Walker Gilmore, who graduated from the Boonville military school last week, has returned home. His mother, Mrs. G. H. Gilmore was present at the graduation exercises and returned home with him. Walker thinks a great deal of the Boonville training, the experience and teaching very valuable to a young man and he is much pleased over the fact that he entered this college.

Return With War Experience.
Eugene Taylor, brother of Mrs. Walter Minniear, arrived home from Germany last Monday evening, where he has been in the service of his country for more than a year. He spent four months in the front line trenches where he saw and experienced all the terrific fighting of the closing days of the world war. He helped take Mount St. Mihiel, was in the Argonne battles, and helped make the big and last drive against the German army that closed the war. Since the armistice was signed he has been in Germany. He saw and experienced a great deal of army life, and is no doubt pleased to get back to the old home, but at the same time the experience of the past two years will be worth a great deal to him in future years. He was mustered out at Camp Funston.

Gathering of Church

People At Lincoln

C. W. Pugsley in an editorial in the Nebraska Farmer says, the 20th of May will go down in history of the state of Nebraska, as an important date. On that date there convened in Lincoln 528 representatives of 15 church denominations, from 114 different Nebraska communities. The object was to determine the advisability of perfecting some plan of co-operation between denominations.

This movement is an outgrowth of the new conception of ideals of religious service emphasized by the recent world war. On all hands there is the feeling the Christian church working through 180 denominations is not reaching its possibilities. Everywhere there is talk of federation. The conference went on record as favoring a Nebraska inter-church council to make arrangements to perfect a local council in every community.

The movement is fraught with wonderful possibilities for the advancement of church work. One of the draw backs felt by the missionaries in foreign fields was to get the natives to understand the value of Christian religion when it was presented to them in so many different interpretations. The church people are growing more and more to believe that the big and central thing which Christ stood for was the leading of a moral life individually and the practice of the golden rule.

All denominations are beginning to center on this point as the big thing in Christian life and are learning to the individual the privileges of interpreting for himself the best method of formal worship.

The federated church is the church of tomorrow, should be the church of today, to be a Christian is the important part. Co-operation has done wonders in other lines. Why not in the Christian churches. Think it over.

Mrs. Robert Ballance of Denver, who has been visiting in this city for several days departed this afternoon for Sidney, Iowa, where she will visit for some time at the home of her cousin Leonard Bailor and family and other relatives for a few days before she shall return to her home in the west.

TWO DEAD; 13 INJURED IN TOLEDO BRAWLS

Riots Among Automobile Company's Employees Culminate in Fatalities; Mayor Wires For Troops.

Toledo, O., June 4.—Two men were dangerously wounded in a riot growing out of the labor disturbances involving 13,000 employees of the Willys-Overland automobile company. The victims, presumably idle employees of the company, were killed by discharged soldiers who are guarding the plant. The killing was the culmination of three riots today and tonight that resulted in injury to thirteen persons.

The killing occurred in front of a fire station near the automobile plant, where a discharged soldier, with a woman companion, had sought refuge from a threatening crowd.

Soldiers Answer Calls.
Calls for assistance brought two motor truck loads of soldier guards from the automobile plant. When they arrived one of them fired a shot into the air. The guards then fired their rifles and pistols into the crowd.

Mayor Schreiber at 1 o'clock announced he had applied to Governor Cox to send troops here and that he expected the governor would comply. The house adjoining the mayor's was stoned and its windows smashed presumably by sympathizers of the idle automobile workers, who apparently mistook the home for the mayor's residence.

Mayor Wires For Troops.
Columbus, O., June 4.—At midnight last night, Mayor Cornell Schreiber of Toledo wired Governor Cox saying, "Send troops immediately to Toledo."

The mayor said all available deputy sheriffs had been sworn in but that he was "unable to cope with the situation."

Charles E. Morris, secretary to the governor, who received the message, said he would inform the mayor that Ohio at present is without troops and that all it can do is to request the government to lend soldiers. He said he would not make this request until he had consulted the governor, who is said to be out of the city.

Mr. Morris said he thought there were 3,000 troops at Camp Sherman awaiting discharge, who probably would be available.

At 1 o'clock this (Wednesday) morning Mr. Morris said he talked with Mayor Schreiber at Toledo on the telephone. He said the mayor told him rioters had driven him from his home by threats and that he was under guard in his office at the city hall.

The mayor told Mr. Morris that no attempt would be made to operate the plant today.

NEW WAR IN SIGHT

George Washington said, "To be prepared for war is one of the most effectual means of preserving peace." A new war is again in sight—the war with summer stomach troubles.

