WORKING IN UNION TODAY.

From Wednesday's Daily.
J. E. Starboard the income tax man who has been in the city from Lincoln, for the past four days, assisting those who have had difficult schedules to make out, in their work and explaining the knotty points of the laws, that all might understand, and also receiving payments of the taxes, completed his four days work and could have stayed longer, but having been scheduled for Union, departed this morning via the Missouri Pacific for that point where he will work for today.

A Friend Recommended Them.

Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately. They stop backache, rheumatic pains, soreness and stiffness. Sold everywhere."

ELKS LODGE IN PLATTSMOUTH IS GROWING

WILL HAVE CLASS OF NEARLY A SCORE AND HALF NEW MEMBERS SOON.

OFFICERS ELECTED LAST NIGHT

Financial Condition Best in Years—A Spirit of Co-Operation Noticeable on Every Hand.

From Wednesday's Daily.
Last evening at the regular meeting of Plattsmouth Lodge No. 739, B. P. O. E., there was transacted an unusual amount of business for a single meeting. The local lodge is at the present time enjoying an unprecedented and substantial growth, and twenty-eight applications for membership in the order were voted upon last night.

The dances being given frequently this season have proved a very popular feature on the social side of the life of the "Hello Bill" boys and their wives and feminine friends. Another of these dances is scheduled for Thursday evening of this week.

At the meeting last evening, after the conclusion of the balloting on candidates and other business coming up for consideration, was held the annual election of officers, resulting in the following selections: H. A. Schneider, Exalted ruler; J. W. Holmes, secretary; A. B. Smith, treasurer; Frank M. Bester, leading knight; Leslie Neulle, loyal knight; Jesse F. Wurga, lecturing knight; Claude Jess, Tyler and Mike Tritsch, trustee for three year term.

The dance committee for the month of March is composed of Jesse F. Wurga, Fred E. Busch and E. C. Harris.

The initiation committee is made up of Frank M. Bester, Jesse F. Wurga, B. A. Rosenberns and E. J. Weyrich.

The Banquet committee comprises E. A. Wurl, J. V. Hatt and Guy White.

On March 28th there will be special initiatory work, at which time a class composed of at least the twenty-eight candidates who have been voted upon, and probably numerous more, will be instructed in the mysteries of the order.

During these trying times when our nation was engaged in war, the Order of Elks has shown its absolute loyalty to the government and contributed most generously to every war fund drive that would aid in the prosecution of the war. In addition every Elk who went forth to help fight the battles of his country had all dues during his time of service remitted by the lodge of which he was a member. The order got behind the Salvation army and best supplied the organization with the necessary backing to enable their loyal lasses to go into the battlefields of France with their doughnuts for the doughboys, and afterwards the people of America responded to the further appeals of this organization to the end that the work could be carried on. Dating from its very inception the history of Elksdom is that of a purely American, and wholly patriotic organization.

The order teaches primarily patriotism to flag and country and inculcates loyalty to the principles of its native land for it is 100 per cent made in the U. S. A.

The Journal is pleased to note the substantial growth being enjoyed by Plattsmouth Lodge No. 739, which compares, we believe, very favorably with the growth of lodges in towns of similar size anywhere over the state of Nebraska. Such increases speak well for the order and its officers.

IS LOADING FOR THE WEST.
Lloyd Gopen is loading cars here today for his new home at Grant, Neb., where he purchased a home some time since. Mr. Gopen is departing from the neighborhood of Murray, is leaving many friends who while they desire to see him and family do the best, still dislike to see them leave the old home, and break the ties which have in friendship bound them to the community where they have lived so long.

Suffered For Eight Years.
Rheumatic pains, lame back, sore muscles and stiff joints often are due to overworked, weak or disordered kidneys. Daisy Bell, R. F. D. 3, Box 234, Savannah, Ga., writes: "I suffered eight years with pain in the back and could not do any of my work, but since taking Foley Kidney Pills, I can do all of my work." Sold everywhere.

ST. MARY'S GUILD DE-LIGHTFULLY ENTER-TAINED YESTERDAY

From Wednesday's Daily.
St. Mary's Guild of St. Luke's parish met at the home of Mrs. George Thomas yesterday afternoon. This was their regular meeting and during the early hours of the afternoon, the ladies held a very interesting business session. Various business matters were transacted and many plans were made for the future. After the business session, the ladies brought out their fancy work and devoted a few of the fleeting moments in playing the busy needle in a very industrious manner as they engaged in social conversation. At an appointed time the hostess served a delicious luncheon which was likewise thoroughly enjoyed. After an hour or so spent in a little more sewing, the ladies extended their warmest thanks to the hostess for the delightful afternoon's entertainment and wended their way homeward.

POSTMASTER AT HAVELock RESIGNS HIS POSITION

From Wednesday's Daily.
Sam Hinkle, postmaster at Havelock, has resigned. It is said that Mr. Hinkle has been working about sixteen hours a day for a year to keep the work up and that he has regarded the salary of \$1,700 a year as inadequate. "Too much work and too little pay is the reason given for his resignation. His commission would have expired in April, 1929.

