LEGAL NOTICE
 In the County Court of Cass county, Nebraska.
 In the matter of the estate of Paulina Cummings, deceased.
 To all persons interested in said estate, creditors and heirs at law:
 You are hereby notified that Frank R. Cummings, 21st day of August, 1919, filed a petition in this court alleging that Paulina Cummings, late a resident of Cass county, Nebraska, died intestate in said county on or about the 10th day of August, 1919, leaving as her sole and lawful heir her husband, I. N. Cummings, her daughter, Mable Mortenson, and her son, Frank Cummings, all of Nebraska. That said decedent was the owner of Lots 9 and 19 in Block 86 in the City of Plattsmouth, Cass county, Nebraska, and that the petitioner is now the owner of said real estate and prays for the determination of the right of said decedent, Paulina Cummings, and of her heirs at law and degree of kinship, and for the descent to the real property belonging to said decedent in the State of Nebraska. Said matter is set for hearing on the 22nd day of September, 1919, at 10:00 o'clock a. m., at the County Court room in Plattsmouth, Nebraska, at which time and place all persons interested in said estate may appear and contest said petition. Dated this 21st day of August, 1919.
 ALLEN J. BEESON,
 County Judge.

THE FULTON TRUCK

"The Most Economical Motor Truck In The World"

Is Now On Exhibition At The Show Rooms Of The (DEALER'S NAME)

WE have chosen the Fulton Truck with your satisfaction in mind—because after a careful investigation of the entire Truck Market, we are convinced that the Fulton is the **best all-round carrier made.**
 In the first place, we were influenced by the remarkable **Fulton Record.** We found that Fulton Trucks are hauling economically for hundreds of American industries, including Standard Oil Co., Jones & Laughlin Steel Co., Pittsburgh Plate Glass Co., Borden Farm Products Co., Texas Oil Co., etc.
 Then we were impressed by **Fulton Economy.** 12 to 14 miles to the gallon of gasoline looks

big against the 6 or 8 miles made by many trucks!
 Of course such performance is directly due to the amazing degree of **Efficiency in Construction** of the Truck itself. Fulton's are of the right capacity to haul 80% of the world's truck tonnage. The exclusive Fulton Triple-Heated-Gas Motor is actually solving problems that have baffled other makes of Trucks.
 The Fulton Truck is **right**—and we are glad to be able to offer it today, as a real hauling achievement, to our local business-men.

Come in today and let us show you the truck that has made Fulton Owners glad to talk of their experience. Also ask us to tell you about the **Fulton Pay-While-Using Plan**—it means increased profits for your business.
