CHRONICLES PASSING OF TED JEARY

ELMWOOD LEADER-ECHO TELLS OF LIFE OF THIS WELL KNOWN MAN.

FORMERLY IN ELMWOOD BANK

Was Born in England Nearly Forty Years Ago—Came to Cass County in 1905.

From Saturday's Daily. This community was shocked on Monday morning to hear of the death of Ted Jeary, who lived at Greenwood, on Sunday morning. His friends had known that Mr. Jeary had not had good health for some time but it was not known that his condition was so serious.

Edwin John Jeary, son of Mr. and Mrs. Wm. Jeary, was born July 23rd, 1880 at Stehnam, England, and departed this life February 2nd, 1919, aged 38 years, 6 months and 10 days.

In 1903 he came to America to make his future home, being the first of his immediate family to cross the ocean. He had, however, already been preceded to this country by his uncles, Edwin Jeary and Robt. Jeary and his aunt, Mrs. Elizabeth Stanton. After working a short time for the Burlington railroad in Lincoln, Neb., and in Chicago, he came early in 1905 to Elmwood in Cass county, Nebraska, to work in the First National bank. This position he held for several years. It was in this town that he met Miss Clara Detman, to whom he was married July 3rd, 1908. To this union were born two children, Ida and Kathleen. The deceased leaves a wife, a father and mother, two children, two sisters, two uncles, Robert Jeary of Seward and Edwin Jeary of Lincoln and a aunt, Mrs. John Stanton, of Bethany, and a host of relatives and friends who mourn his loss.

One sister in California and one uncle in Florida were unable to attend the funeral.

Nearly two years ago he began work for the Burlington railroad. Last September he went to Cheyenne, Wyoming to work for the U. P. Ry. Co. It was his hope to be transferred to Omaha, where he had planned to make his future home. It was here that he was overtaken by his last illness. His frail body could endure the strain no longer. He was taken to a hospital in Cheyenne and later moved to the home of his parents, where his last days were spent. Ted, for that is what we called him, was a good friend to everyone. He was always ready to help anyone in need. The "cold shoulder" was not a part of his nature.

He was forgiving and kind and this was true not only among his associates, but in business and in his home. He never had a coarse word to say about anyone. He was energetic to the full limit of his ability. He worked till he could go no longer. His cheerful face and his kind word will be missed not only in his home but by all his friends. Ted has gone the way that we all must go. It is God's own appointed way. Ted made friends wherever he

went and they were legion. Ted was always welcome among them for he brought happiness and joy, he being of that sunny nature which was always popular with his friends. He is gone but he will never be forgotten for we can say of him that he was a good man—willing to accommodate, to serve and do good wherever he could.

Funeral services were held from the home of his parents, Mr. and Mrs. Wm. Jeary, at Greenwood, and were conducted by J. H. Bicknell, of Bethany, after which the remains were brought to Elmwood for burial in the Elmwood cemetery.

The Masonic lodge of this place attended in a body and had charge of the services at the grave and the regular program was carried out. Elmwood Leader-Echo.

Ted Jeary was well known in this city, and had many friends here who were greatly attached to him for his warm friendship and sterling loyalty. He was known here as a fine young man and fortunate was the man who was his friend.

HAVE A NEW SUPERINTENDENT AT MASONIC HOME

Samuel W. Scott, of Omaha, Has been Selected to Succeed Col. W. S. Askwith Here.

From Thursday's Daily. Samuel W. Scott, of Omaha, has been selected to succeed Col. W. S. Askwith, who has been in charge of the Masonic home here for a number of years and has been highly successful in the administration of its affairs. Col. Askwith has had his resignation before the board of control for several months, but until just lately they were unable to find anyone to fill the position acceptably. The election of Mr. Scott to the position at this time relieves Mr. Askwith and wife of further duty with the institution, and they will make their home in Omaha for the present, where they have an elegant residence which they will occupy.

LOUIS MINNER DISCHARGED

From Thursday's Daily. Louis Minner, the fifth son of Mrs. Charles Minner, formerly of Glenwood, Iowa, but lately of Council Bluffs, was discharged from the service at Camp Dodge a few days ago and has returned to his home in the Gluffs, where he is again engaged in the barber business in the shop under the First National bank of that city. It will be remembered that Mr. Minner, before going into the service, was a resident of this city and worked for C. E. Martin and also for Ernest DuBois.

ARE ENJOYING EXAMINATIONS

From Friday's Daily. This being the close of the first semester of the school year, the students are enjoying the delightful sensation of going against the problems which they are supposed to have mastered during the past few months of school work, and which they in a way feel themselves capable of doing, all the while however feeling a little shaky about the matter until the ordeal is over and the uncertainty safely passed.

WANT GOVERNMENT OWNERSHIP OF RAILROADS

From Saturday's Daily. A petition is being circulated which is asking for the government to take over permanently the railroads, and to continue to conduct the same, as it is believed by the ones circulating the petition that better results will maintain where the roads are owned and operated by the government, than otherwise. The petition is being circulated by committees from the Workmen's organization, and is pretty generally being endorsed wherever presented.

NOTICE TO CREDITORS

The State of Nebraska, Cass county, ss. In the County Court. In the matter of the Estate of David Stotler, Deceased. To the creditors of said Estate: You are hereby notified, that I will sit at the County Court room in Plattsmouth, in said county, on the 24th day of March, 1919, and 24th day of June, 1919, at 10 o'clock a. m. on each of said days to receive and examine all claims against said estate, with a view to their adjustment and allowance. The time limited for the presentation of claims against said Estate is three months from the 31st day of March, A. D. 1919, and the time limited for payment of debts is one year from said 31st day of March, 1919. Witness my hand and the seal of said County Court this 30th day of January, 1919. ALLEN J. BEESON, County Judge.

Mrs. Nelson Jones who has been visiting in the city for the past week with relatives and friends departed this afternoon for her home in Omaha.

Our two Brands: B. B. B. (Bartling's Best Brand) and 1871 Brand represent the Highest Quality for Purity and Germination.

BARTLING'S is a perfect balancer of hog rations; it supplies with grain all elements required for healthy, solid, rapid growth. It develops strong, sound bones, hastens maturity and imparts a sleek, attractive, fattened finish not produced by other feeds. When fed tankage, hogs will obtain much greater benefit from the food eaten, and grain more rapidly than they will on a straight grain ration. They do not get "off feed," but grow and fatten steadily. By the use of tankage, pork ordinarily can be produced 25 to 50 per cent cheaper than on all grain ration.
