THEY RAN SHORT OF GASOLINE

TWO BATTLE CREEK MEN GET IN BAD WHEN THEY RUN SHORT ON THEIR GAS.

MORE THAN ENOUGH BOOSE

Stopped At a Farm House to Telephone For Gasoline And Officers Came.

From Wednesday's Daily.

Last evening Alonzo Rodgers and Arthur Kunsweengist, claiming as their home Battle Creek, came to grief, last evening when five miles east of Elmwood, they ran out of gasoline for their Ford car in which they had eight cases of contraband. They went to the nearest house to call for some one to bring the gas from the nearest town, and having aroused the suspicions of the people, they informed the authorities, who investigated, and found 8 cases of Kentucky Bourbon whiskey in the car. They were accordingly arrested, and this morning brought to this city, where they were given a trial before Justice of the Peace, M. Archer, who assessed a fine of one hundred dollars each against them, on two counts, for having illegal possession of intoxicants and on the other charge of transportation of the stuff contrary to the law. The fines amounted to \$500.00 while the costs amounted to \$19.25.

Besides the amount invested in the Ford automobile (?), and the eight cases the boys did not have any extra or working capital, and they got into communication with the father of Mr. Kunsweengist. They are now awaiting for his appearance to get the boys out of the bastle.

LAI TO REST AT OAK HILL CEMETERY

Remains of John L. Mayfield Laid At Rest With Appropriate Ceremonies.

From Wednesday's Daily.

Yesterday the funeral of the late John L. Mayfield was held at the late home, and was conducted by the Rev. L. W. Scott, of the Christian Church. Mr. Mayfield who but a few days since was in the midst of a very active life, and who went to Omaha, to relieve a fellow worker, now rests from all earthly labor while the work has been delegated to another. The familiar face which greeted the fellows at the place where he has worked is missing. The place at the home with the

wife and little daughter is vacant, the support, the companionship of the father and husband is gone. The family takes up the strand of life, seemingly, a portion unravelled, and make the most of their mission here, notwithstanding the loss of the companionship, the counsel, and assistance of the husband and father. The interment was made at Oak Hill cemetery, and the men with whom he had worked born the mortal remains to their last resting place, and tenderly left them to await the trump of the angel who shall come on the resurrection morn.

The groom is a young man born and growing to manhood in this city, where he has a host of friends, while the bride is the daughter of Mr. and Mrs. A. S. Bennett of this city, and both are well and favorably known to most of the citizens of this place. The Journal with their many friends extend to them congratulations, and wish them a happy and prosperous life.

Business education is power. It is today the open road to success and independence. It teaches you how to MANAGE instead of BEING MANAGED. The moment an employer realizes that he does not have to pay some one to look after you, that moment your value to him rises immensely. The policy of superior courses taught by Actual Practice in the Grand Island Business College has made possible greater success for our graduates, and it has also the effect of attracting to our school a BETTER CLASS OF STUDENTS, and this has in turn been followed by obtaining the patronage of the best banks, and business firms. IN THE DISTRICT COURT OF CASS COUNTY, NEBR.

In the matter of the application of Henry Snoke, administrator, for license to sell real estate.

ORDER TO SHOW CAUSE.

Now, on this 29th day of November, A. D. 1918, this cause came on for hearing upon the petition, under oath of Henry Snoke, administrator of the estate of Elizabeth Sumner, deceased, praying for license to sell the following described real estate of said Elizabeth Sumner, deceased: Lots Four (4), Five (5), and Six (6), in Block Twenty Three (23) of the Village of Eagle, Cass County, Nebraska, or a sufficient amount thereof to bring the sum of \$25.00 for the payment of debts allowed against said estate, and allowances and costs of administration, for the reason that there is not a sufficient amount of personal property in the possession of said Henry Snoke, administrator, belonging to said estate, to pay said debts, allowances and costs.

It is therefore ordered that all persons interested in said estate appear before me at chambers in the City of Plattsmouth in said county, on the 14th day of January, A. D. 1919, at the hour of ten o'clock a. m., to show cause, if any there be, why a license should not be granted to said Henry Snoke, administrator, to sell so much of the above described real estate of said deceased as shall be necessary to pay said debts and expenses.

It is further ordered that a copy of this order be served upon all persons interested in said estate by causing the same to be published once, each week for four successive weeks in the Plattsmouth Journal a newspaper published and printed in said county of Cass.
