MISS IONE DOVEY IS AT HOME AGAIN

AFTER SERVICE IN FRANCE AS A Y. M. C. A. WORKER—GLAD TO GET BACK

SPENT LONG TIME OVERSEAS

Looking After the Needs of the Soldiers—Sailed for States Early in July—Visited in East.

From Monday's Daily. Miss Ione Dovey, daughter of Mr. and Mrs. H. N. Dovey, returned to her home in this city Saturday afternoon after a seven months' term of service in France with the Y. M. C. A. in the war work department.

Miss Dovey has been on active duty at the general headquarters of the American Expeditionary Forces at Chaumont, France, and assisted in the many features of the "Y" work pertaining to the comfort of the American soldiers. The Y. M. C. A. has maintained in France a large number of canteens, hostess houses and clubs for both officers and enlisted men and these institutions of necessity brought a great deal of work to the secretaries and the American ladies who had volunteered for service with the army department, and Miss Dovey has been numbered among the many hundreds of true hearted American girls who have been overseas assisting in looking after the care and comfort of the soldiers of the A. E. F.

Miss Dovey has been in the United States for the past two weeks, having sailed from Brest in the early part of July, and has been enjoying a two weeks' outing in the east and recuperating from the effects of the strenuous work overseas. While in the east, she visited for a week at Chicago, with her brother, Governor Dovey and wife. During her stay abroad Miss Dovey was given the opportunity of visiting a number of the larger cities of France, including Paris and Marseilles, both of which are among the world's most beautiful and interesting cities.

The many friends of Miss Dovey will be much pleased to learn of her return from her splendid services abroad and are delighted that she has safely arrived at home and has stood the service in foreign lands splendidly.

ADAM KAFFENBERGER SUFFERS STROKE

Of Paralysis Yesterday Afternoon—Follows Close Upon His Being Overcome by the Heat.

From Tuesday's Daily. Yesterday afternoon Adam Kaffenberger, residing in the west part of the city, suffered a slight stroke of paralysis at his home and for some time his condition was dangerous, but this morning he was resting somewhat easier although he is still in a very serious shape. Mr. Kaffenberger has been in failing health for a number of months and last week was overcome by the heat while going from his home to the postoffice, and at that time it was a very close call from being fatal to him, owing to his age and feeble condition of health. As soon as the stroke occurred last evening medical aid was summoned and the aged man relieved as much as possible and it is hoped by the family that he may be able to recover from the effects of the stroke although in his condition and at his age it will be some time before he is able to overcome the effects of his affliction, if ever. Mr. Kaffenberger is one of the old residents of Cass county and has resided in this locality for many years, and some two years ago moved to Plattsmouth to make his home.

If you are looking for a few good sheep attend the big auction sale in Murray on Saturday, August 16th. A great offering of ewes and lambs.

Fancy box paper at this office.

LOCAL PEOPLE SOAR HIGH IN AIR SUNDAY

COMMERCIAL AEROPLANE FROM OMAHA TAKES PASSENGERS AT \$15 EACH.

NOVEL AMUSEMENT THEY SAY

A Half Dozen Enjoy Trip to the Clouds from Plattsmouth Aviation Field.

From Monday's Daily. The usual peace and quietude of Sunday was enlivened yesterday shortly after the noon hour when a winged visitor from the big city up the river made its landing in the field just north of the Bach residence on the Missouri river bottom, east of the Burlington station. The aeroplane was a small machine of the Curtis type and is one of the machines which the Canadian government has sold to individuals in the United States.

The craft was in charge of L. L. Wade, of Omaha, who is well known here, where he was engaged in automobile work in the Amick garage last year. Mr. Wade was accompanied by George Wyant as pilot of the aeroplane. The machine is one of a number sold by the J. T. Stewart company, of Omaha, and is the property of the Omaha Aerial club.

The gentlemen in charge of the machine offered to take up any resident of Plattsmouth who desired a real thrill and Sheriff C. D. Quinton accepted the invitation and for several minutes soared through the atmosphere in the vicinity of the landing field.

