Murray Christian Church. Last Sunday was a church day enjoyed by many. We fell short of our Rally Day aim, yet doubled our average attendance with a final count of more than 80. 52 were on time, more than twice as many as ever before since we started "On Timers." The people appreciated Mrs. Hannan's convention report sermon because it was a change.

Two other Cotner people were at the Rally Day Service, Mr. Dale Top-liff and Mrs. Leora Brown. In the evening Rev. Melinger of Ashland, Oregon, a former pastor of this church, gave us a splendid lecture on "The Diplomatic Background of the War," illustrated by his stereopticon war maps. He soon goes to France as a Y. M. C. A. worker.

We are planning to have a short program each Sunday morning at Sunday School. Last Sunday Ardella and Katherine Leyba each gave a recitation. Let us make every day Rally Day. Why not? Think!

Subject for next Sunday morning, "The Living Sacrifice." Evening subject, "And the Greatest of these is Love."

Come to the church that has a message and a welcome for you. C. E. HANNAN, Pastor.

THE MIDLAND CONCERT COMPANY. A Trio of Artists Coming. It is our judgment that we have a most enjoyable evening ahead of us when the Midland Concert company is with us as a number on our Lyceum course. They are three jolly girls, vivacious and full of life who put lots of pep in their programs. It is no effort for them to put on an evening's

entertainment from their large repertoire, they just enjoy it along with you. The combination is voice, violin and reading, which makes possible much variety in combining parts. There are readings, solos, duets and trios as well as sketches. There will be musical readings with violin obligatos and piano accompaniments. The sketches are playlets abounding in humorous situations and pathetic incidents and will be well coached and finished.

Dorothy Ellen Cole is a typical American girl full of spontaneity, versatility and fun. She is the reader of the trio and although quite young has had several seasons' experience on the Lyceum and Chautauqua platforms. Her repertoire ranges from Van Dyke's masterpieces to the "Humorous Remarks of Ez Whitcomb Concernin' Pumpkin Holler."

Miss Corinne Schroeder is the pianist and also contributes to the combination a delightful well-trained soprano voice. She has great voice control and sings with ease and grace. She has a pleasing personality and fits into the ensemble numbers beautifully.

Miss Lucille Schroeder displays much natural talent in her violin numbers. She has been a devotee of her art since childhood, which, together with her natural ability and years of training, gives her a mastery of the violin seldom excelled. She is a sister of Corinne Schroeder and has appeared with her so long that they thoroughly understand each other and work together beautifully.

The trio is a strong one selected for their individual merit and give a most delightful evening's entertainment. MURRAY LYCEUM COURSE Puls & Gansemer Hall, Oct. 2, 1918

DOING WORK FOR SOLDIERS. WHAT THE RED CROSS AND OTHER SOCIETIES ARE DOING FOR THE BOYS AWAY.

BOYS WRITE HOME OF WORK Being Done By the Organizations For Their Welfare at Camp.

From Wednesday's Daily. The following is a letter written by Chester Welsheimer from Manhattan, Kansas, where he is located in a training camp.

Manhattan, Kans., Sept. 23. Kind Friend: I want you, all of the Plattsmouth people, to remember that I and all the boys appreciated the kindnesses shown us when we departed and since, in looking after our welfare, The Little City of Manhattan, Kansas, where we are located is sure doing its full share in working for the comfort and good of all the boys.

The Red Cross have built a Community house which is equipped with every comfort, and is fit for a king. All the churches of this city do all they can to induce the soldiers here to attend the services and everyone gets an invitation to some home for dinner. During the afternoon the boys are given an entertainment in the park, which is a beautiful place, then they are also furnished supper. Last month over one thousand boys were taken to homes of citizens for dinner. I have had the honor of being the guest in many of them, one especially I mention that of G. W. Cillhauer, whose hospitality is felt very thankful for as it seemed so home like. This place reminded us of our dear Father and Mother at home, how solicitous they are for our welfare. We cannot forget the kindness of the parents, when we were at home and how their hands ministered to our every comfort.

The boys from Cass county have mostly left here, there remains now only E. A. DuBots, Frank Muller, George Comer, of Union, Ralph Marshall, and Frank Miller who is in the base hospital at Ft. Riley, which is near here being treated. He is in Sec. A Ward 1 and had been there since a short time after he was sent here. The weather is getting much cooler here, looks like fall. Tell everyone to write the boys in camp. They will appreciate getting the letters.

Sincerely yours, CHESTER E. WELSHEIMER. Address Co. I, 644th Depot Brigade, Camp Funston, Kansas.

LEON STENNER WRITES. Telling of his impressions of the country and life in France, as well as his experiences there. He writes this to his mother: August 30, 1918.

Dear Mother: Just a few lines today. We are resting up a bit. I have not heard from home for some time, but I hope everything is fine. We are having lots of rain and it sure makes it unpleasant. However I am feeling fine and can stand anything. Oh yes, after trying to locate Ernie for two months, I have run across him.

Heaters! Heaters! WE HAVE SURE GOT THEM —ALL KIND AND SIZES! We have them in stock and at prices that will surprise you. If you need a Heating Stove now is the time to buy it, if you wish to take advantage of these prices and while we have the goods. We have in stock and would be glad to show you Monopipe pipeless furnace. It is of steel construction and is gas tight. There is not a single point from which gas, smoke or dirt can escape. If you think of installing a heating plant of any kind, come in and look this furnace over. MURRAY Hardware AND Implement Co., MURRAY, NEBRASKA

His Ammunition Train is stationed only about three miles from where I am. I only learned that last night. I have not seen him as yet, but just wait I am going to surprise him.

Your ever loving son, WAGONER LEON C. STENNER. Co. B, 198 Am. Train, A. E. F.
