WM. A. TAYLOR INJURED BY FALL FROM A BRIDGE

OLD RESIDENT SOUTH OF CITY MEETS WITH SERIOUS ACCIDENT SUNDAY.

HIS CONDITION IS SERIOUS

Due to Weakened Condition and Age of the Patient—Hip Fractured and Body Bruised.

From Tuesday's Daily. William A. Taylor, one of the best known and highly respected residents of the precinct residing south of the city, met with a very serious accident Sunday which, in his weakened condition, makes his recovery a matter of great doubt.

Mr. Taylor has for several months been suffering from attacks of heart trouble and a large part of the time has been confined to his home and when he has been out for exercise has been under the constant care of the members of the family. On Sunday Mr. Taylor was feeling much better and while William Gilmour, one of the old friends and neighbors, was at the Taylor home, he requested Mr. Gilmour to accompany him over the farm to a point where another neighbor, Joe Adams had been doing some work on a small bridge over the creek that adjoins the Taylor and Adams farms. Mr. Adams was engaged in doing some filling on the approaches to the bridge and after looking over the bridge, Mr. Taylor requested Mr. Gilmour to walk on to the house while he would stop and speak to Mr. Adams and would join the family in a few minutes at the house.

Mr. Taylor when finishing his business with Mr. Adams started for the house and crossed the bridge in safety, but on nearing the end discovered a small space near the wings that had not yet been filled up, and not realizing his condition he attempted to jump a short distance and on alighting the loose dirt gave way causing him to fall backward over the wings of the bridge and down the creek bank, a distance of some eight feet, striking a large log that was lying in the creek, from which he suffered a fracture of the right hip.

Owing to the condition of Mr. Taylor at the time of the accident, the result has proven very serious, as in his feeble health the shock of the accident has been such as to make his recovery doubtful and at the present time he is in a serious condition at the home to which he was carried as soon as the accident occurred.

Medical aid was at once summoned from this city, but despite all that skill and the loving aid of the wife and children can do to alleviate his condition, the patient has continued in very serious condition.

DOINGS IN THE COUNTY COURT.

From Tuesday's Daily. In the petition for administrator of the estate of Henry Kaufman, deceased, coming up for hearing before Judge Beeson this morning, the prayer of the petitioner, Mrs. Kaufman, widow, was granted and she named as the administratrix of the estate.

Appointment of William C. Hudson as administrator of the estate of Charles Harrison Hudson, deceased, was also entered by the court. This estate is from near Eagle.

In the Agnes Root estate petition of determination of heirship was filed by Attorney C. A. Rawls to determine the status of the heirs of the estate.

NEED OF LOOKING AFTER THE FLUES

From Tuesday's Daily. The approach of the cold winter weather makes the need of looking over and inspecting the chimneys and flues of the homes of the city a matter of vital importance and one that may save the householder a lot of grief and trouble later as it cuts down the chances of fires that lay waste the home. Chief of the Fire Department Max Price, has been looking over the chimneys in a number of places over the city and finds that in some of the residences more care should be taken in looking after the cleaning out of chimneys and examination to determine the condition as to preventing the danger of fires. A larger part of fires in the residence sections of the city are caused by defective flues and in such cases a little precaution would save much loss and for

this reason the chief of the fire department urges all residents of the city to give their flues and chimneys a thorough going over before fires are started and thereby save future trouble.

Another of the menaces found has been the fact that in the rear of many of the business houses of the city there are piled boxes and rubbish that are at all times a direct invitation to a serious fire and which should be removed at once and cleaned up. The accumulation of this rubbish should not be permitted by the property owners as it is very dangerous and would require but little time to clear up.

PLATTSMOUTH MAN WEDS AT HASTINGS

Daniel B. Cooney Married at Hastings Monday to Miss Salie Kelly of That City.

From Tuesday's Daily. Announcements have been received by the friends of the young couple in this city of the marriage of Mr. Dan B. Cooney, of Plattsmouth, to Miss Sadie Kelly, of Hastings. The wedding occurred yesterday in Hastings at the home of the mother of the bride, Mrs. Nettie Kelly.

Mr. Cooney left some two weeks ago for a visit at the home of his parents at Madrid, but at the time it was surmised that he was not to return to this city alone, but accompanied by Mrs. Cooney, and the announcement of the happy event did not come as a surprise to the friends.

Both Mr. and Mrs. Cooney are well known to a large circle of friends in Plattsmouth who learn with pleasure of their new happiness and extend to the young people their best wishes for years of joy and success. The bride has been making her home in Lincoln for the past few years, but has been a frequent visitor in this city, where she has made many warm friends. Mr. Cooney is well known and very popular in this city, where he has made his home for the past six years and has but a short time since returned to Nebraska from a service of two years in France with the A. E. F. Mr. Cooney was a member of the 6th Nebraska Infantry and during his service overseas was with the 126th machine gun battalion. He has been engaged at the C. A. Rosencrans barber shop for the past several years and is one of the best liked young men in the city, possessing friends by the score.

