THAT NEW CIGARETTE LAW OF OURS

LICENSES HAVE BEEN ISSUED TO SIXTEEN TOBACCO DEALERS BY CITY CLERK

LICENSE FEE HERE BUT \$10

County Attorney Says Permits Not Legal Issued Under a Law Not in Existence.

From Saturday's Daily. The article in yesterday's Journal relative to the new cigarette and tobacco law enacted by the last legislature has created some concern as to the true import of its different provisions.

We find that already sixteen permits have been issued by the city clerk to local dealers to continue selling cigars and tobaccos after the law becomes effective, a week from today, Saturday, July 19th. The county attorney says there is no law in existence as yet, and therefore no legal permit can be issued under a law not in effect.

The license fee in Plattsmouth is \$10 instead of \$15, as would be the case were we credited on the census returns with 5,000 people. In cities the size of Omaha the tax is \$25.

Just what will come of the matter when the law becomes operative is an open question. City Clerk McElwain has issued the licenses on local legal advice and that of a Council Bluffs wholesale tobacco house, as furnished to its patrons in Nebraska, and all one can do under the circumstances is to wait and see what will be the result.

GEORGE BAX IS BACK.

From Friday's Daily. Just returned from overseas only a few weeks since, Geo. Bax, son of Geo. Bax and wife of Lincoln, but formerly of this place, the younger man born here, was discharged from the service of the United States army Wednesday afternoon at Camp Dodge, and arrived here for a visit with his many friends today at noon. This young man, a former Plattsmouthian, enlisted in the service at Lincoln over two years ago, and was sent to Ft. Logan, and from there to a western camp, and went over during 1918, and was in the hot campaigns of that year. After the signing of the armistice, and a portion of Germany, visited the provinces of the Rhine. Acted as military police along its banks and at Coblenz. Speaking of the situation Mr. Bax said that he was glad to get back to the good old U. S. A. and while the country over there was praised, he had no use for it or its people either. "Give me America and the Americans every time, I do not want any of either Germany or France."

SO HE CAN WORK AGAIN.

From Friday's Daily. Mike Rys who has been on the sick list for the past few days and on account of not being able to walk on account of the bursting of some blood vessels in one of his legs had to walk with crutches, is again so he can look after his business at Mynard and will be there ready for work next Monday.

DR. LINCOLN WIRT RETURNS FROM EUROPE CAPTAIN OF AMERICAN RED CROSS EXPEDITION VISITING PALESTINE AND TURKEY

It was the effort of every true American to find his niche during the war period and to fill it.

Few men have succeeded so signally in this effort as Dr. Lincoln Wirt. It was not necessary for Dr. Wirt to change his subject or undertake additional burdens in order to continue his work. Yet when the call came, he gave up his lyceum and chautauqua work the past two years to do his bit in Red Cross work. Dr. Wirt made several trips to France in the interest of the Red Cross and holds the honorary title of Captain. He has just returned from Palestine and Turkey where he was at the head of an American Expedition of Red Cross Relief workers.

Dr. Wirt will give us first hand information of the great problems to be met in reconstruction of the devastated countries of Europe, the great and wonderful relief work the Red Cross is doing; a lecture full of information and vital truths. A lecture every person in this community ought to hear. For three years Dr. Wirt was Territorial Superintendent of Education for the U. S. government in Alaska, founding the public schools which today are farthest north. Has travelled in most every country on the globe. Hear him the evening of the fourth day.
