From Saturday's Daily.
John Campbell Mootie who is well known by a large number of Plattsmouth people, and who has made his residence at the Nebraska Masonic Home for the past eight years, coming here from Omaha in 1911, passed away at that institution early this morning. Mr. Mootie was born in Scotland in 1849, and came to this country when a young man, and has made his home in Omaha for many years, belonging to a lodge there at the time of his coming to the institution here and at the time of his death. The re-

mains will be taken to Omaha for interment tomorrow. Mr. Mootie was 79 years, three months and twenty-seven days of age, having been born February 3, 1849.

IS GOING AFTER THE SELLERS

From Saturday's Daily.
This morning Mrs. Hattie Bybee, who has a boy 11 years of age, whom she does not wish to smoke, was in and inserted a warning to the dealers and others who have been furnishing her son with tobacco and the 'makings' contrary to her desire. Her son has become addicted to the habit of smoking and skips school in order to get the weed. How harmful this practice is and especially with boys of tender age for some are given to the habit who are only seven and eight years of age. We are not here to discuss for this is generally known, but the thing which she is after is the enforcement of the laws provided in the case of selling or giving her son goods prohibited by law. She seems determined to stop the practice or bring the offenders to account.

Mr. Wisler Cured of Indigestion.
"Some time in 1909 when I had an attack of indigestion and everything looked gloomy to me, I received a free sample of Chamberlain's Tablets by mail. I gave them a trial and they were such a help to me that I bought a package, and I can truthfully say that I have not had a similar attack since," writes Wm. B. Wisler, Douglassville, Pa.

MEMORIAL DAY FITTINGLY OBSERVED HERE

(Continued From First Page.)

Leonard J. Meisinger, president of the Cass county chapter of the Legion and Aubrey Duxbury, also a member. The members of the Womans Relief Corps present were Messdames W. H. Moore, Lucinda Brittain, Bettie Martin, F. G. Egenberger, George A. Dodge, Wm. S. Purdy, Thomas Wiles, Thomas W. Glenn, Mary Voodrey, B. C. Kerr, James T. Lee, Sarah Gouchour, Val Burkel, Miss Ella Kennedy, Alice Cowles and Mrs. L. W. Scott.

Following the singing of America, the chairman announced the invocation by Rev. Levi W. Scott, who responded by a very feeling appeal to the Father for the blessing of the members of the army, and all who have fought for justice, as well as the blessing of peace on all mankind.

Let by the children of the schools, the flag salute was given by all present. This was a very inspiring and imposing ceremony.

Aubrey Duxbury then gave the Lincoln Gettysburg address, and in a very clear and definite manner endeavored to convey to his listeners the ideas which it was the intention of the martyred president to convey to his audience when he delivered that memorable address more than a half century ago. At the completion of his rendition Mr. Duxbury was greeted with warm applause.

The granddaughters of Civil war veterans formed a chorus that sang a special number which was one of the most pleasing of the program and brought forth loud applause.

Roll Call of Civil War Veterans

Hon. R. B. Windham, adjutant of the G. A. R. post at this place, had been delegated the duty of calling the roll of the members thereof. Before beginning he said that for fifty years the members of the Grand Army of the Republic have had a great deal to do with the making of laws for the betterment and prosperity of the nation, and especially of the state of Nebraska, giving numerous incidents as he recalled them to mind. He then called the roll and those present responded by arising to their feet as their names were mentioned, each in turn being greeted with applause. The reason was noted for the absence of each member who could not be in attendance. The present membership of the post includes John Fight, D. W. Foster, Thomas W. Glenn, W. H. Newell, Isaac Wiles, Justus Lillie, W. H. Freese, Asbury Jacks, Wm. Burke, Thomas Wiles, Israel A. Wolfe, Geo. E. Wall, Wm. McCauley, James Anthony, Robert Troop, Wm. Gilmour, N. H. Isabel, Col. M. A. Bates, C. M. Barrows, L. D. Bennett, Columbus Neff and R. B. Windham. During the past year the ravages of death have removed from the roll of membership Col. J. H. Thrasher and Pearson T. Walton.

Mr. Windham said he had expected Lieut. C. A. Rawls to call the roll of those who have answered the death summons in the Spanish American war but due to the absence of Mr. Rawls he would read the list himself, it being Hiram Robins; Geo. Mostin, Richard Waugh and H. G. Livingston.

Leonard J. Meisinger, himself a member of the four million Americans who answered their country's call in the recent world war, and president of the Cass county chapter of the American Legion, was chosen to read the list of those Plattsmouth boys who gave their lives in the present war. The list included: Navy, A. W. Vallery; Army, Edward C. Ripple, Matt A. Jirousek, Henry Hinz, George Kopsichka and August Hesse.

The American Legion
Hon. J. T. McGuire, of Omaha, was present, and made an address, setting the aim of the American Legion, and telling of its inception—how it was first started in Paris by Lieut. Col. Theodore Roosevelt, at the meeting in St. Louis, which he attended, and outlining the plan to perpetuate comradeship among the men who served together in the interest of freedom, justice and democracy. All members of the U. S. army, navy or marines between the dates of April 6, 1917 and November 11, 1918 are eligible to membership in this organization.

