**VICTORY LIBERTY LOAN TO FINISH THE WAR JOB**

**CAMPAIGN TO OPEN APRIL 21, ALTHOUGH ALL DETAILS NOT WORKED OUT.**

Amount of Loan, Rate of Interest and Kind of Bonds or Notes to be Announced Later.

From Wednesday's Daily.

Notwithstanding the fact that all of the details concerning the Victory Liberty Loan have not yet been announced by Secretary Glass of the United States Treasury, it is certain that the campaign for subscriptions to the bonds will open the latter part of April, or about the 21st.

The Loan is to raise enough money to enable the Government to finish the big war job by footing the bills, bringing home the boys from overseas and readjusting affairs to a peace basis as quickly as possible.

The Victory bill enacted by Congress, authorizing the Liberty Loan, is so broad in its essential provisions as to enable the Secretary of the Treasury to offer most attractive bonds or notes for the American people to invest their money in. But the amount of the loan, the rate of interest and the kind of bonds or notes to be offered are matters that are to be announced later.

The important matter at hand at this time, however, is for the people of the Tenth Federal Reserve District, who have prospered during the war as never before, to get their finances in shape to invest in Victory Liberty Bonds to the limit of their ability and thus help get the war job finished and out of the way.

**Blue Triangle Campaign of Y. W. C. A. 1919.**

It will be remembered that the Young Women's Christian Association carried on a big drive during 1918 to raise funds to carry on War Work which it, like many other organizations, found brought into its path of labor by the war. That War Fund Budget cannot be touched for anything but war work and therefore it has been found necessary to hold a campaign to raise funds for the regular work in our country during the year 1919. The field of that work has been enlarged for the Y. W. C. A. as it has for the church, or for business, or for any worth while enterprise. It has become necessary to take in more territory and hence it must reach out in more territory for aid. So whole states have been organized and just now the North Central Field composed of North and South Dakota, Nebraska, Minnesota and Iowa are carrying on a campaign to raise \$122,555. Nebraska is assessed for \$20,324 and is lined up the work and already some of her counties as Richardson have complete working organizations and others are getting ready for such. Not so Cass County; so the State Chairman has selected workers to raise the quota asked from this County. Those workers have made their plans and divided the county by precincts, appointing a sub chairman in each and apportioning the amount each precinct should raise. Everything will be in readiness to begin and complete this campaign in Cass County during the week, beginning March ninth. When the collectors call upon you, please be ready with your contribution. If you don't fully understand to what you are giving, ask the chairman of your precinct; she will be able to explain in general, for the extent of Y. W. C. A. work is too great and results too far reaching to be explained in detail in a short time. At the close of the campaign a report will be made through the papers, the same as the announcement is being made and the workers will sincerely thank you for so generously aiding them in this work.

**PARMELEE THEATRE TO SHOW VIRTUOUS WIVES NEXT WEEK**

A FAMOUS TALE OF NEW YORK MARRIED LIFE FROM OWEN JOHNSON'S STORY.

May be Seen on Local Screen Tuesday and Wednesday, March 18th and 19th.

The Parmelee theatre has contracted to show Miss Anita Stewart's initial First National production, "Virtuous Wives," adapted from the two million edition book of the same title by Owen Johnson. This famous picture will be shown Tuesday and Wednesday nights, March 18th and 19th.

"Virtuous Wives" is described as a truthful story of married life in New York society. According to the author, in the introduction to his story, a virtuous wife is becoming an extinct specie of femininity under present-day conditions. The reasons for this, as described in his novel, have been included in the screen adaptation. Miss Stewart makes her return to the American screen after an absence of several months in the role of Amy Forrester, the "only member of a social set to whom pleasure is young." As the wife of Andrew Forrester, and obsessed only with the idea of constant and uninterrupted amusement, she appears in the role of the young society matron who finally is brought

to a realization that unbridled pleasure is but the ash of happiness. Supporting Miss Stewart in "Virtuous Wives" are four stars of the present New York theatrical season. Conway Tearle plays the part of Andrew Forrester, money-maker; Edwin Arden is seen in the role of Rudolph Delabarre; Mrs. DeWolf Hopper plays the part of his wife, Irma Delabarre, and William Boyd appears as Monte Bracken, social waster.

A Friend Recommended Them. J. N. Tobill, clerk Lottie Hotel, Evansville, Ind., writes: "For six weeks I suffered constantly with pains in the muscles of my thigh. Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately." They stop backache, rheumatic pains, soreness and stiffness. Sold everywhere.

**TEAM STRAYED.**

Guard the Children's Health. Mrs. Eflaw, Box 24, Bennett, Wis., writes: "We have always used Foley's Honey and Tar for colds and find it great.
