

LUMBER PRICES

WILL NOT GO
APPRECIABLY
LOWER
They may go Higher

Any delay in building is liable to cost you higher prices for lumber and materials.

You can't afford to wait in expectation of lower lumber prices.

There is bound to be a tremendous building demand this season.

Come to us now and we will save you more than we can later.

About Rheumatism.

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of these varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 35 cents per bottle. Large size 60 cents.

Neat printing is assured if you have it done at the Journal office.

Perfection Cooker's Message

To the Ladies of Plattsmouth:—

My savings for you is fifteen cents for every day in the year or \$53.75—more than three times my cost. If I only cook you one meal a day and my savings are four cents a day, I have earned you \$14.60 a year for as many years as I am employed.

Listen and Think Hard!

Your \$13.50 (my cost) placed in the bank at four per cent saving investment only earns you 54c, while with me in your kitchen I can save you \$14.60. This is not all—think of the perfect cooked foods and hours saved each day in your household duties.

PLAIN QUESTIONS TO PLATTSMOUTH FOLK

Every Plattsmouth Reader Will Admit the Soundness of the Logic.

Would Plattsmouth people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

W. M. Barclay, proprietor of Barclay's Restaurant Plattsmouth, says: "I have bought Doan's Kidney Pills from the Crescent Pharmacy and can say they are all right. For lumbago and trouble from the kidney secretions Doan's are splendid. After I used them, the pain across my back left immediately." (Statement given December 29, 1908).

On February 22, 1916 Mr. Barclay said: "I have taken Doan's Kidney Pills for years and they have never failed to do good work when I have had need of a kidney medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Barclay had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

COVENANT MAY PROVOKE WAR. HOME AGAIN FROM SERVICE.

St. Louis, May 1.—"I am not willing to become a citizen of the world in lieu of being a citizen of the United States; neither am I willing that the seat of our government should be removed from Washington to Geneva." United States Senator A. B. Cummins of Iowa, declared in an address here before the City club today on the league of nations.

"When the peace terms are concluded," continued the senator, "middle Europe will be divided into fifteen sovereignties. I think a world covenant designed to guarantee the political integrity of these nations will provoke war instead of quelling it."

"The Rainbow Trail," by Zane Grey, in book form, at the Journal office. See it at the Gem Tuesday, but buy the book and read the story first. Popular priced fiction.

From Saturday's Daily.

This morning Thomas Short, arrived home from the east, where he has been in the service of the Government for many months, and has been discharged and returns to take up his occupation again in civil life. Mr. Short was enjoying a good lucrative position before he went to the service, and gave it up in order that he might serve his country. He was the fourth of the sons of his parents to put the things personal aside, in order to take up the work for his country. He is the third one to return, and the other son of the parents and brother of the boys is now in France. We are pleased to see Mr. Short again a citizen of Plattsmouth, as is also many friends here.

"The Rainbow Trail" a stirring sequel to "The Riders of the Purple Sage," at the Gem Tuesday.
