Shower on Miss Prouty

Mrs. Hubert Strong was hostess last Tuesday evening to a party of ladies of whom Miss Vera Prouty, now Mrs. Clyde Lancaster, was honor guest. A shower of kitchen furnishings was the primary feature of the affair. A large spider-web of golden yellow occupied a prominent place between the living room and dining room. The silken threads of the web terminated in divers places throughout the house and the prospective bride was requested to unwind the web, which she did, finding at the end of each thread a gift suitable for the kitchen of her new home. A "mock wedding" was a part of the evening's entertainment. Miss Ruth Rush played the wedding march. The "minister" carried a large cook book, heading the procession and the bride gorgeously

attired in all the paraphernalia necessary for the occasion, leaning on the arm of the "groom," the "ring bearer," "bridesmaid" and "best man." After taking their positions, the "minister" got busy and peals of laughter greeted the vows to which the bridal pair gave consent in plighting their troth; though the principals remained calm and dignified. After congratulations, a dainty two course luncheon was served.

## CHICAGO IN THE LEAD IN 7TH INNING

SCORE 4 TO 1 WITH SOX ALMOST SURE TO DEFEAT THE REDS TODAY.

## CHANCE TO WIN INCREASING

But They Must Take the Next Two in Order to Annex Pennant—Not an Impossibility.

Chicago is winner of today's ball game over the Cincinnati Reds by a score of 4 to 1.

Smarting under the sting of defeat at the hands of Kerr and the White Sox crew yesterday, Manager Moran for Cincinnati sent "Slim" Salee in to throw for the Reds today, while opposing him was Cicotte, the Michigan whirlwind, twice defeated by the Red batters, but who proved to be more effective than in any of the games he has appeared in this season.

Chicago in the third inning scored three runs off the delivery of Salee, while the work of Cicotte was holding the Reds hitless.

The fourth gave the Sox two additional runs while the Reds scored 1 in the seventh, making the score at the time of going to press 4 to 1 in favor of Chicago, with two innings yet to play.

Should Chicago win today, as it seems highly probable they will, it will be necessary for them also to win the next and last remaining two games in order to carry off the bunting. While highly improbable, such a thing is not impossible.

## FORTIFY THE SYSTEM AGAINST DISEASE

Immunity by Means of Chiropractic Spinal Adjustments

Chiropractic not only wards off disease, but in any case attacks disease at its source. Read these few lines: Health supplants disease whenever the mental impulses have free and unimpeded passage from the brain to the tissue cells, which thus receive the vital energy upon which they solely depend for their harmonious action. This done, disease cannot exist. It is impossible for a disease symptom to be present in the human body with **The Spine in Perfect Alignment**

Chiropractic adjustments bring the Spine into natural alignment and thus open the way for health to supplant disease.
