Change in Federal Aid Road Motion by Harris that State Engineer George Johnson make a recommendation as to change in the Federal Aid road carried.

State Engineer Johnson presented the following recommendation for the consideration of the Board: May 14, 1919. To the Honorable Board of Coun-

y Commissioners, Cass county, Nebraska: I have had the road surveyed as

petition running south from Plattsmoth to school house west one mile and south, also the road running south to section 36 and west % of a mile, and after carefully considering the cost and benefits I would recommend that the location of the present road to be constructed with State and Federal money be changed to run west along the north side O'Brien Construction Co .-

This will give you a much better road than the present road as plan-GEO. E. JOHNSON, State Engineer.
