RECEIVES APPOINTMENT AS CHAIRMAN

IN RECOGNITION OF GOOD SERVICES, RENDERED IN PAST, FRANK SHELDON RECEIVES REAPPOINTMENT.

From Wednesday's Daily.
 Mr. F. P. Sheldon of Nehawka, has been reappointed Chairman of Cass County's War Savings Committee for the year of 1919. This reappointment is in recognition of the services of Mr. Sheldon during the campaigns for the sale of War Savings Stamps for 1918. Under his direction our county was thoroughly organized and the campaigns carried through in a manner which fully justified his appointment by the state committee. We congratulate Mr. Sheldon on his reappointment, and again offer him our services in helping to make the 1919 drive as successful as last year.

It is necessary for us to again buy stamps. The Government needs money to finish the work and bring our soldiers home. It is for us here at home to make our slogan for 1919—"DON'T QUIT, FINISH THE JOB." Our soldiers saved us lives and money by quickly and thoroughly completing their job. If they had not two million more men would be going over instead of the two million now coming home. Dates and definite plans for the drive will be sent out from the state committee at an early date.

VISITED WITH FRIENDS IN THIS CITY

MRS. L. M. EDENS, OF CABOOL, MO., FORMERLY MISS CLARA SMITH OF THIS CITY.

GUESTS AT H. H. COTTON HOME

Are Visiting With Friends At Omaha Just Now.—Will Return To Home Soon.

From Tuesday's Daily.
 Yesterday Lieutenant and Mrs. L. M. Edens, the latter formerly Miss Clara Smith, daughter of Herman Smith, who was formerly surveyor for this county, and who attended school in this city, with her husband, were guests at the home of Mr. and Mrs. H. H. Cotton, west of the city.

The ladies visited and had an excellent time, when they talked of the time when they were Miss Clara Smith and Miss Gertrude Beeson in the day when they attended the Plattsmouth High School.

Lieutenant and Mrs. Edens make their home at Cabool, Mo., where Lieutenant Edens who is a practicing physician, is engaged in the practice of his profession. Dr. Edens about two years ago went to England, where he enlisted as a member of the Medical Reserve, and during the war, while serving as a first aid, physician, and in the field work, was captured, and was a prisoner in Germany for eight months preceding the signing of the armistice. He was released a short time since and returned to America, and returned to his former home at Cabool, Mo., where he returned to the practice of medicine at the place where he left before he went to the service. Lieut. and Mrs. Edens spent a very pleasant day at the Cotton home, and last evening returned to Omaha, from where they will tomorrow depart for their home in the south.

ATTORNEY C. H. TAYLOR MUCH BETTER

From Wednesday's Daily.
 Attorney C. H. Taylor of Omaha, was a visitor in the city this morning, having some business matters to look after in the county court and having but a few days since returned from the Hot Springs, Ark., where he has been for the past, more than a month, in order to recuperate his health, which was not the best since last fall when he was afflicted with the influenza. Mr. Taylor is feeling much improved, and is ready to resume his work again, of which he has much now to do.

IS THE WAR OVER?

You are smiling when you hear Harry Lauder's song, "Hurrah, the war is over, hurrah, the fight is won." But there is a war which will never be over—our constant fight with poisons produced in our intestines by the action of bacteria which invade our body and must be removed as quickly as possible. Triner's American Elixir of Bitter Wine is the remedy which cleans the intestines perfectly. Here is an example of what it has done for so many patients: "Leadville, Colo., Jan. 28th, 1919. If I had not had Triner's American Elixir of Bitter Wine, I would be dead. Yours, Giovanni Pietti." At all druggists, \$1.10. Rheumatism, neuralgia, lumbago, sore muscles and other similar pains, being too torturing, call for immediate relief. Triner's Liniment acts quickly and surely. At drug stores, 25 and 65 cents; by mail 45 and 75 cents.—Joseph Triner Company, 1333-1343 S. Ashland Ave., Chicago, Illinois.

Don't Fool Yourself.

