PERSHING PRAISES AMERICAN RED CROSS

Washington, D. C., Dec 17.—Work of the American Red Cross for the soldiers of the American Expeditionary forces is commended by General Pershing in a statement issued from his headquarters in France and made public tonight at Red Cross headquarters in connection with the Christmas membership campaign. In expressing for the troops overseas appreciation of the services rendered by the Red Cross, General Pershing said:

"Two the millions of women who are in the service: to the millions of men, rich and poor alike throughout the country who have sacrificed and even to the millions of children of our schools who are doing their part, it should be made clear that the relief and comfort contributed by them through the American Red Cross to the men in the service is essential.

CANNOT "BLUFF" TEXAS MAYOR

Houston, Texas, Dec. 17.—"The city of Houston will not be bluffed by Burleson," declared Mayor Ameman of Houston today in announcing the city will begin legal proceedings to prevent the local telephone company increasing its rates 50 per cent, under authorization of Postmaster General Burleson.

The city council previously had refused the company permission to increase rates when a special order authorizing the increase was sought and obtained from Burleson.

Suit for an injunction to restrain the enforcement of the increase probably will be entered, the mayor said.

Appropriate Christmas Gifts!

A PIECE of Jewelry makes the most appropriate Christmas Gift you can select. No alone because Jewelry is pleasing to look at, but because it is lasting. A piece of good Jewelry will last a life time, and that is the kind we carry.

There is a big satisfaction in giving gifts that are sure of a warm welcome and hearty appreciation.

DAVID HANKINSON CONDITION GRAVE

From Tuesday's Daily.

Mrs. Ben Hankinson, who has been at Omaha for the past few days at the bedside of her son David, who is in a hospital at that place, where he has undergone three operatinos. The condition was serious last Saturday, and the physicians at the hospital thought it best to call the young man's mother and she was taken to Omaha, via auto.

Mr. Hankinson who has been staying at Crookston, was also called and is at the hospital now with the young man. Mrs. Hankinson coming home last evening. Another and third operation, was performed, as it was thought, that there was but little hope for his recovery, and when performed, brought forth an ounce of pus. Since this the young man's condition has been somewhat improved, but his condition is still very bad. While the friends and physicians have very little hope of his recovery, it would be pleasing news to know of his getting well again.

BROTHER SEVERELY WOUNDED

From Tuesday's Daily.

The many friends of Mrs. L. W. Whitacre, who formerly taught in the city schools here, and who is now teaching at Nebraska City, and who was formerly Miss Bute, will be pleased to know that the message, which she received saying that her brother was dead, is corrected, by a letter from the young man himself, in which he says that he was severely wounded, and that he had lost one of his feet. He was in a hospital, and was very weak, but was recovering very slowly.

The young man Joy Bute was from Hastings before going to the service. The parents now make their home at Trenton, where Mrs. Whitacre departed last Saturday night to comfort them in their sorrow.
