ENTERTAIN FOR THEIR FRIENDS

Misses Helen Egenberger and Glenna Dixon Entertained Last Evening at Egenberger Home for Friends

From Wednesday's Daily.
Last evening the home of Mr. and Mrs. L. B. Egenberger on lower Main street was the scene of a very pleasant gathering when their daughter, Miss Helen together with Miss Glenna Dixon entertained a number of their club sisters at a most delightful evening of progressive high-life. The fascinations of this game occupied the greater portion of the evening and over its playing the ladies displayed much skill. The prize for the most successful player was awarded to Miss Elsie Hoberg, and she was presented with a beautiful cut glass dish as a remembrance of the very pleasant occasion. The remainder was devoted to only such a jolly time as these young ladies are accustomed to have at their meetings and for several hours the home rang with merriment. At a suitable hour a very enjoyable two-course luncheon was served that proved an additional pleasurable feature of the occasion. The hostesses were assisted in serving by Mrs. L. B. Egenberger. Those who participated in the event were: Misses Gladys Cadwell, Elsie Hoberg, Opal Fitzgerald, Helen Hunter, Florence White, Murna Morrison, Glenna Dixon, Golda Noble Lydia Todd, Margaret Scotten, Mrs. Louis Egenberger, Jr., Helen Egenberger, Bernese Newell, Florence Potter.

FORMER PLATTSMOUTH

MEN VISIT HERE

Oliver Osborn, Born and Reared in This City Enjoys Visit Amid Old Scenes After Absence of 20 Years

From Wednesday's Daily.
Yesterday afternoon Oliver Osborn, a former Plattsmouth boy, but for the past several years a resident of St. Joseph, Missouri, arrived in the city for a short stay and to renew the acquaintance of his old friends whom he has not seen for the past twenty years or since his removal from this city in 1900. Mr. Osborn is a son of Sol Osborn, a well known contractor of this city during the nineties and who is remembered by the older residents of the city, and Mr. Osborn reports his father as having been engaged in farming near Hobart, Oklahoma, for a number of years and having been quite successful and who will retire in a short time to make his home in Oklahoma City. The many changes that have occurred here in the last two decades made the city seem unfamiliar to the returning native son and the array of strange faces made it hard for him to pick out the once familiar faces of the

WIZARD
Carpet
Clean

The disagreeable part of sweeping is the dust which is stirred up. Wizard Carpet Clean prevents the dust from rising, and makes the carpets cleaner and brighter than ordinary sweeping. It is absolutely guaranteed not to injure the finest carpet or rug. Contains no salt or sand. Wizard Carpet Clean in 15c and 25c cartons.

H. M. SOENNICHSEN

old friends and neighbors. A large number of the business houses and firms have changed since his removal from the city. Mr. Osborn has been engaged in school work as a teacher of manual training in the St. Joseph schools but the lure of the dollar has led him into commercial lines and he is now representing the Hilliard Chemical Co., of St. Joseph. From here Mr. Osborn will go to Louisville and Springfield enroute to Omaha where he has some business plans to look after.

FUNNY FILM BEING TAKEN HERE TODAY

Representative of Tinsley Film Co., of Corning, Iowa, Here Today to Photograph Comedy.

From Wednesday's Daily.
This afternoon the residents of the southern portion of the city might well have imagined that they were in the movie world in southern California, as the representative of the Tinsley Film Co., of Corning, Iowa, dashed over the city staging the different scenes in his comedy, "Two Troublesome Tramps" in which local parties were the principals and the scenes were gathered over the different portions of the city.

Ben Windham, Charles and George Dovey were the main actors selected and gave a combination of Charley Chaplin, Bill Hart and Doug Fairbanks in their realistic reproduction of the role of the tramps.

Alighting from a box car in the Burlington yards was the opening scene of the film and from then on there was something doing every minute from the time they attempted to solicit a handout at the James Sage home and were greeted by a savage dog, until they experienced all the joys of an encounter with snakes (and the state dry since 1917). An automobile wreck and everything that might make the life of the tramp one of action and terror occur before the end of the film was reached.