Then followed a number of Victory songs, led by Mrs. Mae S. Morgan. Printed programs contained the words so that everybody might join in this part of the exercises and all took part vociferously.

When Rev. M. A. Shine arose to make the principal address of the

afternoon he was greeted with a round of applause that demonstrated his popularity as a speaker among the people of his home town, and disproved the maxim that "A prophet is seldom without honor save in his own community." Rev. Shine said there had been two hundred thousand American lives lost during the twelve months that have come and gone since the last Memorial day exercises and that they as well as the grand old men, a number of whom sat before him, should be remembered and their victorious deeds commemorated, and with many an eulogy, he dwelt upon the excellent traits of character of the men who comprised the victorious army of this nation.

Especially pleasing was that part of Father Shine's address, wherein he recited the song, "Going Down the Valley," of particular significance to the veterans who sat beside him. The psalm of life was also given and in all the address was one of great excellence and deserving of much compliment.

"Tenting Tonight on the Old Camp Ground," a duet by Comrades Glenn and Windham, was a feature that was enjoyed by all, bringing back to the minds of not a few the days of more than half a century ago.

Mrs. Hazel B. Smith, on behalf of the Daughters of the American Revolution, announced that there would be a declamatory contest held at the theatre in the evening and that the D. A. R. would give the prizes.

Chairman Thomas Wiles thanked all who had in any way contributed to the success of the occasion and the meeting was closed by the singing of "The Star Spangled Banner" by the audience and the pronouncing of the benediction by the Rev. H. G. McCluskey of the First Presbyterian church.

OTHER ENTERTAINMENT

Other entertainment of the afternoon and evening included the ball game at four o'clock and the declamatory contest in the evening, detailed accounts of which appear elsewhere in this paper.

DOCTOR'S PATIENT GAINS 17 POUNDS

Prominent Physician Continues To Use Tanlac In Practice With Surprising Results.

One of the strongest and most convincing evidences of the remarkable results being accomplished by Tanlac thruout the country is the large number of letters that are now being received daily from scores of well-known men and women who have been benefited by its use.

Among the large number that have been received recently none are more interesting than following letter from Dr. J. T. Edwards, of Fayetteville, Ga. Dr. Edwards, it will be remembered, recently gave Tanlac his unqualified indorsement in a public statement, and the testimonial published below was recently given him by one of his patients. His letter follows just as it was written:

Fayetteville, Ga.
Mr. G. F. Willis, Atlantic, Ga.

Dear Sir:
I am enclosing you herewith statement I have just received from Mr. T. M. McGough. He has sold out here, and is moving to Turin, Ga. He was here this morning, and came in to tell me what Tanlac had done for him. He says too much cannot be said about Tanlac. It certainly has cured him.
Respectfully,
J. T. EDWARDS, M. D.

Mr. McGough's statement follows:

"I suffered from indigestion and could not eat anything but what would hurt me. Constipation gave me a great deal of trouble also. My burn and gas on the stomach after burn and gas on the stomach after eating. My appetite was irregular, and my food failed to nourish me. This trouble caused me to get very poor—in fact I got so thin and weak I was hardly able to go about. I bought three bottles on Dr. Edwards recommendation, and I am now feeling all right again, and am able to attend to business. I gained seventeen pounds in weight and am doing fine. Tanlac did the work."
"I now recommend Tanlac to everyone who is sick like I was, and wishes to take something that will help them."

FRESHMEN ENJOYED A PICNIC THURSDAY

Took Supper at Burlington Bridge and Enjoyed Themselves—Arrived Home Late.

From Saturday's Daily.
Thursday evening members of the freshmen class of the Plattsmouth High school met by prearrangement at the Burlington passenger station, and from there took a direct course to the big bridge over the Missouri river, where they enjoyed the evening as only young people without a care can. They all crossed over the river into the State of Iowa, where they celebrated the occasion, being accompanied by members of the faculty of the high school. Games and other amusements were indulged in and an excellent supper was served, which included a "dessert" of pickles that even the teachers enjoyed very much. It was well into the night before the class returned home tired but happy in the enjoyment of the few hours spent outside of the State of Nebraska.

IT HELPS THEM ALL SOME.

From Thursday's Daily.

No good fortune or benefit can come to a portion of the town in which one lives and one be prosperous with a certain amount of good coming to the others who make that their home. The matter of the Commercial Club, working for some enterprise, or to get some institution here is well and good. They are bringing prosperity or an opportunity for prosperity to you all. We have not very long since heard many people saying that I would like to fill my lot some and straighten it up some, but I am afraid I cannot afford it this spring. They did not know that some one else would have at the same time, liked to have gotten rid of some surplus dirt they had, but such was the case. Now the alfalfa mill comes and it is compelled to move the dirt in order to secure a building site for the alfalfa mill and this dirt had to go somewhere. It is being used to fill many places that the people thought they could not afford this year, but they are and the whole town is being made better. No we cannot share this prosperity alone, it will have to go around and we will enjoy it.
