Don't come to see this picture expecting to be entertained by a sentimental love plot. But come to get the bare facts of what is being done both "over here" and "over there."

this picture, which shows you where the 'ool' you have saved goes to. How the money you have given to the Red Cross, Y. M. C. A., K. of C. and other funds have been spent; what the Government has done with the money derived from the Liberty Bonds you have subscribed to. All these and a thousand other questions are answered, and answered correctly by this great Government film. Also some of the first German prisoners being captured by our own American soldiers. This whole paper could be filled in telling what can be seen in this picture and still most of it would remain untold.

THE FOURTH LIBERTY LOAN

THE ACTIVITIES OF WHICH WILL SOON BE HERE IN FULL FORCE AND EFFECT.

WE MUST GO OVER THE TOP

The Other Loans Were More Than Subscribed, Let Us Get This Done Before Date.

From Thursday's Daily.

The Fourth Liberty Loan quota for this county is \$250,000.00 which is more than twice the amount of the Third, which \$536,000.00, but which went over the top, with something like a subscription of \$750,000.00. We have met those other subscriptions, with a hearty alacrity, which was truly American. We have just two weeks before the great drive opens for the subscription of these bonds. Let us have them all taken by that time, and be ready for the celebration of the event which is going to be one of the hardest hitting propositions which the stay-at-home portion of America people can deliver. This is a stroke with a punch to it, let us deliver it with full force, that it will have the moral effect on the enemy, by them knowing that entire America is behind the boys who are doing the things across the water.

WAGNER HOTEL DINING ROOM OPENED TO PUBLIC

From Friday's Daily.

Elsewhere in this issue of the Journal will be found a large advertisement announcing the opening of the Dining Room of the Wagner Hotel, and the closing of the Wagner Restaurant, that has been enjoying such an excellent business for the past few years. This movement is taken simply because Mr. Wagner believes in "Hooverizing" along the eating house line in this city for the present, and in closing the restaurant he will be able to cut this expense and give the people the high class service at the Wagner Hotel. In the future you will be

able to secure the same service at the hotel dining room. Sandwiches, short orders and regular meals will be at your command, in fact "EVERYTHING GOOD TO EAT" will be found at the Hotel Wagner. Mr. Wagner has carried a good reputation in the restaurant line, which reputation has been gained by the excellent service to the people, and this same service will be carried to the dining room of the hotel, where you will always find the same cordial welcome at any and all times.

LEAKAGE OF HEART CAUSES REJECTION

From Thursday's Daily.

John Swartz, who has been located at Camp Cody for a number of months and who had thought he would be sent across, was disappointed as the day they were to go, and were lining up for the purpose, he was taken out of line, and medical examination said he had leakage of the heart, and he was rejected. He was given an honorable discharge on account of physical disability. He was greatly disappointed as he had counted on going with the rest of the boys, and had trained for all the time for the purpose of going, and at the last minute almost, to be rejected was sure pretty tough.

BROTHER GOES TO ARMY.

From Thursday's Daily.

B. H. McCarthy of Sheridan, Wyo., who has been engaged in farming was a visitor in this city for over night with his brother L. L. McCarthy, on his way to Ft. Riley, Kansas, to join the service. He had been selected in the draft some little time since and had gotten time to harvest the wheat crop which he had raised this summer. This is the second brother which Mr. L. L. McCarthy here has had to go within a few weeks.

WILL ENDEAVOR TO HAVE NIGHT SCHOOL

WILL ORGANIZE FOR TEACHING DUTIES OF CITIZENSHIP TO THE APPLICANTS.

From Thursday's Daily.

Richard Wright of St. Louis, who is the Naturalization Examiner for this district, who is visiting the office of the District Court, and with the District Judge, will endeavor to establish a night school here in conjunction with the public schools, to give instruction in the branch or language, that one may speak "American" and know enough of civics to enable them to pass the necessary examination for admission to citizenship, when the time comes for their obtaining their final papers. This is an excellent move, and one which is in vogue in 2,000 cities in the United States. Of a truth, one a candidate for American citizenship, should know what it means to be an American in the fullest sense of the word, and unless they have the proper conception of this high obligation the right of citizenship should be refused.

