CONDITION OF THE LOUISVILLE ROBBERS

ONE MEMBER OF TRIO FACES NECESSITY OF AMPUTATION OF HIS LEFT LEG.

PROVED COSTLY NIGHT'S JOB

In the Way of Physical Disability to Say Nothing of the Sentence They Will Draw.

From Wednesday's Daily.

The two wounded robbers who were captured at Louisville early Tuesday morning and taken to the hospital at Omaha by Sheriff Quinton, are in quite serious condition, and particularly the man giving his name as C. G. Thompson. Thompson was shot in the left ankle and the bones were so badly shattered that in the opinion of the surgeons at the Clarkson hospital it will be necessary to amputate the injured member.

The second of the men, who gave his name as James King and his residence as Lafayette, Indiana, has stated to the sheriff that his real name is Fred Byemer and that his home is in Indiana as he first stated. The condition of this man is not as serious as that of Thompson, but his wound is quite severe and a large amount of the buck shot was extracted from the wound by the surgeons.

Sheriff Quinton has established a guard over the two men in the hospital to see that they are not allowed to get away until their condition will warrant them being arraigned for the crime with which they will be charged.

The third member of the party of robbers, Walter Miller, is still in the jail at Louisville and will be brought to this city either this afternoon or tonight by Sheriff Quinton and lodged in the county jail to await the filing of the information against him.

WHY NOT THE POLICE JUDGE?

From Wednesday's Daily.

At the meeting of the city council on Monday evening the suggestion was offered by Councilman Schulhof that the city should do something for the advancement of the salary of Police Judge M. Archer, who for more than thirty years has presided over the police court of the city and giving the city the benefit of some of the best years of his life. The salary of the judge was fixed some fifteen years ago by an ordinance of the city at \$30 per month and it has continued at that figure since that time, although the salaries of members of the police force and the employes of the street department have been raised several times during the like period. Judge Archer devotes his time to the city and despite the weight of increasing years is on the job each day to look after the demands of the city's business. Surely if there is any official that is deserving of a recognition of the long and faithful service he has given the city it is Judge M. Archer. If the city has the right they certainly should give the venerable judge an advance in the sum he receives for his work.

CELEBRATES HIS 78TH ANNIVERSARY

Pleasant Birthday Surprise Tendered to C. E. Wescott Last Evening at Home of Mr. C. C. Wescott.

From Wednesday's Daily.

As yesterday was the seventy-eighth anniversary of the arrival of C. E. Wescott at Cheshire, Berkshire

county, Massachusetts, when he came to gladden the hearts of his parents, the children of Mr. Wescott decided that the occasion of the natal day of the father should be observed in a fitting and proper manner and he was invited to spend the evening at the home of his son, C. C. Wescott, and on his arrival there found a big surprise birthday dinner arranged for the event. The evening was one of great delight to the members of the family, who have the father and mother with

them for a short visit, and the reunion was one that was thoroughly enjoyable. The dining room and the table were very artistically arranged with decorations of the beautiful chrysanthemums that added a pleasing touch to the scene and made a fitting setting for the pleasant dinner which followed. The dinner party consisted of the members of the family and the hours sped by very enjoyably in visiting and showering the father and grandfather with good wishes for many more such happy events.

The many friends throughout the city will join in extending their well wishes to the old friend and neighbor on the event of his birthday and trust that he may spend many more such anniversaries in this city with the family and friends. C. E. Wescott was born in Cheshire, Berkshire county, Massachusetts, October 14, 1841, and spent his youth in this beautiful and charming portion of New England until moving west, and locating in Indiana, where he resided at La Porte, for a number of years, coming to Plattsmouth in 1879 and engaging in the clothing business in this city for a long period of years until feeling the need for a well earned rest he laid aside the business cares of the active conduct of the store in this city and retired, leaving the two sons C. C. Wescott and E. H. Wescott to carry on the business that had been so successfully established. Since 1911 Mr. and Mrs. Wescott have made their home at Los Angeles, California, where they have enjoyed their declining years in the beauty and charm of the soft southern California country. However each year the father and mother love to journey back to the old home in Nebraska to spend a few weeks in viewing the familiar scenes and getting in touch with the old friends of long ago. That they may have this opportunity for many years is the sincere wish of all those who have the pleasure of knowing Mr. Wescott and his estimable wife.