Errors of diet, changes from hot days to cool nights, changes of water, etc., are causing acute stomach and intestinal diseases. To be prepared for this war is the best means of preserving health, and can you get anything better for this purpose than Triner's American Elixir of Bitter Wine? By the help of this remedy you can compel your bowels to normal activity, your digestion will be faultless, and so you will have nothing to fear. And by the way, Triner's American Elixir of Bitter Wine is very palatable and so delicate that it does not hurt the most sensitive stomach. You can get it at all drug stores. Are you troubled with cough? In these days a great many people complain about colds and coughs, but Triner's Cough Sedative gives quick and sure relief. At all drug stores.—Joseph Triner Company, 1333-1343 S. Ashland Ave., Chicago, Ill.

Misses Neva Smith and Golda Mead of Hamburg, Ia., arrived this afternoon and are attending the commencement exercises at the Plattsouth High School and are the guests of their cousin Miss Velma Elliott who is graduating.

HELD JUBILEE MEETING YESTERDAY P. M.

PRESBYTERIAN LADIES AUXILIARY ENJOYED PROGRAM AT CHURCH PARLORS

RAISED MONEY FOR NEW PIANO

Needed in Sunday School Room—All of Five Circles Went Over the Top.

From Wednesday's Daily.
The Presbyterian Ladies Auxiliary met in the church parlors Tuesday P. M. June 3rd.

The meeting was in the nature of a jubilee meeting and in spite of the inclement weather there was a large attendance.

Special interest centered in the report of the five circles who have been making the drive for the piano fund during the past three months. The neat sum of \$339.56 was turned in. All circles having gone over the top. Circle No. 1 leading with \$102.00.

The piano was placed for use and all rejoiced in the tone of the fine new instrument, which will mean so much to the activity of the church.

A catchy little program had been arranged under the direction of Mrs. McClusky and Miss Heisel.

Mrs. Gorder gave reading entitled "The Aid Society Will Do the Best" which everyone thoroughly enjoyed. Mrs. Farley then gave a piano solo which did great credit to the new piano. This was followed by a Medley, sung by nine little girls, which was especially appropriate for the occasion. The Medley was a very clever parody on the tune "Coming Thru the Rye." "Good Morning Mr. Zip, Zip, Zip" and "Smiles" put together by Mrs. McClusky. Catherine Schneider taking the solo part and the rest responding. The Medley follows:

Will you listen to the story of the circles five?
How they crowned themselves with glory, these brave circles five, Each one has her fullest given, time and golden store,
Pies and doughnuts, aprons, bonnets, caps and plants galore.

ALL
We've met them on the market, in red cross rooms and home
The prettiest plants you ever saw, were sold by circle one
When they received the order, it seemed so big, oh dear,
But when they counted up the cash, this is what we hear—

CHORUS.
Hurrah for circle one, one, one,
With your plants of beauty rare to see
Hurrah for circle one, one, one,
At the top of the list you'll be,
Porch-box and gardens will your praises sing,
All through the city, in the days of spring.

CHORUS.
Hurrah for circle one, one, one,
With your plants of beauty rare to see,
Here's to you, ladies of circle one,
And your loyalty to duty.

And talk about hot coffee and sandwiches the best,
The ones they served on Saturday, surely stood the test,
These Presbyterian ladies are very much alive,
And when you want a piece of pie call circles 2 or 5.

CHORUS.
Hats off to circles 2 and 5, with their aprons and their cats,
When cooking enters in the race, you surely take front seats,
Doughnuts and cookies, cake and coffee too,
Pie a la mode if that suits you
We'll cheer for circles 2 and 5 whose work brought in the money.

Ah ha, it is so funny, how the cats bring in the money.
But when you want a day of fun and frolic grand
With circles 3 and 4,
Jump into a car and ride to country homes just a mile or more,
Where to while life time away and sip the coffee fine,
Just go to the country on a fine spring day,
If you want a good time.

The flag drill under the direction of Miss Heisel was beautiful and well rendered by 12 girls. As ever the red, white and blue thrilled the audience, while the steps and poses were especially attractive. Then followed a song by Martha Gorder and Thelma Kroehler entitled "The Circle Ladies" which was very well received.

The program closed with a repetition of the Medley, by request, and

Nogales, Ariz., June 3.—The report of the killing, Sunday, of Miguel Otto, an American, by Yaquis, near La Colorado, Sonora, was confirmed today when Otto's body was found stripped of clothing, mutilated and with a bullet hole through the head.

Otto had been making his home with a Mexican family at La Colorado. His body was discovered a short distance from their camp, which he had left on a hunting trip. Acting under instructions from Washington, Col. Earl Carnahan,
