Are You Happy?

To be happy you must be well. If you are frequently troubled with constipation and indigestion you cannot be altogether happy. Take Chamberlain's Tablets to correct these disorders. They are prompt and effectual, easy and pleasant to take.

HAD EXTENSION OF FURLOUGH.

Clyde Kaufman has been here for several days, coming to visit with his mother Mrs. Eliza Kaufmann, who has been sick at her home for a number of weeks with pneumonia. Clyde's time was nearly up, and he was expecting to have to return to the camp which is near San Francisco, but a letter from the commanding officer tells of his having been given another fifteen days extension and will not have to depart now until May 2nd, and as that is his twenty-first birthday, he will get to celebrate the event with his mother. Since his arrival Clyde has been very attentive to his sick mother, taking the care and responsibility from the shoulders of his sister Miss Marie E. Kaufmann and under his care Mrs. Kaufmann who was on the road to recovery at the time of his arrival, she has continued to progress, and promises soon to be so far improved as to be able to be out again.

CIVIL WAR VETERAN WOULD AID FRIENDS

SAYS TANLAC DID HIM SO MUCH GOOD HE WANTS TO GIVE EVERY OLD SOLDIER A BOTTLE

"I wish I could buy every old soldier a bottle of Tanlac, for from the way it has fixed me up I believe it would add years to their lives," said Frank B. Kendrick, a Civil War veteran living at 4800 Charlotte avenue, Nashville, Tenn.

"Some time back," he continued, "I had rheumatism so bad, and went down so fast, that it looked like I was on the verge of a general breakdown and had about despaired of ever walking again. I was fast losing what little flesh and strength I had left and could hardly get from my bed to my chair. I had no appetite, could hardly sleep and suffered constantly with headaches.

"After taking Tanlac a short while I began to improve. I kept it up till I have gained thirteen pounds and feel better and younger than I have in years. Tanlac just filled me with new life and energy and put me on my feet again. I have a fine appetite and can walk anywhere I want to go and hardly feel it at all."

"Tanlac is sold in Plattsmouth by F. G. Fricke & Co., in Alvo by Alvo Drug Co., in Avoca by O. E. Copes, in South Bend by E. Sturzenegger, in Greenwood by E. F. Smith, in Weeping Water by Meier Drug Co., in Elmwood by L. A. Tyson, in Murdock by H. V. McDonald, in Louisville by Blakes Pharmacy, in Eagle by F. W. Bloemenkamp, and in Union by E. W. Keedy.

BACK FROM THE NAVY.

Not B. A. McElwain, but a telescope which he loaned to the government near the commencement of the war. Mr. McElwain had ordered a glass for a customer, which for some cause was not taken, and when the call came for glasses to be loaned to the government, Bert had one and immediately sent the same to the department at Washington. The glass was used on the battleship Michigan, and while the glass was selling for \$12 no one could purchase it for many times that amount. That glass has been honorably discharged, and has an engraving on one side of the barrel which was to mark it, and keep a record of it in order to make the proper return. The government sent a check for one dollar, which Bert will also keep, as he prefers the check to its value in the coin of the realm.

HAS CHANGED TO DAILY PAPER

We are in receipt of a copy of the Idaho Free Press, volume one, number five, published at Nampa, Idaho which has been sent us by Milton D. Polk formerly of this city, and who has been editor of the Nampa Record, a weekly paper, heretofore. This new sheet is a very creditable paper, and clean, and having a good advertising patronage, as shown by the paper itself. The paper is being published by the Co-operative Publishing Company of Nampa, Idaho, and is published every morning except Monday.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted.

John Lohnes from near Cedar Creek was a visitor in this city this morning, coming to look after some business in the city.

ROYALLY WELCOMED THEIR FRIEND HOME

Elmer C. Chamberlain Given Reception Last Night at the Home of Phillip Albert.

From Thursday's Daily.
The many friends of Elmer E. Chamberlain—and there are hosts of them in the vicinity of his home—met last evening at the home of Phillip Albert, where they participated in a rousing welcome home for Mr. Chamberlain, who but a few days ago was discharged from the service at Camp Funston. The affair was one of much jollity and sociability and the evening was one filled with pleasure. The affair was brought to a close with a dance and a supper. Everyone enjoyed the occasion most thoroughly and in it is reflected the regard in which Mr. Chamberlain is held by his friends who are glad to see him back.

The Ladies' Toggery

FRED P. BUSCH, Manager

NEHAWKA News

Mr. G. A. Murdoch is recovering nicely from his accident Saturday.

Corporal A. A. Stock and James McVay spent the week-end at the Smith home.

Mr. E. R. Hess, a recently discharged soldier from Camp Lee, Virginia, spent Saturday and Sunday at the Will Schlichtemier home north of town.

Ed Miller, who had been clerking at the Sheldon store for several weeks past, moved his family to Nebraska City, where they expect to make their future home.

The next new thing for Nehawka should be a modern cafe and hotel. A building of fifteen or twenty rooms nicely furnished and clean would be a profitable business for the right man.

Fred Ahrens arrived home one day last week from Camp Dodge, where he was mustered out of the service. Fred has seen service in France, and like all the boys that are over there, is glad to be home again.

Lester Chriswiser, of Havelock, recently discharged from the army, was in town the latter part of the week visiting relatives and friends.

He formerly lived here. He was connected with the artillery branch of the army, but saw no actual service while in France.

Ernest Lemon, of Osage, Minn., who arrived from France a short time since, received his discharge at Camp Dodge a few days ago and has been visiting his brother Frank here the past week. He leaves tomorrow for his home.

Private Jay Austin returned home last week, he having received his discharge from the army at Camp Dodge, Iowa. Jay is welcomed home as a hero indeed, having spent most of his time in France and much of it at the front. He was seriously wounded a couple of times, but is now almost completely recovered. He says he is feeling fine and glad to be back home again.