A man suffering from backache, rheumatic pains, stiff joints or sore muscles may laugh and say these symptoms of kidney trouble "don't amount to anything." It is folly to ignore Nature's warnings. Foley Kidney Pills give quick relief in kidney or bladder troubles and "it is better to be safe than sorry." Sold everywhere.

NOW BETTER PREPARED FOR WORK

GEO. W. OLSON PURCHASES NEW FORD TRUCK, FOR HANDLING HIS BUSINESS AS MAIL MESSENGER.

From Wednesday's Daily.
 Geo. W. Olson who has fought bravely against odds, in his struggle for a competency, having tried a number of things, where he had to depend upon what help he could get, and when the things failed to pay, discarded them and with a smile which no adverse circumstance could entirely eradicate, pounced upon the next opportunity that dared show its head, now has purchased himself a new Ford Truck for handling the mail and baggage business, of which he has a large clientele. He had the car out for the first time, and his brother acting as driver, yesterday afternoon breaking it in so he can handle it himself. With this new appliance, Mr. Olson should be able to handle the business which has been coming to him, in much better shape than would be possible with the horse who has served him in good stead all these years. The horse will be kept, and will have an easier time, as the gas wagon will have to do the work. Here is to you "Olie," Go to it and do your best, and you will win.

PROVISION FOR 538,000 MEN INSERTED IN ARMY APPROPRIATION BILL

Washington, Feb. 25.—Coincident with the final enactment today of legislation providing for the resumption of voluntary enlistment in the army under the national defense act of 1916, limiting the military establishment to 175,000 men, the senate military committee approved and reported to the senate the annual army appropriation bill with provision for a temporary force of about 538,000 men after next July 1.

The increased force for the next fiscal year was recommended by the War department, but legislative provisions authorizing it were stricken out in the house on points of order. Leaders hope to have the army measure finally completed before congress adjourns.

The demand today is for a better type of business-trained young men and women. No limit is placed on salary. Merit, ability and character are the factors by which the business man chooses help. The Grand Island Business College, of Grand Island, Nebraska, is strong and progressive. It is incorporated under the laws of the State of Nebraska, and for more than thirty years has been the leading business training school in the West. A free catalogue will be sent on request.

Charles E. Hitt, who has been visiting in Table Rock, for some time, where he went to see his mother Mrs. S. W. Hitt, where he visited with her for a few days, and returned home this afternoon.

George Smith who has been employed in the Burlington shops in this city for the past winter has resigned his position here and this afternoon departed for his home at Decatur, near where he will engage in farm work.

POPULAR NOVEL IS FILMED FOR THE MOVIES RECENTLY

"THE SHEPHERD OF THE HILLS" ALSO SCORED A BIG HIT ON THE STAGE.

Coming to the Parmele on Wednesday and Thursday, March 5th and 6th.

The introduction of "The Shepherd of the Hills," one of the most popular of all American novels, into the world of motion pictures, is causing a sensation, in a field where the ability to produce the best has long ago been raised to the "high power." The filmatization has been directed by Harold Bell Wright, its author, personally.

As a novel and a play the work is known to countless millions and now with the aid of the motion picture camera, Mr. Wright has visualized his great mind pictures as no mere words could ever do. All those who are familiar with the book—who have seen the beloved characters on the stage, can readily understand how these real flesh and blood people under the wizardry of the camera and the great imaginative genius of their author should make a picture drama of absorbing interest.

Given the subject matter contained in the "Shepherd of the Hills," the direction of the author together with the unlimited possibilities of the motion picture camera and there is a combination which will make a production bound to create a furor in the amusement loving world.

The popularity of this photo-play has been demonstrated beyond question, through record-breaking crowds that have seen it in some of the larger cities within the past few weeks and Plattsmouth people will welcome this announcement that it is to be shown in Plattsmouth on next Wednesday and Thursday, March 5th and 6th. The expense of bringing the production here while it is yet so new is great indeed, but the management of the Parmele believe their patrons prefer to see it now while it is in demand everywhere than later on after it has been shown more extensively over the country, and in this we believe we are right. The one thing that lends value to a picture more than any other is the opportunity of seeing it while it is scoring great hits.
