Johnson, who has received the nomination on the Republican ticket for county treasurer of Cass county, was born in Kentucky, and has been a resident of Cass county for more than twenty years. At the present time he is engaged in farming and stock raising in Plattsmouth precinct. His previous business training thoroughly qualifies him for the responsible office of County Treasurer.

OWING to the great task of caring for the war loans and Red Cross, it will be impossible for him to make as thorough a canvass as he would like. He considers that his first duty is to his government. If this meets with your approval vote for him for county treasurer.

For County Commissioner 3rd Dist. HENRY J. MILLER.

Mr. Miller was born in Illinois, has been for twenty-five years, one of the leading farmers of the west end of Cass county, also farmed in Eight Mile Grove Precinct for about 20 years. Micky appointed Mr. Windham as trustee for the school for the blind at Nebraska City, and for the Deaf at Omaha. These responsible positions he held also under Gov. Sheldon and a part of the term of Gov. Shallenbarger. He has been one of Plattsmouth's leading and enterprising citizens for many years and has filled many positions of honor and trust, always with credit to himself and in the interests of the people. C. D. Quinton, who is the choice of the Republicans of Cass county, for the important office of Sheriff, has demonstrated what he can do. There is not an office in the county in which experience is so much needed, as in the office of Sheriff, particularly in this true during the present war. You will make no mistake in supporting Sheriff Quinton. Mr. Quinton has been so busy with war work that he will not have the time to call on the voters, as he would like to do.

For Commissioner in the 2nd Dist. C. F. HARRIS.

An Open Letter. Plattsmouth, Nebr., Oct. 24, 1918. Editor The Republican, Weeping Water, Nebraska.

Dear sir: There is one county office to be filled by the voters of the county at the coming election, for which there is a woman candidate, and in as much as there is a great shortage of man power, or producers, at this time, it seems to me that it would be the patriotic thing to elect Mrs. Edna D. Shannon, of your city, to the office of Register of Deeds. I agree with General Crowder that every able bodied man should either work or fight in the great contest now on for human liberty, and in as much as the larger portion of the work in this office for the past twenty years has been done by a woman or a girl, it seems to me that it would be good policy to place Mrs. Shannon in that office. I am informed that she comes from a good old Cass County family and is the daughter of an Old Union soldier, and is entitled to the consideration of the voters of the county for that reason if no other. If we adopt the policy of putting women in such positions it will have a tendency to reduce the cost of living and I think it should be done in this case.

Yours respectfully, JOHN BRADY.

HORSE FALLS IN CELLAR.

From Monday's Daily. Last evening a horse belonging to Lester Dalton, who is in France, was in the yard, and thinking to get in shelter of the house from the driving rain, backed up under the back porch and chanced to step on an outside cellar door, which gave way, and he was precipitated in the cellar below. A few minutes later Willis R. Holmes was going to the Dalton home for something or other and when he was nearing the cellar entrance, he heard a noise, and he knowing there was considerable fruit in the cellar, thought it was someone stealing the fruit, so he picked up a club and down he went, only to find the horse standing there, as quiet and as gentle as could be. He secured the neighbors and tempted to get the animal out, but he refused, and made that his abiding place until this morning, when the sunshine and thoughts of green grass brought him forth o. k.
