Do You Need a Heating System?

Save from \$10 to \$15 By Acting At Once

If you want furnace heat—if you want the best pipeless furnace on the market—if you want to save from \$10 to \$15 on the system installed complete, it will be necessary for us to have your contract before March 29.

You yourself, and others make possible this saving by concentrating the sales campaign in this ten day period. By having those interested come to us—cuts our selling expense. It enables us to buy in quantities both the heating systems and fittings. It means our men can work without waste of time. YOU receive the benefit!

In addition to the 10 Star Points listed, we want you to know the advantages of the

Round Oak Pipeless Furnace

The Best Pipeless Furnace on the Market

It will heat your home after year with a generous volume of pure, warm, moist, ever-changing air, free from dust, gas and smoke.

It will burn any and all fuels successfully and economically. It will hold the fire over night without re-charging, even in zero weather.

The System costs only one-fourth to one-third the price of steam or hot water, yet it responds more quickly. Its results are positive.

It may be easily and quickly installed and ready for service in less than twenty-four hours from the time it is delivered to your home.

THE ROUND OAK PIPELESS IS A CLEAN SYSTEM

The patented, improved, bolted and deep-jointed construction and its heavy castings mean no dust or dirt in your home.

We are positive it is the best built, most efficient, durable and satisfactory Pipeless

Heating System on the market.

It is worth every cent you invest in its purchase. Its saving in fuel alone pays a liberal interest on the investment.

VALUABLE BOOK FREE

You should secure one of these free Round Oak Pipeless Books, 9 x 12, profusely illustrated, which proves all of these claims and describes the other distinctive advantages.