The advent of the air craft attracted a very large crowd and the keenest interest was shown by the citizens in examining the different parts of the machinery and the general construction of the plane. The two gentlemen required ten minutes in making the trip from Omaha to this city and this gives an idea of the immense power developed by these aeroplanes in traveling thru the air.

After a few trips through the air over the Missouri river bottom, the machine was taken to near the C. E. Cook farm south of the city and there several flights were made with passengers as the residents of that locality were all anxious to try the experience of flying through the air and Joseph J. Johnson and son, Joe; John Gorder, Fred Mann and Will Jean took advantage of the opportunity to go up with the pilot of the plane.

SUNDAY SERVICES AT GARFIELD PARK

Attended by a Large Congregation—Able Sermon Delivered by Rev. A. V. Hunter.

From Monday's Daily. The union services held at Garfield park last evening were attended by a very pleasing congregation, and those who were present were well repaid by the pleasure of listening to the very able sermon delivered by Rev. A. V. Hunter, pastor of the First Methodist church. The pastor chose as the title of his discourse, "In the Cool of the Day," and it was one that was thoroughly enjoyed by the audience and given by the talented speaker in his usual able manner made a deep impression upon the hearers.

The music of the evening was under the efficient leadership of Don C. York and proved a delightful feature of the service. These meetings are growing in interest and the Plattsmouth church going people find the park a splendid place to hold the services as it is cool and comfortable there after the heat of the day.

Do you want a few sheep? Attend the auction sale in Murray, on Saturday, August 16th. You will find them.

MURRAY PEOPLE HOLD BIG RECEPTION

OPEN HOUSE TO RESIDENTS OF THE COUNTRYSIDE LAST SATURDAY NIGHT.

IN HONOR OF SOLDIER BOYS

Large Number in Attendance to Greet Captain Gilmore and Other Warriors.

From Monday's Daily. The good people of Murray have the reputation of doing things right when they take hold of any public movement and Saturday evening again demonstrated this fact in the public reception tendered to Captain G. H. Gilmore, who has just returned from France, as well as the other soldier boys of Murray, who have come home from across the sea. The reception had been arranged by the Murray commercial club and Ted Barrows, president of the club, presided at the reception and assisted in seeing that everyone in attendance had a splendid time and had the opportunity of meeting the soldier boys.

The reception was held on the beautiful lawn of the Gilmore home and for the occasion the scene was made attractive by strings of varicolored Japanese lanterns as well as electric lights. A short program was given during the evening that was thoroughly enjoyed by everyone in attendance. A vocal solo by Miss Mae Loughridge, as well as a duet number by Miss Loughridge and Miss Neva Latta, added much to the pleasures of the evening and these two numbers were most enjoyable, the accompaniment being played by Miss Olga Minford, one of the talented musicians of Murray.

District Judge James T. Begley was called upon for a few remarks and expressed the sentiments of the community in regard to the soldiers and sailors who, sacrificing their private interests, had hastened to the call of duty and served during the world war in the lands over the seas and assisted in adding glorious pages to American history that will live through all the centuries to come.

Captain Gilmore was then called upon by his many hundreds of friends present and in a few well chosen words told a little of the experience found abroad by the American soldier and expressed his appreciation of the splendid welcome home that had been tendered to him as well as to the others from Murray, who had so gallantly served during the war.

The soldiers of Murray, who had returned from service were given an opportunity of meeting their many friends and as the hundreds of visitors passed in line they expressed personally to the boys the feeling of love and esteem in which their home community held them.

During the evening the Caldwell orchestra of Plattsmouth gave a number of highly pleasing selections which proved very enjoyable.

A dainty and delicious luncheon of ice cream and cake was provided at a suitable hour, which added greatly to the delights of the evening.

The occasion throughout was one that reflects great credit upon the patriotic people of Murray and at the same time demonstrates that they are certainly master hands at entertaining.

RAIN DOES MUCH GOOD.

