

THE Y. W. C. A. REPORT FOR PLATTSMOUTH

SHOWS RESULT OF CAMPAIGN FOR FUNDS FOR THE BLUE TRIANGLE

COUNTY REPORT MADE LATER

Each Solicitor Did Her Part toward Making Drive a Success—All Wards "Over the Top."

From Tuesday's Daily.

For the benefit of those who have been wanting to know how the Y. W. C. A. campaign for funds for 1919 has been progressing in the city of Plattsmouth, the following report is submitted. On account of the bad weather and lack of collectors in some localities, the time was extended two weeks, but Saturday found all funds secured, being as follows:

First ward, under Miss Dora Fricke, \$27.85.

Second ward, under Mrs. John Gorder, \$26.00.

Third ward, under Mrs. J. E. Wiles, \$22.50.

Fourth ward, under Mrs. Robert Hayes, \$24.20.

Fifth ward, under Mrs. Jesse Elliott, \$12.70.

Miscellaneous collected later from Main street residents, \$2.25.

This brings the total amount collected up to \$115.50.

It was an effort to keep this campaign wholly among the women of our town, and we would like to mention each collector who so kindly assisted in the canvas if space permitted, but we take this means of extending thanks to them and also to those who so graciously received us and responded so generously in contributions.

Every ward went over the top and the greater number passed their objective. We also feel we must mention Plattsmouth precinct, which, under Mrs. A. J. Beeson and Mrs. R. O. Cole, sent in \$35, almost double their apportionment. A complete county report will be made later.

JOHN P. MILLER WRITES TO SISTER

Mrs. Frank Streets Receives Letter from Her Brother in the Army of Occupation

From Tuesday's Daily.

Mrs. Frank Streets is in receipt of a letter from her brother, John P. Miller, in which he tells of his experience in the army of occupation, and of his impressions of army life over there, as seen first hand. His letter follows:

Bleiolf, Germany, Feb. 17.

Dear Sister:

I will drop you a few lines, telling you I am still in the land of the living and that I am feeling fine, hoping that you are enjoying life and are well and happy. How is little Emma? Does she have much to say about me? I sure miss her, but then I think I will be home again in a few months. We have been having some pretty cold weather for this country lately. In fact, for the past three weeks it has been unusually cold. It has begun to rain now and believe me, I have seen more rain since I came to France than I ever saw in all the remainder of my life. When we were at the front it was rain and mud all the time. It was a fright, but now we do not have to get out into the mud as we did then.

I am going to leave here for a few days and get away from the company for a short time. I have not had a pass since I was in the army. We are going to a big town which is about sixty miles from here and will try and enjoy the trip. Tell Frank we bought some souvenirs. The Yanks bought all the booties had to sell. What we do not get on the field we purchase when we march through. We sure had a great time when we hiked through Germany. It is a distance of one hundred and fifty miles from where we were when the armistice was signed to where we are now. For history the boys made up a good song. The name of it is, "Don't see how the Hell They Made a Soldier of Me." I will close for this time. From your brother,

JOHN P. MILLER.

FRED EBINGER IS GETTING ALONG NICELY AT PRESENT

From Tuesday's Daily.

Mrs. George Weidman, Sr., is in receipt of a letter from her daughter, Mrs. Ebinger, in which she states that Mr. Ebinger, who has been in the hospital for the past few weeks, recovering from an operation, is getting along very nicely at this time, and will soon be able to return to his home in Plainview. This will indeed be good news to the many friends of Mr. Ebinger at the old Plattsmouth home.

THEY WERE SOLVING A KNOTTY PROBLEM

And the Poor Teacher Had to Take the Blame for It—But It Often Happens Thus.

From Tuesday's Daily.

A school teacher not a thousand miles from Plattsmouth received the following note the other day:

"Dear Madam, Please excuse my coming today, he won't come to school because he is acting as timekeeper for his father and it is your fault. I gave him a example, if a field is 5 miles around, how long will it take a man walking 3 1/2 miles per hour, to walk 2 1/4 times around it. Tommy ain't a man, so we sent his father. They went early this morning and father will walk round the field and Tommy will time him, but please do not give my boy such examples again, because my husband must go to work every day to support his family."

Now we are not going to tell who this party is this time, so don't ask us, but do not let it happen again.

HEARS OF DEATH OF HIS NEPHEW

Arthur Cook, the Seven-Year-Old Nephew of W. P. Cook, Passed Away Last Week.

From Tuesday's Daily.

Will P. Cook, the barber, has just received a letter from his brother, telling of the death of his brother's son at Osceola a few days ago. About a month since, the mother of the little fellow, Mrs. Orlando Cook, died with pneumonia, and at the time of her death the five children were all sick with the disease. Since then the other children have progressed nicely and all are seemingly getting along fine now. Arthur Cook, the deceased son, was extremely sick and although he made a brave fight for his life, he succumbed to the malady last week, and the funeral was held Saturday.

FIFTEEN WAR BRIDES CAME ON HIS BOAT

RULING OF ATTORNEY GENERAL QUOTED

EQUAL SUFFRAGE INSTRUCTION GIVEN BY SUFFRAGE ASSOCIATION OF STATE.

JUST WHAT OFFICES INCLUDED

Are Plainly Set Out in Order that Women of Nebraska May Become Fully Informed.

The Nebraska Woman's Suffrage association is putting out a circular that gives the interpretation of the Nebraska Equal Suffrage law by the Attorney General of the state and also contains instruction for the women who wish to vote. They are urged to exercise their elective franchise rights at the coming municipal elections over the state and in view of the fact that many of them will do so, it might be well to publish the circular, which we are doing herewith:

"The Attorney General of the state of Nebraska has ruled that women may vote in the spring elections.

"Under the Partial Woman Suffrage Act of 1917, women may vote for the following officers and measures:

- 1—President of the United States.
- 2—All county officers, such as commissioner, clerk, attorney, registrar of deeds, sheriff, assessor, surveyor, etc. (except judges).
- 3—All city, village, precinct and school district officers, such as mayor, councilman, clerk, treasurer, engineer, city attorney, city assessor, etc. (except justice of the peace and police judge).
- 4—Women may vote on all questions submitted to the voters, the manner of the submission of which is not determined by the State Constitution, such as bond issues, etc.

"The law further provides that special ballots be prepared for women voters having only the names and questions printed thereon for which women may vote. Your ballot will, therefore, be your guide in this matter.

"Registration rules vary according to the community in which you live. Find out from your city or town clerk, or from a man voter, the requirements in your community and comply with them. (Ed. Note—No registration required in Plattsmouth before you can vote).

"In order to vote you must have lived in Nebraska six months; your county forty days and precinct, township or ward ten days.

"You are urged to be early at the polls and to take with you some woman likely to neglect this opportunity.

"Election officers are usually courteous and helpful. Apply to them for further information if you need it.

"Your vote is absolutely your own affair. You are alone in a booth when you mark your ballot. Place an 'X' opposite the name or measure for which you wish to vote. Leave the other spaces blank.

RETURNS FROM VISIT TO SON

From Tuesday's Daily.

N. S. Platt, who has been visiting at the home of his son, George Platt, the barber at Silver City, returned here this afternoon, and is making his home at his grandfather's, Mrs. Bert Reed. He says things are prosperous at Silver City and that while his son George is needing a barber badly, there is no possible way for him to get one, as the town is too small to induce a good workman to remain there.
