WHAT CHAUTAUQUA MEANS.

Catch the Spirit.

Chautauqua belongs to everybody. Whosoever will, let him come and have the best time of his life. That is the chautauqua spirit. Chautauqua is for the people; you are one of them, no matter who you are, you will find a great feast of good things on this Chautauqua program that will appeal directly to you.

Have a good time, but don't get hoisy during the program. Remember the people want to hear. Be liberal with applause. You'll get more out of the program if you show appreciation. Don't go to the chautauqua (or anywhere else) with that entertain-me-if-you-can attitude. It never pays.

The chautauqua is the most democratic institution in America. It is to the older people what the school is to the children, a place where all meet on common ground. The spirit of happiness is within you. It will grow by what it feeds upon. We are offering you a great feast for it.

Have a good time, and above all catch the chautauqua spirit.

Chautauqua week is coming, 6 days filled with the delight of splendid music, fascinating entertainment, interesting and instructive lectures. For a week the world is brought to your door. The best lecturers, musical companies, entertainers, come to teach, to improve, to brighten and lighten.