From Tuesday's Daily. Early this morning the western sky gave promise of a very severe storm with banks of heavy clouds and a close sultry atmosphere prevailing but the worst of the storm passed to the north of this city. A gentle rain commenced falling at 8 o'clock and while not as heavy as could be desired still did a great deal of good and made it much more comfortable getting around for the average citizen who has been suffering from the intense heat of the past two weeks.

DEATH OF A FORMER RESIDENT OF CITY

MRS. FRANK T. DAVIS PASSED AWAY AT HOME IN WEST WEEK AGO SUNDAY.

WAS BURIED AT LOS ANGELES

Daughter of the Late Doctor Schildknecht—Was a Fine Christian Woman.

From Tuesday's Daily. Deputy County Clerk W. H. T. Adams has just received a letter conveying the sad news of the death of his cousin, Mrs. Frank T. Davis at her home near Los Angeles, California, on Sunday, August 3, 1919. Mrs. Davis has been in very poor health for some time and recently underwent an operation for gall stones and she gradually failed in health until death came to her relief.

Mrs. Davis will be remembered by the older residents of this city as the youngest daughter of the late Dr. W. H. Schildknecht, and she was reared to womanhood in Plattsmouth, completing her education in this city and later was united in marriage to Mr. Frank T. Davis, who with several children are left to mourn the death of the wife and mother. Mrs. Davis was a lady who by her splendid Christian life made many friends who learn with the deepest regret of her death. In her girlhood she attended with the Christian church and was a devoted member of that faith up to the time of her death.

The Davis family left this city some twenty years ago and has since that time made their home in California, locating near Los Angeles. The funeral of Mrs. Davis was held at Los Angeles.

To the bereaved family the deepest sympathy of the old friends will be extended in their hour of grief over the loss of the kind and loving wife and mother.

CANDIDATES FOR THE CONVENTION

Three Seek Honor of Representing Cass County at Drafting of a New State Constitution.

From Tuesday's Daily. The list of candidates for delegates to the constitutional convention of the state of Nebraska, which is to convene on December 2, 1919, at Lincoln, has been closed and the choice will soon be up to the voters. In this county there has been a sufficient number file to make necessary the holding of a primary election to determine who the two candidates to come before the fall election shall be. In all, three candidates in this county seek the honor of representing the 7th district, comprising Cass county, at the drafting of the new constitution, which will be made the basic law of the state after its adoption by the voters of the state. They are Hon. E. M. Pollard, of Nehawka; Attorney A. L. Tidd, of Plattsmouth; and Searl M. Davis, of Murray.

The constitutional convention will have an immense amount of work on its hands and the gentleman who is chosen for the position from this county will have no easy job. In the 8th district, composed of Otoe and Cass counties, Attorney W. H. Pitzer, of Nebraska City, is the only candidate having filed, and consequently no primary election will be held in the district to determine who shall be the candidates before the fall election.

CARD OF THANKS

I take this method of expressing to my friends and neighbors my deep appreciation of their splendid work in assisting in saving my property from destruction by fire and their action will long be remembered by all the family.

GEO. A. KAFFENBERGER, JR.

RED SOX WON THE BALL GAME HERE SUNDAY

THE PURITANS OF OMAHA WERE TRIMMED BY THE SCORE OF 5 TO 4.

AN EVENLY MATCHED CONTEST

The Game Was Rather Interesting From the Start, Being Contested to the Last Inning by Each Team

From Monday's Daily. The Red Sox yesterday afternoon hung a defeat on the fast Puritan team of the south side of Omaha by the score of 5 to 4 in a game that was filled with great interest from start to finish. Atkinson, who did the tossing for the local aggregation was one of the big factors of the game with his timely stick work and in his pitching received excellent support from his team mates. The Red Sox team was changed around in the playing positions for the game Sunday and Fred McCauley, who in the past has often filled the initial corner of the diamond was back on the old job and played an excellent game, while Peter Herold was officiating at short stop and assisted several of the Omaha players out at first by his fielding.

