NOW READY TO GO OVERSEAS

ALL PRELIMINARIES ARRANGED FOR THE DEPARTURE OF C. C. WESCOTT FOR FRANCE

WILL LEAVE HERE IN 10 DAYS

Will Remain in New York For About One Week For Special Instructions.

From Wednesday's Daily. C. C. Wescott received a message yesterday announcing the completion of arrangements for his departure for France, where he becomes a secretary of the Y. M. C. A., and where he will work with the soldier boys during the remainder of the war. The message which he has received, reads as follows: New York, N. Y., Oct. 28. C. C. Wescott, Plattsmouth, Neb.,

Pleased to state all Governmental and Association matters now ready for you to report to New York earliest Monday or Tuesday, prepared to sail after week's training. Conference on arrival. Leave heavy baggage at depot, take hand bag, Hotel Bristol, twenty-two and forty-ninth street. For Hotel assignments before reporting, War Personal board wire date you will come.

Y. M. C. A. War Personal Board The Omaha Trade Exhibit has the following to say regarding Mr. Wescott:

C. C. Wescott of Plattsmouth, of the C. E. Wescott Sons company and secretary of the Nebraska Retail Clothiers' Association, has gone to France to serve the soldiers of Uncle Sam and our allies in Y. M. C. A. war work.

This sort of service is greater than most people appreciate, and when a young business man like Mr. Wescott (and there are lots of them, and more to go) will give up his business and take up this work,

KNOCKS OUT PAIN THE FIRST ROUND

Comforting relief from pain makes Sloan's the World's Liniment

This famous reliever of rheumatic aches, soreness, stiffness, painful sprains, neuralgic pains, and most other external twinges that humanity suffers from, enjoys its great sale because it practically never fails to bring speedy, comforting relief.

Always ready for use, it takes little to penetrate without rubbing and produce results. Clean, refreshing. At all drug stores. A large bottle means economy.

knowing what it means, he deserves a lot of credit and public appreciation.

Aman in that work is paid just his actual expenses, and his dependents are paid their normal expenses at home. There is no salary and no chance for gain. Moreover, men now in that work must stay for the duration of the war if they are of draft age, and most of them are. The worker in the "Y" huts has hard work, lots of it, long hours, and often takes as much danger and risk of life and limb as do the fighting soldiers, all without any chance of gaining a commission, a decoration or other military recognition or advancement.

However, the soldiers served are learning to appreciate the work of these men and in the days after the war is won it is likely that a Y. M. C. A. worker, or worker in any of the other organization huts who do a similar service, will have as much honor and recognition from the soldiers as any other man who helped win the war.
