The third number of the Lyceum Course will be given March 6th, at the Puls Hall. This will be an evening of sentiment and fun with music, and the entertainment will be given by J. Walter Wilson and wife.

Frank Valley tells us that while in Grant he met our old friend James Mrazek, who moved to that county a couple of years ago, and is doing well. He said that Jim had started his corn sheller to work, and was kept busy.

The folks at home are in receipt of a letter from Mr. and Mrs. Win. Puls and their daughter, Miss Laura who are at the present time in Long Beach, California. They have taken rooms in that city and will remain there for about a month. The weather is perfect and they are having a delightful time. The letter states that Mr. Puls is home only just long enough to eat, and sleep. He has met several old Plattsmouth people, and is certainly enjoying his visit with them.

George Mark, who is now a resident of Grant, Neb., and who suffered a serious attack of the flu during the past winter, has been quite sick since, but recovering slowly. We are informed that he has decided to quit farming and will soon move to town. His brother W. H. Mark, from Union, went out to Grant during the past few days to see him. The many Cass county friends of Mr. Mark hope that he will continue to improve and soon be restored to his former health.

Misses Fay and Pauline Oldham were Plattsmouth visitors last Saturday.

Joe Wagner loaded his goods at Plattsmouth Tuesday of this week, preparatory to moving to their new home out in Perkins county. The Wagner family have resided in this county for some years, and have made a great many friends who wish them well in their new western home. Mr. Wagner purchased a farm in this locality some time ago.

Frank Valley and Jarvis Lancaster returned home from a trip out in Perkins county Wednesday morning, where they went to look after some land propositions. This was in the locality where Cronwell & Valley here were dealing in so many farms during the past few years. They have also just closed the deal whereby they have bought what is known as Brandon ranch, near Grant, that they purchased from a man named Bobbitt, from near Hartington. This place contains almost 3000 acres, and was bought at a price of something near \$80,000.00. They expect to place it into smaller tracts and will be sold to the farmers desiring a home.

This firm also recently sold the Frank Rhoden place and the Louie Meisinger place in this county, and both places made the owners a nice profit over the time they purchased them.

The Schafer Hog Sale A Big Success
The Duroc-Jersey bred sow sale held last Thursday at the home of Otto Schafer, and given by Otto and Philip Schafer, was a genuine success, and when the condition of the weather was considered the attendance was exceptionally large. The hogs all sold for a good price, and all delivered to Cass county people. Nine of the hogs sold for \$111.00 each, and the average for the entire sale was \$90.00 each. Otto Schafer has also added two more fine sows to his herd, that he purchased from Dave Boesiger, one of the leading breeders of the state, living near Courtland, Neb. These two sows are bred to son of a famous \$10,000 boar, and are considered two of the very best individuals of the Boesiger herd. Otto has gone into the Duroc-Jersey game for the very best results, and to that end he is buying the very best blood strains known among Jersey breeders.

Farewell to Mr. and Mrs. Gopen
There were a number of the lady friends of Mrs. John Farris who planned a birthday party for her last Friday. The whole affair was a surprise to Mrs. Farris, but all the more enjoyable, as the ladies had planned a complete program for the enjoyment of all, and it was well carried out. There were several wagon loads of the visitors at the Farris home to enjoy the day.

The farewell gathering at the Puls hall on last Saturday evening for Mr. and Mrs. Lloyd Gopen and family, was sure an evening of great pleasure to all. Most of the old friends, and young ones too, of the entire community were in attendance. The evening was spent in the playing of various games, music and sociability of various kinds. The usual big feast for an occasion of this kind was the main feature of the evening. There were over 200 people present, all mighty good friends of Mr. and Mrs. Gopen, to tender a farewell to them. During the evening a program was rendered by Miss May Barker, pianist; Miss Cora Brunson, reader and Mrs. Vance Todd, vocalist, that was greatly enjoyed by all. Mrs. Gopen treated the crowd to chocolate candy and Mr. Gopen furnished the cigars for the gentlemen. Mr. T. S. Barrows, as president of the Commercial club, in a few well chosen words expressed the appreciation of the Gopen family by this community and Mr. and Mrs. Gopen responded in a very efficient manner, telling of their appreciation of the good will shown to them. This will be an evening long remembered by all present. Mr. and Mrs. Gopen will depart soon for their new home in the western part of the state.

ALLIES TO DIS-ARM GERMANS FOR SAFETY

BASIS LAID FOR PEACE TREATY IN THE ARMY.

New Convention. Foch Says. Will Contain Clauses Concerning Financial and Territorial Questions.

Paris, Feb. 25.—Marshal Foch, in discussing the diplomatic situation with a representative of the Havas agency, said the new armistice convention will provide for the naval and military disarmament of Germany.

He declared there was no doubt that the supreme council also would add to the new agreement clauses concerning financial and territorial questions.

Lays Basis For Peace.
In that way the armistice convention, the marshal said, would comprise also the basis for a preliminary peace treaty.

An official statement today says: "In behalf of the interallied financial commission M. Crespi (Italy) explained the measures to be taken to avoid the nonpayment of coupons of the Austro-Hungarian debt falling due March 1, in the absence of an agreement among the different states of the former Austro-Hungarian monarchy. The commission's proposals were approved."

France and Italy was examined. Marshal Foch taking part. The conference sent instructions on this subject to the interallied commission at Warsaw.

"M. Perotti, of the African department, explained the demands of France in the direction of the suppression of the act of Algeiras and the imposition on Germany of necessary guarantees to prevent it from resuming the hostile action in Morocco which it has taken against France during the past 10 years."

Protest Deportation.
The German armistice delegates at Spa have protested against the deportation of Germans from China, which country expelled two shiploads of Germans and sent them to Australia in January, and is preparing to send others to the central powers direct.

The total number of Germans and Austrians in China when she declared war was not over 3,000, many of whom were interned after a long delay.

The Germans sent to Australia are unwelcome there outside the internment camp and probably will be deported to Germany before peace is signed.

CIGARET BILL PASSES THIRD READING IN THE NEBRASKA LEGISLATURE

Lincoln, Neb., Feb. 25.—The bill providing for licensing the sale of cigars in Nebraska passed the third reading in the lower house of the legislature this morning by a vote of 52 to 32.

The measure is designed to legalize the sale of cigars to persons in the state who have attained the age of 21 years. The license to be paid by dealers will be fixed with reference to the population of the city in which the traffic is carried on. In Omaha dealers will be required to pay an annual tax of \$100.