In the opening the visitors scored first blood when Suchy hit safe to center field and was followed by Skonmal who repped his team mate. The Sox came right back at the Omaha lineup in the second inning and added two runs to their credit and took the lead in the game. McCauley hit safe to the left garden; Herold was hit by Woolsey and given on his base, and then Beal proceeded to break the game up with a hot one over third base that scored both McCauley and Herold.

The fifth saw the visitors add to their score when Suchy hit safe to third and was advanced to second on a sacrifice by Skonmal and on the hit of Temmer to the center field Suchy came over with a score but Rapp who ran for Temmer was left on the second sack as the two succeeding batters struck out.

In the sixth inning both teams proceeded to do business with the score board. The visitors opened with R. Lane securing a safe single to the right garden and was followed by George Lane who hit to right field and scored his team mate. On the out of Rapp from Herold to McCauley, George Lane scored with the run that brought the visitors total to four. For the Sox McCauley drew a walk and when O'Donnell hit to short Mac was caught at second. Atkinson proceeded to warm things up with a three sacker to the left field that scored O'Donnell and Beal again saved the day with a timely hit over second that brought Atkinson home and tied up the game.

In the eighth inning the Red Sox clinched the game with the hit of Herold to center field that brought in Atkinson. Atkinson had reached first on an error of the Omaha team in leaving the first sack unprotected and when Pete straightened out on one of the slants of Woolsey the Plattsmouth pitcher came across the plate with the needed run that spelled victory for his team.

In the ninth the visitors were unable to connect with the ball and retired in one, two, three order giving the contest to the local ball tossers.

COL. M. A. BATES ABLE TO BE OUT A LITTLE TODAY

From Monday's Daily. This morning for the first time in a good many weeks, Col. M. A. Bates, editor of the Journal, was able to leave his home and enjoy a few minutes out on the street and in visiting the Journal office. The colonel is showing much improvement and while still far from well is able to be up and around the house most of the time. His many friends will be pleased to learn of the marked improvement in his condition in the past few weeks.

RETURNS FROM SERVICE IN THE PHILIPPINES

HENRY G. SOENNICHSEN ARRIVED HOME YESTERDAY AFTER LONG SERVICE

MEMBER OF COAST ARTILLERY

Was in Machine Gun Company of the Old Sixth Nebraska—Later Enlisted Again.

From Monday's Daily. There was much rejoicing yesterday at the home of Mr. and Mrs. H. M. Soennichsen, of this city, when the son and brother, Henry G. Soennichsen, arrived home after a service of some two years in the ranks of the khaki clad army of Uncle Sam.

At the commencement of the war with Germany, Henry heeded the call of his country and enlisted in the 6th Nebraska infantry and was assigned to the machine gun company of that regiment under Captain Buehler Metcalfe. With the Sixth regiment, he departed for Camp Cody, Deming, New Mexico, where he spent several months in training and while there, to his great disappointment, he was discharged on account of his physical condition.

With a determination to do his bit and serve in the world war, Henry came home and at once attempted to get back into active service, and after a few attempts to enlist was finally enrolled in the army and early in 1918 left for Jefferson Barracks, Missouri, from where he was assigned to the coast artillery branch of the service and shortly thereafter was sent with his regiment to Honolulu, Hawaii, where he was stationed at the famous Kaneohe fortress, remaining there for the greater part of the time of his service. Mr. Soennichsen has spent the past week awaiting discharge from the service and at last received the document that places him back in the ranks of civilian life.

The friends in this city of this splendid young man will rejoice to learn of his return and his determination to do his part personally in the great war is a demonstration of the strong, steadfast American spirit that makes the great sacrifices when the call of the country is heard for her sons to defend the principles upon which the republic is founded.

The sojourn abroad has been a great experience to the young soldier and one that he will long remember and has given him a broad knowledge of the island possessions of the United States that will be most useful.

When baby suffers with eczema or some itching skin trouble, use Doan's Ointment. A little of it goes a long way and it is safe for children. 60c a box at all stores.
