

AN EXTENSIVE BUILDING PROGRAM PLANNED

HOMES PROVIDED FOR FIVE ADDITIONAL FAMILIES AS A RESULT THEREOF.

TO FILL A LONG FELT WANT

Progressive Firm of Peters & Parker Will Erect Five Modern Cottages in the 2nd Ward.

From Saturday's Daily. Heeding the demand which has been so often made in the city for suitable homes and especially in the last few months, when almost every available place to live has been occupied, the firm of Peters & Parker decided to do something in the way of making it possible for at least five families to secure neat modern homes by erecting five up-to-date bungalow cottages in the north part of the city.

Four of the cottages will be erected on the lots just west of the residence property of Councilman Frank Buttery on Elm street and one will occupy a site on Oak street just west of the John Reuland residence.

These cottages will be of five and six rooms, strictly modern and the exterior will be completed in the popular bungalow style of architecture. The interior of the new houses will be arranged along the most up to date lines and with all the conveniences which the modern home demands. Also, the cottages will each one be provided with a private garage on the rear portion of the lot and with driveway leading from the front, making it easy of access to the garage.

The cost of these cottages will amount to quite a neat sum, but with the great demand for homes that prevails at present, there is little doubt but that the builders will find a ready sale for them.

Messrs. Peters & Parker are ready to build the new cottages to suit the tastes of individual purchasers if the person desiring a cottage makes arrangements with them, but regardless of whether the houses are sold before completed or not, the firm of contractors expects to go ahead and build them and offer them for rental purposes if they are not sold outright. The action of Messrs. Peters & Parker will help considerably in affording relief in the demand for modern homes and it is to be hoped that others may be induced to get into the building game during the fall season.

MANY WENT TO LOUISVILLE

From Saturday's Daily. A goodly number of the dancers of this city went to Louisville last night to attend the platform dance

given on the large platform which has just been erected to accommodate the dancers during the soldier homecoming event there next week. All those from here who went report an unusually good time despite the fact that the floor was rough from never having been danced on before.

LOUISVILLE BOOSTERS HERE.

From Saturday's Daily. Yesterday afternoon a delegation of boosters from our neighboring city of Louisville motored over and spent a few hours here advertising the big soldiers and sailors homecoming which is to be held in that city on August 27, 28 and 29. The party was headed by Col. Lee J. Mayfield of the Courier, William Diers, Arthur Stander, Richard Kraft, George Meyer, Frank Nichols and William Stohlman and son. The Louisville boys band were with the boosting party and while here gave several musical numbers which were most pleasing and the boys in the band have a fine organization that can produce some high class music. The live and progressive people of Louisville are up and doing in arranging for the big event and you have to give it to them that they will have some time out in the pleasant little city on the Platte. William Stohlman with his usual push and energy is behind the big fried chicken dinner proposition and has a large number of the ladies of Louisville and vicinity interested in the proposition and this will be one of the big features of the celebration.

TO HOLD REUNION.

From Saturday's Daily. The public spirited citizens of Union have arranged to take up the matter of holding their annual old settler's reunion, which was at first to be let go by default, and they will have the big event on Friday and Saturday, September 5 and 6. This year the organization was not able to get the arrangements made for the reunion at the usual time and at first it was feared that the event which has been held each year for the past thirty years might fall through this season but last evening a mass meeting of citizens decided to put over the thirty-first reunion. This year the second day will be devoted to a home coming of the soldiers and sailors of the county who have served in the world war. An elaborate program will be arranged and soldiers from both Cass and Otoe counties are invited to participate in the gathering.

CHRISWISSERS MAKE TRIP TO COLORADO

From Saturday's Daily. Charley Chriswisser and family returned Wednesday evening from an overland trip in their car to points in Colorado, going as far as Denver. They camped out part of the time while on the trip. Mr. Chriswisser says the crops there this year are best in the vicinity of Luma.—Nehawka News-Ledge.

PLAIN QUESTIONS TO PLATTSMOUTH PEOPLE

Every Plattsmouth Reader Will Admit the Soundness of the Logic.

Would Plattsmouth people recommend Doan's Kidney Pills as they do if the medicine was not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

W. M. Barclay, ex-chief of police, Plattsmouth, says: "I have bought Doan's Kidney Pills from the Crescent Pharmacy and can say they are all right. For lumbago and trouble from the kidney secretions Doan's are splendid. After I used them, the pain across my back left immediately." (Statement given December 29, 1908.)

On February 22, 1916, Mr. Barclay said: "I have taken Doan's Kidney Pills for years and they have never failed to do good work when I have had need of a kidney medicine."

ANOTHER NEW GARAGE TO BE ERECTED HERE

\$18,000.00 BUILDING TO OCCUPY SITE ON VINE STREET BETWEEN 6th AND 7th.

