address in answer to the question 2. If he answers that he receives it at some other place, that is, by general delivery at the post-office or in care of some other person, at some other address, etc. The registrant shall state such place in full, which shall be entered by the registrar in a blank place opposite the statement: I affirm that I have verified above answers and that they are true."

## LARGE CROWD GO TO OMAHA

### THE MEMBERS OF THE NATIONAL COUNCIL OF THE LIBERTY BAZAAR, GO TO OMAHA.

From Tuesday's Daily. Sunday there was a great demonstration of patriotism, as the members of the Czecho-Slovaks, of this city departed for Omaha to celebrate the opening of the great week bazaar, which is to be held there, and to take part in the parade which was had there last Sunday. The people from this town which numbers about two hundred and fifty were at the Burlington station with American flags and banners, which bore significant motto's, such as we are standing with President Wilson, and "America Will Save the World," and "By Aiding the Liberty Bazaar, You Help Win the War." All was enthusiasm and patriotism at the station, carrying it with them to the grand parade which was at Omaha. The people here have raised over a thousand dollars for the purpose of helping win the war, and they are doing more. Scores of young men from this city of Bohemian blood have gone to the service, and are doing what they can for the cause of the freedom of the world. The people of this city who have the blood of the Czecho-Slovaks flowing in their veins, are sure enthusiastic in doing what they can for the winning of the war for the double reason, for the sake of the freedom of all the world and for the rescue of their own relatives in Europe for the bondage of years.
