BOUGHT A QUARTER INSTEAD OF 60 ACRES

Allen Land Secures Good One Hundred and Sixty Acres of Fine Land.

From Wednesday's Daily.

Through the fables of the types, we were caused to say in yesterday's paper, that Mr. Land had made purchase of sixty acres of land, when the amount should have been one hundred and sixty acres instead. The place is a fine farm and after having entered into a contract for the purchase he refused to list the same for \$25.00 more per acre than he had paid for same. His purchase was made for a home and he intends to keep it for such.

In the automobile of Howard Graves they departed this morning for Glenwood, Iowa, where they are visiting at the home of a sister of Mrs. Sherad Graves, Mrs. Harriett Miller.

Edmond Spies and Dr. Caldwell Were Discharged At Camp Dodge Yesterday.

From Wednesday's Daily.

According to the press dispatches and the private telegrams giving same advice, Sergeant Otto E. Lutz, Sergeant Raymond Larson of this city and Clyde Gilmour of west of Murray, arrived in New York yesterday from overseas. They will in due course of time be sent west for discharge.

Sergeant Otto E. Lutz enlisted in the service early in the war and was sent to Camp Cody at Deming, New Mexico, where he was in training for some time, and from there went overseas, where he has been until just now returning. He was in the portion where the fighting was the severest, as was also Sergeant Raymond Larson, who arrived at the port yesterday also. These two Plattsmouth boys are among the latter ones to be shipped over, but will soon be at home. They both have seen much strenuous service, and being with the western front. Mr. Gilmour was joined to the service at a little later date but early in the war, and has seen much of the war as well as the two from this city.

Two Are Now Discharged.

Last evening Dr. Caldwell returned home discharged from the service at Camp Dodge, as also did Edmond Spies who has but recently returned from overseas arriving at the port at New York on July 18th.

Mr. Spies was attached to the English army a considerable of the time, and was in the engineer's corps. He expresses a good deal of satisfaction in again being out of the service, and able to be home. Mr. Spies will visit for a short time here and will then go to Colorado, and look around with a view of seeing how opportunities present themselves.

JOSEPH HOFFMAN, ELMWOOD, AGED 65, SHOOTS SELF—ILL HEALTH CAUSE

RUMOR EMERSON HANGS SELF

Creston, Iowa, Undertaker Convicted of Murdering Mother Said to Have Taken Own Life.

From Wednesday's Daily.

A telephone message from the physician at Elmwood tells of the tragic end of the life of Joseph Hoffman, who is sixty-five years of age and in poor health, having shot himself because he saw no hope of returning health. Mr. Hoffman, who has been in very poor health for some time has become despondent, and with no hope of the return of his health, took his own life, blowing the top of his head off with a shot gun. How long he has been in ill health or what was the exact condition, has not been ascertained.

Mr. Hoffman was a farmer and had lived near Elmwood for many years and was considered as one of the best of citizens, having a large and estimable family. Nothing is known as to his burial as yet.

Report Emerson Dead.

Roy Emerson, the Creston, Ia., undertaker, if reports are correct will now need the services of another undertaker, for report comes that he had in some way managed to hang himself, thus cheating the lawfully instituted authorities, who would probably have required his life for what the jury said he had to do with his mother's death a short time since at Creston, Iowa.

Young men now returning from the army, who wish to prepare themselves for positions in banks and other business offices, or for the civil service examinations, will be interested in the circulars now being sent out by the well-known Grand Island Business College, of Grand Island, Nebraska.
