

The New Idea in Underwear!

There is a way to be comfortable even when the day is sweltering hot. Use underwear that does not cling to the skin, but acts as a bellows with every movement of the body. This removes perspiration and gives comfort. There is no garment that will fulfill these requirements like Vassar Athletic. Try them.

VELVET. The Friendly Tobacco Home Again Velvet Tobacco, in its jolly red tin, is again a feature of cigar stores, big and little. There is again Velvet in the pipes, and contentment in the hearts of an army of American pipe smokers, and thereby hangs a tale. "Where's Velvet Tobacco gone?" those same folks inquired, when disappointed in their quest for that age-mellowed, friendly tobacco, which had made them and their pipes side partners for years. Where was Velvet? Ask the Red Cross man or the "Y" man. Ask the Salvation Army lassie. Ask the doughboy or the Jackie. Ask the hurried and harassed Quartermaster Corps that were responsible for "more beef, more bullets and more tobacco" for the boys under the tin derbies. Yes, that's why Velvet was not on some of the dealers' shelves. It was on the ships, in the cantonments, in the billets and the trenches. But Velvet is now wearing the red chevron of an honorable discharge. The doughboy who smoked the "tinned Kentucky sunshine" in France can now enjoy its friendly company on his own front porch. Those of us who willingly gave up luxuries that the boys over there might have them, can stuff our old pipes once more with Velvet and "smile, smile, smile." And good old Velvet Joe! Well, he's back in the columns of this paper and glad to see you all again, d&w.

Roy Brehm's father, mother and two brothers were here for the services last Sunday. The mass meeting called for last Friday night to discuss the proposition of extending the water mains to connect with the new school house was quite well attended there being somewhere near fifty people out. The practically unanimous sentiment was in favor of the board extending the main. The brick work on the new school building is progressing nicely, and the window frames are set for the first story. With no failure in the arrival of material and with plenty of help Contractor Ohlsen say he will have his contract well advanced in another sixty days. Merle Lanning returned to Eagle last Sunday, after having served almost a year in the greatest army of the world ever known. We are informed that the Cass county court house at Plattsmouth is in a very serious state of disintegration. It is said that the entire roof will have to be replaced and that extensive repairs are needed to place the building in a safe condition and preserve it. We are told that for ten years it has been in a leaky condition and nobody seems to have taken interest enough in the matter to protect the building from rotting down.

MEMORIAL SERVICES AT WABASH. Rev. W. A. Taylor, of Union, delivered the memorial address at Wabash last Friday to a very large and appreciative gathering. He spoke upon the three great epochs of this country, the war of Independence, the war of the Rebellion, and the late war for Liberty of the world, delivering a very interesting talk along the lines of what followed the two former very critical periods and what might follow the recent one. Rev. Taylor was very favorably impressed with the large and very attentive audience that greeted him at Wabash. He really felt that olden times were returning, when the people would remember the consecration of this day, to the remembrance of those departed ones who were near and dear to us, and not so much to baseball, foot races and other lines of sport.

Rev. W. A. Taylor and Mrs. Taylor, Mr. and Mrs. D. Lynn, and Mrs. John Lidgett, all of Union, were in the city for a short time last Saturday, enroute to Omaha. While here Mr. Taylor paid the Journal office a short call.

Cut This Out and Take It With You.

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.
