FILES APPEAL IN GUARDIANSHIP MATTER

CUSTODY OF DOROTHY HIRZ, A MINOR, IS SOUGHT BY GUARDIAN AUNT.

BEEN LIVING WITH SULSERS

For Some Time and Was Recently Given Into Their Care by County Judge Beeson.

From Wednesday's Daily.
An appeal has been filed in the district court in the matter of the guardianship of Dorothy Hirz, minor, by the guardian, Mrs. Nellie Schutz, in which she asks for a reversal of the judgment of the county court.
The case grows out of the custody of the little six-year-old daughter of Henry Hirz, Jr., the father being killed in action in France on October 5, 1918, while serving in the American army. The two little daughters of Mr. Hirz were placed under the guardianship of their aunt, Mrs. Nellie Schutz, and later Dorothy was placed in the care of Mr. and Mrs. Matthew Sulser, with whom she has made her home since the departure of the father for France.

A few weeks ago action was brought in the county court to have the child restored to the care and custody of the guardian and this action was contested by Mr. and Mrs. Sulser, who desired to retain the little girl who had been making her home with them for several months.

The case attracted much attention in the community in which the parties to the suit reside and resulted in the rendition of an opinion by County Judge Allen J. Beeson in which he ordered that the child should remain in the care of Mr. and Mrs. Sulser until further order of the court. It is from this decision that the guardian has filed her appeal. The case will be heard at the coming term of the district court.

STANLEY KUHS SERIOUSLY INJURED

Former Plattsmouth Young Man Falls From Scaffolding While At Work at Los Angeles.

From Wednesday's Daily.
The information was received here yesterday by David Babington from his niece, Mrs. Stanley Kuhns, of Los Angeles, California, announcing the fact that her husband had suffered a very serious accident last week which will lay him up for a great many months. Stanley has been engaged for some time in the work of painting on high buildings and it was while so engaged that he met with an accident. He was engaged in painting from a swinging platform or scaffolding and was kneeling at the time when in some manner he lost his balance and fell a distance of forty-five feet to the sidewalk causing a fracture of both legs as well as the left arm. The injured man was hurried to a hospital and the broken bones set but it will be some time before he is able to be up and around as the fractures are very severe. The many friends of this estimable young man will regret greatly to learn of his misfortune and trust that he may recover from it without any permanent injuries resulting.

SHERIFF C. D. QUINTON LO-CATES GOODS

STOLEN FROM DIERS STORE IN LOUISVILLE AT AN OMAHA SECOND HAND STORE

MAY PROSECUTE PROPRIETOR

In An Effort to Break Up Practice of Pawn Shop Owners Acting as "The Fence."

From Wednesday's Daily.
Sheriff C. D. Quinton was in Omaha yesterday looking after the location of the property of W. F. Diers which was stolen from his store in Louisville a week ago Monday, and as the result of the excellent work of the sheriff, a larger part of the goods taken were located as well as a large amount of stolen property that had been brought from Council Bluffs to Omaha. The "fence" where the property had been disposed of was located at Eleventh and Dodge street, just two blocks from the Omaha police station, and in the joint was found all of the shoes that had been stolen from the Louisville man with the exception of a very few pairs. The proprietor of the place endeavored to dispose of the stuff and get it under cover as when Sheriff Quinton arrived, the owner of the pawn shop had several suit cases packed with the shoes and other articles as if for hurried transportation. The sheriff had secured an intimation from the wounded burglars he took to Omaha yesterday from Louisville as to the manner in which they had disposed of their ill gotten gains and he accordingly began the rounding up of the various second hand clothing stores and pawn shops and on reaching the one at Eleventh and Dodge street he found the desired goods. The owner of the shop on discovering the identity of the sheriff was about the worst scared Jew in Omaha and as the search for the goods was commenced the sweat began to pour out on the Hebrew map of the owner of the establishment as

he saw visions of a long trip out in the state to the quiet little home that is maintained at Lincoln for such characters. It was discovered by the sheriff that the twenty-two pairs of shoes had been purchased for the sum of \$42 from the men who had pulled off the robbery and that they had been leading quite a career. The purchaser of the stolen property had shifted them over to the establishment of a sister-in-law, also conducting a pawn and second hand store and she in turn had passed them on to another brother, who getting cold feet on the proposition shipped them back to the original purchaser and who was caught with the goods on him by the Cass county sheriff. The Omaha detective headquarters asked Sheriff Quinton to have Mr. Diers come to Omaha and identify his property and that they would have the owner of the pawn shop up before the grand jury now in session and try and secure an indictment that would break up the business of the buying and selling of stolen property and reduce the record of crime.

RETURNS FROM THE PHILIPPINES

Edward Bennett of This City Arrives Home After 19 Months of Service in the Far East.

This morning Edward Bennett arrived home from Camp Dodge, Iowa, where he was mustered out of the service of the United States after a period of over two years in the army of his country. Mr. Bennett has put in the last nineteen months in service in the Philippine Islands where he has undergone the long and tedious routine of garrison and guard duty that is perhaps one of the most trying features of the army, and whose dull monot-

ony in the colonies and islands is especially so. It is needless to say that the return of this young man has been the occasion of much pleasure to the members of his family and that he is equally glad to be back in the good old United States.
