which he was authorized and instructed to communicate to them. (The president at this point stated the terms of the armistice, which

appear above.) Ends War, Says President. Concluding the terms of the armi-

stice, the president continued: "The war thus comes to an end; for, having accepted these terms of armistice, it will be impossible for the German command to renew it.

"It is not now possible to assess the consequences of this great consummation. We know only that this tragical war, whose consuming flames swept from one nation to another until all the world was on fire, is at an end and that it was the privilege of our own people to enter it at its most critical juncture in such fashion and in such force as to contribute in a way of which we are all deeply proud to the great result We know, too, that the object of the war is attained; the object upon which all free men had set their hearts, and attained with a sweeping completeness, which even now we do not realize. Armed imperialism, such as the men conceived who were but vesterday the masters of Germany, is at an end, its illicit