Postmaster at Havelock is a civil service job, to be filled by examination regardless of political affiliation.

Mr. Hinkle was private secretary to Governor Morehead and is a democrat. He has been a resident of Havelock for many years.

A NOON TIME BLAZE TODAY WAS COSTLY

A MID-DAY BLAZE AT HOME OF W. R. CLEMENTS CAUSED CONSIDERABLE LOSS.

LOSS BY FIRE WAS ENTIRE

There Being No Insurance On Property, Same Having Lapsed Short Time Since.

From Wednesday's Daily.
At noon W. R. Clement (Billie) went home and the wife being away visiting with a daughter in Chicago, began preparing his mid-day meal, and had started a fire in the kitchen stove, and was busily at work cooking a steak just to the turn, when some one rapped on his door, and not immediately responding as he thought it was the milk man, leaving the milk, another and a rather pre-emptory knock sounded, when Mr. Clement responded, to have the visitor tell him that his house was afire. He ran into the yard, and was astonished to see the roof ablaze.

The alarm was turned in, and the neighbors began carrying the furniture out of the house, and succeeded in removing the most of it. The fire which apparently had originated from a spark which had fallen on the roof, burned down through the roof, and into the house, eating into the rafters and joists. The fire department when it arrived made short work of the fire, but as was a natural consequence, did some damage by wetting. They were very careful and while extinguishing the fire as rapidly as possible saved as much of the house from injury with water as was possible considering the work they had to do.

The unfortunate feature of the situation is that the insurance which Mr. Clement had been carrying on the place, had lapsed about a month since, and while intending to have the same renewed, had neglected to do so and finds him having to sustain the entire loss which the fire caused. The loss was about six or seven hundred dollars, and many of the household effects which were removed in a hurry, were in necessity, damaged, and the damage done on the home, will make the loss considerable.

CELEBRATE THEIR GOLDEN WEDDING ANNIVERSARY

AT HOME OF THEIR SON AND WIFE AT LOUISVILLE LAST WEEK.

Mr. and Mrs. James Seiver, Former Cass County People, Have Been Married Half Century.

From Saturday's Daily.
Mr. and Mrs. James Seiver, of Madrid, former Cass county residents, arrived last week for a visit with their son, Claude Seiver and wife. As the following Monday, February 24th, was their fiftieth anniversary, a number of their Louisville friends went in that evening to celebrate the occasion and to extend congratulations and best wishes. Among the guests were Mr. and Mrs. John Group, whose 34th wedding anniversary fell on the same date, which gave to the affair added enthusiasm.

A dainty lunch was served and Mr. and Mrs. Seiver received several gold pieces as a token of esteem and affection. One of the gifts was a twenty dollar gold piece from Mrs. G. W. Holdrege, of Omaha, an old time friend of the family. Another gift was a ten dollar gold piece from their son, Hugh, of El Reno, Okla., who came in Sunday for a short visit with his parents, but who was unable, because of pressing business engagements, to be present at the evening festivities. Other gifts were received, among them a gold thimble for Mrs. Seiver, Mrs. John Group was also much surprised to receive a beautiful silver thimble from the assembled guests.

Mr. Seiver is a matchless entertainer with an exhaustless fund of clever stories full of wit, and his anecdotes, ducky dialects and Southern songs proved so entertaining that the guests could hardly tear themselves away at a late hour. At the age of seventy, Mr. Seiver looks about fifty and he was undoubtedly the youngest person present. If a man is as young as he looks, feels and acts, Mrs. Seiver, who is four years younger, is also at her best and while more quiet, is perfectly

FOUND PLENTY OF SNOW AND COLD WEATHER

From Monday's Daily.
While the balmy breezes are now blowing—and as they fan our cheeks they make us think of the coming of spring and cherry blossoms—John Sneed, who runs an engine from Pacific Junction to Sioux City, jumped off the train from over the river to day, and in a husky voice told of a trip he had last Friday evening while bucking snow from Sioux City to O'Neill and of getting stuck in a snow drift, which required thirteen hours to get him out. He said that an emigrant car on that branch was snowed completely in, and trenches had to be dug to the car in order that the stock might be unloaded and taken to a near-by farm house to be watered.

Mrs. Seiver's maiden name was Miss Martha Elizabeth Snyder. They were married at New Hampden, Va., February 24, 1889. One of the interesting features of the evening was the passing around of a large photograph of the bride and groom at the time of their marriage fifty years ago. They came to Nebraska in the year 1881. They have eight living children, two daughters, their eldest, having passed on.

Mr. Seiver stated that they are having their first real vacation. From here they will visit relatives in Iowa and other points near and will then make the trip to Oklahoma for an extended visit. They have a host of friends whose good wishes go with them for continued health and happiness and many more years of life together.—Louisville Courier.
