**Hiatt & Tutt,**

MURRAY, : : : NEBRASKA

Gussie Pullen was looking after business in Plattsmouth Saturday.

Arthur Crunk and family were Plattsmouth visitors Saturday afternoon.

Mr. and Mrs. L. D. Hiatt took dinner at the home of Mr. and Mrs. W. G. Boedecker last Sunday.

Mrs. Mose Hiatt departed this week for Rising City, Neb., where she will make an extended visit with her son B. W. Hiatt and family.

Geo. E. Nickles, Albert Young, Mr. Scotten of Murray, attended the funeral of W. H. Banning held at the M. E. church in Union, Saturday afternoon.

The New Hope War Savings Society held a very interesting meeting on the evening of Sept. 26th, at the school. Several interesting War Savings letters were read, and the speaker of the evening was Hon. A. F. Sturm. A large number were present, but hope for a larger attendance at the next meeting Oct. 24th.

A short patriotic program was given by the Pleasant Hill and the New Hope districts on Friday night at the New Hope school house. After the program, sandwiches and coffee were sold from which a neat sum was realized. The attendance was large and everyone responded liberally in helping the Junior Red Cross. A rooster was donated to be auctioned off and brought eight dollars and twenty-five cents. Also fourteen chickens were donated as a Red Cross shipment.

The big Closing Out Sale of Puls & Gansemer opened at their store on last Saturday, and the way the goods have been going out of this store for the past few weeks, it is doubtful if the line will hold out for the closing day. The people are eager for bargains and it is bargains they are getting during this sale. See their large ad in this issue of the Journal. It may save you some money, and pay you well for your time. The prices are right and the goods are going fast.

Miss Rose Jirousek teacher in District No. 7, gave a program at the school house which was well attended and very much appreciated by the crowd. The sale is held in behalf of the Junior Red Cross was well sold, a small beach hen bringing the high price of \$14.75. Other things sold accordingly. Miss Jirousek served sandwiches and hot coffee, assisted by Mrs. Robt. Barr, Mrs. G. S. Ray and Mrs. Geo. Forks. The aWr Savings Society was also present to enjoy the program and held their business session at the same time. The proceeds of the social amounted to \$51.25.

Mrs. Peter Perry of Mynard has received a card stating that her grandson, Harold Perry of Alberta, Canada, has arrived safely "over-seas." The young man, who is a son of Mr. and Mrs. John Perry, former residents of this county, came from his home last June and enlisted in Uncle Sam's army, as a mechanic in the Coast Artillery. After a short visit here with relatives he was sent to San Francisco for a couple of months training and when last heard from was stationed at Camp Mills, N. Y., expecting to sail any day. His safe arrival is gratifying news to the many friends here, although they know not in what part of the country he is and anxiously await further news. One thing is certain, he will do his part toward downing the Hun, wherever he may be.

Miss Clara Young was down from Plattsmouth Sunday.

A. L. Baker was looking after some business matters in Plattsmouth and Omaha Wednesday afternoon.

Lloyd Gapon and Harry Creamer returned home from western and northern Nebraska this week. They report things looking good in that part of the country.

Miss Bronson has accepted the Librarianship of the Public Library during the school year. New books will soon be added to the Library. Gertrude Long who was the Librarian for over a year was certainly faithful and kept the Library up to the standard that Miss Thron left it.

L. D. Hiatt went to Omaha Monday, where he was operated upon Tuesday for a nasal trouble that he has been suffering with for some time. Quite a portion of the diseased bone was removed, and he returned to Plattsmouth Wednesday evening, and will return later and have his tonsils removed, after which he hopes to regain his former health, and we join the many friends in wishing him permanent relief from his former sufferings.

**Household Goods For Sale.**

**GERMANY IN A GREAT TURMOIL**

London, Oct. 1.—A peace demonstration took place in Berlin on Saturday, according to news received here today.

The cheering crowds assembled in front of the Bulgarian legation at the German capital necessitating police intervention. The rioters, according to the information, got the upper hand of the authorities and committed excesses. A number of statues in the Berlin squares were destroyed.

There is the greatest excitement in Germany over the defection of Bulgaria, judging from special dispatches received here from Holland. On Saturday the excitement amounted to a panic. The alarm brought forth the instant demand that "something be done."

A dispatch to the Daily Mail from The Hague says the demand is for somebody possessing the confidence of the Germans and their allies to replace the present military oligarchy.

Emperor William's belated anxiety for the people to co-operate in the government evidently will be distasteful to the Junkers, one of whose foremost newspapers, the Kreuze Zeitung, declares that a dictatorship is the only possible alternative. On the other hand the demand of the popular parties is for a popularly elective cabinet.

The effect of the resignations of Chancellor von Hertling and Foreign Secretary von Hintze on the public agitation is not yet reported and nothing is known as to how the terms of the Bulgarian surrender have affected the German people, if they have been permitted to know the terms.

**Kaiser's Latest Effusion.**

London, Oct. 1.—Emperor William in a message to the fatherland party is quoted in an Amsterdam dispatch to the Exchange Telegraph company as saying:

"I have the confident hope that the whole German people in these most serious times will resolutely gather around me and give their blood and wealth until the last breath for the defense of the fatherland against the shameful enemy plans."

"Such a unanimous resolve to exist will and must, with God's help, succeed in breaking the enemy's will to war and secure for the fatherland the peace it is worthy of among the people of the world."

Must Take Time to Submerge.

It requires at least five minutes for submarines of the latest type to submerge. A submarine cannot dive quickly under the sea, because the water which must be let into her ballast tanks to make her heavy enough to sink must be let in comparatively slowly. If it were let in with a rush the boat might not go down on an even keel, but would heel over and be in great danger of disaster. Then, too, if water were let in too quickly there would be danger of too much entering, and in that case the submarine would sink like lead to the bottom of the sea.

**Wearied, as It Were.**

Stanley had learned to dress himself and was quite proud of it, but after several days' practice he seemed to have lost his pride. One morning he asked his mother to dress him.

"I thought you could dress yourself, Stanley—you must be getting lazy."

"No, I ain't; but I's losed my 'ustness."

**HUMAN INTEREST IN BIG U. S. FILM CARRIES MESSAGE**

Information of Vital Interest to Americans of All Ages in Official Production of "Pershing's Crusaders," Soon to Open.

Under the auspices of the United States Government, the Committee on Public Information, of which George Creel is Chairman, will offer at the Parmele, Sunday and Monday, the first official United States war film, entitled "Pershing's Crusaders," in eight reels. This feature film has been photographed by the United States Signal Corps, Navy photographers and cameramen of the French General Staff. It shows how every man, woman and child is helping Uncle Sam, with interesting scenes showing the progress being made in ship building, aeroplane construction and gun and ammunition making as well as interesting phases of cantonment training. The big feature of this picture, however, is that portion which gives the very latest news of what our boys are doing in the front line trenches in France. There will also be shown in this film a number of stirring scenes which have been taken for the Governments of France and England covering phases of American activities broad. As all of the war pictures now being made are controlled by the Committee on Public Information, this official film will be the first to show the true conditions now prevailing where Americans are on the fighting line.

"Pershing's Crusaders" is distributed by the First National Exhibitors' Circuit, Inc.

See the ad in this paper for further particulars.