Mr. and Mrs. Cooney are expecting to make their home in this city in the future and will return here after the enjoyment of their honeymoon.

SHOWS INTERESTING PICTURES.

From Tuesday's Daily. The Omaha Bee of Sunday in the gravure section reproduced some scenes that are of particular interest to the Plattsmouth people in that they show scenes in which some of our townfolk are occupying a prominent part. The showing of the work of the children of the Lake school in Omaha is interesting as it shows the useful occupations of the children in the manual training department of that school in clay modeling and wood carving and it is of especial interest owing to the fact that Miss Crete Briggs of this city is the instructor in the manual training department of the Lake school and largely responsible for the success attained in this branch of the school work.

In the views taken of the ceremonies of the installation of Bishop Shaylor to the Episcopal seat of Omaha, is one showing the inaugural procession of the bishops and priests of the church and in which Father W. S. Leete of St. Luke's church of this city occupies a prominent part. Others in the picture well known to the members of the church here are Bishop Beecher of Kearney, Dean Tancock of Trinity cathedral, Father T. J. Mackey of All Saints church and the newly elected bishop, Rt. Rev. Ernest V. Shaylor.

GIRL NOT BOY.

From Saturday's Daily. In the statement as to the arrival of the new addition to the family of Mr. and Mrs. Carl Neumann as appeared in the Journal last evening it was in error as to the fact of the little one being a son as it is a fine little daughter instead that has come to brighten the home.

MEETING SATURDAY WAS WELL ATTENDED

From Monday's Daily. While not as large in point of numbers as had been hoped for, the meeting at Weeping Water on Saturday of the Roosevelt Memorial association, was very enthusiastic and much interest was displayed by the members present.

The meeting was presided over by James M. Robertson, chairman of the county organization and a very able address was delivered by Nathan Bernstein, of Omaha, who explained the purpose of the organization and the plans of the national and state organizations on the subject of the erection of the memorial to the late President Roosevelt by his friends and fellow Americans.

This week is the week designated for the active work of the campaign to secure voluntary contributions from the American people to the memorial and the different ward and precinct chairmen will see that all those who desire can contribute to the worthy cause.

It is expected that another speaking date will be held at Nehawka on Thursday evening and the committee hopes to have Mr. Bernstein present to address the gathering. The campaign opens today and is to last until Monday, October 27th, the birthday anniversary of the late president.

TWO NEW REO TRUCKS.

From Monday's Daily. J. E. Mason, proprietor of the Plattsmouth Garage, sold two of those fine all purpose trucks, known as the Reo, during the past few days. One was delivered a few days ago to the Warka Bros., south of the city, to be used in their farm work, and the other one was sold to Frank Elliott, of the Collins Oil Co., to be used for his oil line. Mr. Elliott and Mr. Mason went to Omaha last Saturday and returned with the new truck. The Reo truck has been giving excellent satisfaction in whatever line of heavy work it has been placed.

HOLD EIGHTH ANNUAL BANQUET

From Monday's Daily. Saturday evening the members of the Cosmopolitan club held their eighth annual banquet in their rooms in the Holly building and which was largely attended by the members of the organization. The especial feature of the evening was the fact that the members who have been in service were able to meet once more together and although several of those residing out of the city were unable to be at the reunion a very enjoyable time was had by those in attendance. This organization had sixteen of its members in the service during the war, a larger part of whom were in the A. E. F. William Heinrich presided over the feast and a number of responses were made by the members to toasts. The banquet was prepared by William Barclay and was very toothsome and pleasurable to the hungry bunch.

WITH THE SICK IN HOSPITAL.

From Tuesday's Daily. Mrs. L. F. Terryberry who has been for several weeks at the Immanuel hospital in Omaha awaiting an operation but whose condition would not permit undergoing the strain of the operation, was yesterday operated on at that institution.

When the members of the family left the hospital last evening the patient had not fully recovered from the effects of the operation and it was impossible to fully determine her condition although the attending surgeons gave the assurance that it had been very successful.

John Palacek, Sr., was also operated on at the Immanuel hospital yesterday morning for a severe case of gall bladder and at last reports was suffering quite a little from the effects of the operation but it is thought that he will soon be able to rally from the effects of the ordeal and be restored to his former good health.

RETURNS FROM HOSPITAL.

From Monday's Daily. Miss Zora Smith returned home last evening from Omaha where she has been for the past few days having been operated on in that city for the removal of her tonsils. The operation was quite successful and the patient has progressed so nicely that yesterday while Mr. and Mrs. A. B. Smith were at the hospital visiting the daughter, permission was given for her return with them to this city and she will be able to recuperate here at home.

Fritz Fricke was a passenger this afternoon from Omaha to spend a few hours at the wholesale houses.