GIVE PLAINTIFF VERDICT.

From Thursday's Daily.

The jury returned a verdict in the matter of the trial of Robert O'Brien vs. Omar Coon, wherein suit was brought for the recovery of certain sums of money which was paid to Coon by O'Brien for the purchase of lands from a real estate company, located in Minneapolis, and on account of the failure of the principal, the Real Estate Company, suit was brought for recovery of amounts paid, with the result that a verdict was granted of \$5,198.00.

HOME FROM JUNCTION CITY.

From Thursday's Daily.

G. R. Olson who is located at Junction City, Kansas, arrived home this morning, and is looking after some business here, as well as visiting with the folks at home. He will return on tomorrow to his work there. He says business is very good there now, they having in the employment 17 people. Mr. Olson will establish another branch house there, at a portion of the Funston Camp, which will be alone for colored soldiers, of which there are at this time about 10,000. A large number of them having just been sent east. At Junction City there has just been a new Community Club House, which is 70 feet wide, 125 feet long, and of three stories in height.

LIBERTY CLUB.

From Thursday's Daily.

A number of the young business women of Plattsmouth met at the Red Cross rooms Monday evening

for the purpose of organizing a Liberty Club. Mrs. E. H. Wescott was elected temporary chairman, and Mrs. Roy Knorr secretary. Miss Verna Hatt was chosen president and Miss Cecil Schiappacasse secretary-treasurer. A committee was appointed by the President to draft rules regulating the Club. Different lines of patriotic work were discussed. They voted to call themselves "The Business Girls Liberty Club." The Club comes under the supervision of the "War Camp Community Service" department of the government. Mrs. Christine Conklin and Mrs. Roy Knorr will act as leaders of the Club. At the next meeting, definite work will be taken up. Other Liberty Clubs will be organized as the need arises. Any number of girls over eighteen years of age banding themselves together for mutual help, and service to their government, may organize a Liberty Club.

For any additional information which may be desired consult Mrs. E. H. Wescott.

SPANISH FLU STOPS DRAFT OF 142,000

FROM EVERY STATE AFFECTED

Provost Marshal Acts Upon Instructions From the Chief of Staff.

Washington, D. C., Sept. 25.—Because of epidemics of Spanish influenza in army camps, Provost Marshal General Crowder tonight cancelled calls for the entrainment between October 7 and 11, of 142,000 draft registrants.

In the last day 6,139 cases have been reported in army camps. One hundred and seventy deaths, resulting chiefly from pneumonia following influenza, were reported.

General Crowder acted upon instructions from General March.

Every state and the District of Columbia had been assigned quotas and the men were to have gone to practically all of the camps in the country.

PREPARE FOR CHANGEABLE WEATHER.

H. B. Miller, R. F. D. 10, Wooster, Ohio, writes: "By the changing of beds and the weather, I took a very bad cold and sore throat. Four doses of Foley's Honey and Tar put me right in a day's time." It pays to get the genuine Foley's and avoid substitutes and counterfeits. Contains no opiates. Sold everywhere.

MAKE LARGE SHIPMENT.

From Thursday's Daily.

The ladies of the Red Cross are making a large shipment of some 12 cases of goods, which they have prepared, and while the work is considered to be done by the ladies, some of it is pretty heavy work, and required a large amount of muscular force to hustle the large boxes and cases of goods around and prepare them for shipment. This could be done by some one who is gallant enough to think of it and go offer their services. One American was thoughtful enough to go and assist in nailing up the cases, Mr. Ezra Lynch, who is employed with H. M. Soennichsen. Say, you men, this work of the Red Cross is going on all the time, and if you will only look out a little an opportunity to render some service to these ladies who are working hard, for the cause of the boys, over there.
