turned to Civil Life at Pleasant Valentine Party

From Saturday's Dally.

Dough Boys and "Gobs" rubbed lbows with each other in true demo cratic fashion becoming the soldiers and sailors of Uncle Sam they have party given to returned men of the ervice by the Liberty Business Girls' cooms in the Gund building.

Despite the blizzardy weather and the fact that the condition of the roads prevented boys from the counry coming in, more than a score of ex-fighters (land and sea) were in attendance.

The girls had made great prepa ations to entertain the boys, one of he features being the decoration of he rooms, which had been looked after in a manner wholly in keeping with the spirit of the evening-Valprofusion were hung about the reception room and the girls and boys seemed just to them by making a pedite early acquaintance with each division, which stipulated what each other.

The first feature was the "progres should have even to a Durham Jersive" grand march having as its sole object that of getting acquainted. It fulfilled its mission and the evening's fun was then on.

> Various games, the drawing of pictures and numerous other amusements including a menu guessing lerk of the Cass county board, was nearly 11 o'clock. Several of the ongs the soldiers know so well were sung during the time between games and later in the evening Mrs. E. H. to the entertainment and enjoyment of the merrymakers. Mr. Wescott was also present and played a num-

ber of selections on the piano. At eleven o'clock a luncheon consisting of sandwiches, potato salad, Co-incidentally, a good night to pickles, coffee, ice cream and cakewarm a house, though not specific- delicious specimens of the girl's cunning and skill in the art preservative -was served

A SERVICE MESSAGE

A Square-Deal for the Farmer!

PECAUSE prices of foodstuffs are high and farmers appear prosperous, people out of touch with the present market situation and the causes behind it are using the word "profiteer" without reason or justification.

-Do not let the comparatively few instances of the farmer's prosperity which come to your attention lead you to believe that present price levels are making all

-Remember, many farmers were well-to-do before the war. Present prices have enabled them to increase their prosperity, but where one farmer is approaching affluence there are nine who, for the first time in their lives, are only getting a fair return for their labor and
