Mr. Gopen, a son of Bert Gopen, and nephew of Lloyd Gopen, was spending a few days with his uncle the past week. Mr. Gopen was wounded in France.

The flu has interfered with all public gatherings and business. In fact it has almost turned the world upside down—but lately things are sailing along all O. K. and next Monday evening Dr. John Gray will appear as a number on our Lyceum course. He comes highly recommended. Some of our citizens have heard him and say he is worth the price of the Lyceum number. Of all years there is none when we need words of encouragement and helpfulness—more than we do right now. So come and hear him.

### The Missionary Society

The Missionary society met with Mrs. Davis Friday. Mrs. John Harris and Mrs. V. Palmain assisted Mrs. Davis. The attendance was very large and some fifty people enjoyed the afternoon with the Missionary society. At 5 o'clock delicious refreshments were served. Mrs. Cathey and Mrs. Ray Davis became members of the society. It had been so long since the society had been together that the occasion was more

### GOES TO NEW YORK FOR MILLINERY STYLES

Miss Josephine Ulrich, of this city, who for the past season has been employed in the millinery establishment of a large firm at Anderson, Indiana, has just completed a most successful season, and so satisfactory was her work that the firm desired very much to engage her for the next season before releasing her on the former contract. Miss Ulrich consented to accept the position for another season upon

the condition that they send her to New York for the new styles. Her proposition was accepted immediately, and she is now on her way to New York and will enter the large house of Gage Brothers for the time, and return to Anderson as soon as the season opens with the new spring styles. Miss Ulrich being a Plattsmouth young lady we all have a great interest in her, and join with the Journal in congratulating this excellent young lady upon her self-made success in the millinery line. Miss Ulrich is the daughter of Mr. and Mrs. Chas. Ulrich of this city.

### WOULD IT BE BETTER.

Yes it is pretty warm, nice weather for this time of year. The streets and pavements are pretty muddy and dirty, it is difficult to get over the mud with any degree of satisfaction. Would it not be a good idea to wash off this mud, and see if it would not be better to get about a little work, and the water is coming to us, would help considerable.

## Why There Must be a Scarcity of SUPER-SIXES

There have never been enough Hudson Super-Sixes to meet the demand.

Production was to have been stopped January 1st. Then, unexpectedly, the ban against manufacture was lifted. Orders for closed cars remained to be filled. So when authority to continue manufacture was given, all efforts were turned to filling those closed car orders.

That is the condition today. No open car models, the seven-passenger and the four-passenger phaetons, will be built for some time. Normal factory production cannot be resumed before June.

Only a few open cars are in the hands of dealers. The factory will have none for some time. If you want an open model Super-Six, the type that has given Hudson so much prestige, you should

try to get one of those now in stock. The first suggestion of Spring will exhaust all that are now available.

The Super-Six owes its leadership not alone to the performance and endurance it has proved, but to its dollar value.

What car in performance, durability, reliability, smartness and beauty, at any price excels the Super-Six? The seven-passenger Hudson phaeton sells at \$2,200.

60,000 Super-Sixes have made the White Triangle known on every highway