WORK HAS ALREADY BEGUN

And Will be Rushed to Completion.—John Bauer to be Owner of New Auto Emporium

From Saturday's Daily. One of the largest operations in the building line in this city for the past several months is the new garage to be erected by John Bauer on Vine street between Sixth and Seventh streets, and occupying the lots just west of the Streight furniture store. This building, when completed by the firm of Peters & Parker, will cost \$18,000, and will be as complete in its equipment as a modern garage as is possible to secure.

The plans for the new building call for a structure 48x140 feet, with a main frontage on Vine street and also an extension 40x50 feet in the rear, which will extend from the main building along the alleyway to Seventh street. The building will be constructed of concrete and hollow tile with a frontage of pressed brick. On the east side of the building a driveway will extend from the Vine street front to the alleyway, and here will be provided washing facilities for cars. In the front part of the building will be arranged large and commodious offices and salesrooms, which will be finished in oak and provided with tiled floors, making a very pleasant and attractive place for the display of cars as well as for the office force at the garage. The whole interior of the building will be constructed with heavy steel trusswork which will do away with the necessity of using supporting columns in the main portion of the building.

The extension to the main building will contain the repair shop, painting department and storage rooms. This portion of the building will consist of two stories, so that cars may be loaded from the alleyway into the second floor of the building where the painting and storage departments will be located, while the main repair department will be on the lower floor and will be fully equipped in every way to take care of the needs of the auto owners.

The lot has been measured off and work has commenced on the task of making ready for the building, the construction of which will be rushed to rapid conclusion.

This building will be a splendid addition to the city which already boasts two of the finest garage buildings in the state.

Christian Church of This City Tenders Reception and Social in Honor of the Young Men in Service.

From Friday's Daily.

The Christian church of this city during the time of the war with the central powers sent forth many of their sons to battle for their country both on land and sea and many of these young men on bloody battle fields over the sea in France and Belgium participated in the struggles that tried the souls of the hardest. As most of the young men have returned home from service it was decided to give an entertainment for them and accordingly the church grounds were the scene of a most pleasant gathering on Wednesday evening when the young men were entertained at a most delightful social and while a number were unable to be present all who were able to avail themselves of the opportunity had a most delightful time. The evening was spent in games and in the enjoyment of a number of musical selections offered by the young people. At a suitable hour dainty refreshments were served that aided in making the occasion one of great pleasure. The roll of honor of the church has the record of the following who were enlisted and selected for service for the country during the war: Harry Winscott, Wayne Allen, Ralph Allen, Ralph Lair, Kenneth McCarthy, William Reed, Robert Jones, Archie Wampler, Ernest Buttery, Albert Godwin, Herbert Thacker, Leon Stenner, Albert Miller, Cassius Carey, Henry Still, Asa Frakes, Glen Neill, Eugene Vroman, Lyle Mullis, Ralph Foster, Wendell Hartman, George A. Nelson, Oliver Harvey, Perry Neill, Percy A. Warthen, Ernest Stenner, Jesse Tower, John Brooks, Tom Iner, Leland Briggs, Carl Cunningham, Elmer Miller, Joseph Reynolds.

Mr. Gorton is a former resident of Plattsmouth and well known to a large number of the older residents. He has for the past fifteen years made his home at Dunbar where he has been operating a garage. The friends here will learn of his marriage with much interest.

From Saturday's Daily.

Yesterday afternoon Miss Gladys Hall returned to her home in this city after a short time spent at Nebraska City, where she was in attendance at the Otoe county teachers' institute. Miss Hall has accepted a position to teach in the public schools at Syracuse and will assume her new duties at the opening of the fall term in September. Miss Hall is a young lady well fitted for school work as she has made a specialty of the teachers' training course and is one of the ablest teachers in the county. Her friends will be pleased to learn of her success in securing such an important assignment and the schools of Syracuse

IS DOING AN EXCELLENT WORK

From Saturday's Daily. Luther Pickett, who has always been interested in the young men of this city since he has been here, and has endeavored to work for their betterment has succeeded in organizing a class of young men, in a Sunday school class, at the Christian Sunday school. The young men who are associating themselves into a class, will find the counsel and advice of Mr. Pickett the best, and will find him ever ready to do his best for them, sacrificing his own welfare, and comfort for the good of every member of the class.

The membership is made to a considerable extent of the former young men's class, which was maintained at that Sunday school until last winter. They will be of much assistance to their teacher in getting the class into excellent working order.

The boys are a set of loyal young men, and have ever worked for the good of the Sunday school and church. We predict for this class good success, and will be pleased to render what assistance we can to that end.

A Traveling Man's Experience.

You may learn something from the following by M. H. Ireland, a traveling salesman of Louisville, Ky. "In the summer of 1888 I had a severe attack of cholera morbus. I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic and Diarrhoea Remedy and to take no substitute. I took a double dose of it according to the directions and went to sleep. At five o'clock the next morning I was called by my order and took a train for my next stopping place a well man."