TO HOLD MEETING AT NEHAWKA

From Wednesday's Daily.
Tomorrow evening Dr. Nathan Bernstein of Omaha will speak at Nehawka in the interests of the Roosevelt memorial campaign. Dr. Bernstein spoke at Weeping Water last Thursday and his address was one that made a deep impression upon his hearers and it was by the request of the Cass county committee that he was secured for the Nehawka meeting. The campaign to secure funds is on this week and will continue until next Monday when it closes on the birthday of Colonel Roosevelt. Dr. Bernstein will arrive in this city over the Burlington tomorrow evening at 4:30 and will be taken by auto to Nehawka for the evening speaking date. The speaker will explain carefully and fully the plans of the national committee of the organization which is composed of the leading men and women of the nation regardless of politics and creed, all united in the common movement to erect a memorial from the people of the nation to their fallen leader.

BEWARE!

Health commissioners announce that we will have influenza with us this winter, unless the public exercises utmost precaution in the practice of preventive measures. The avoidance of a repetition of this epidemic is a matter of extreme importance, because everybody knows how heavy its toll of human lives was last year. Eat regularly, stick to plain nourishing food, walk rather than ride in crowded cars, and take Triner's American Elixir of Bitter Wine which will keep your bowels open and raise the resistance of your body. Rheumatism of muscles and joints and neuralgia are autumnal pains. Therefore this is the time to get Triner's Liment which gives a safe relief. For colds and coughs Triner's Cough Sedative is the best. Your druggist has all these Triner's remedies in stock for you. Joseph Triner Company, 1323-43 So. Ashland Ave., Chicago, Ill.

ST. MARY'S GUILD HOLDS MEETING

Ladies Gather at the Home of Mrs. C. L. Martin on Washington Ave. For a Very Pleasant Afternoon.

From Wednesday's Daily.
St. Mary's Guild of St. Luke's church held their regular meeting yesterday afternoon and were entertained in a most charming manner at the home of Mrs. Chas. L. Martin on Washington avenue. The early hours of the afternoon were devoted to their business session, at which time the ladies made various plans for their Christmas Shop and discussed various business matters. The ladies then very busily stitched on pretty things for the Christmas sale and indulged in other amusements which made the afternoon's entertainment most enjoyable to the large number in attendance. At the proper time, a lovely and dainty luncheon was provided, which was likewise thoroughly enjoyed. About 5:30 the ladies dispersed, declaring the hostess and daughters to be most excellent entertainers. The hostess was assisted in serving and entertaining by Mrs. Ed Egenberger and Miss Frances Martin.

CASS COUNTY MAN PASSES AWAY

From Wednesday's Daily.
This afternoon at Weeping Water occurred the funeral of Milton Stoner, a former resident of Cass county, and a son of Mr. and Mrs. George H. Stoner of Weeping Water. Mr. Stoner died at McCook, Nebraska, Monday at the age of forty-two years and has for the greater part of his life time been engaged in railroad work throughout this state

being connected with the Burlington. Mr. Stoner was unmarried and leaves to mourn his loss besides the parents, four brothers and two sisters: L. B. Stoner of San Antonio, Texas; Lee Stoner of Buffalo, New York; Ernest Stoner of Omaha. William M. Stoner of University Place; Mrs. Lena Stamm of Omaha and Mrs. Emma Hunter of Stockton, Kansas.

LECTURING BEFORE WOMAN'S CLUBS

From Wednesday's Daily.
Miss Ethel Hughes, who spent several of the most trying months of the war in France as a member of the nursing force of the American field hospital units, has been induced by her friends throughout the state to appear before the different woman's clubs of the state and tell a little of the life of an army nurse in war times. Miss Hughes has had many thrilling experiences during her service on the field with the hospitals including several narrow escapes from the night air raids of the Huns on the hospitals as well as many days and nights of strenuous labor in caring for the wounded and suffering soldiers of the allied armies as well as those of the enemy. The lectures of Miss Hughes will be filled with much interest and furnish to the ladies of the state an opportunity of hearing of a most important part of the war work of the nation. Miss Hughes is a sister of Mrs. H. G. McCluskey of this city and has made her home here a portion of the time prior to her entry into the war work.

Consistent advertising is the kind that reaches the public every day in the year. The off-again, on-again Pinnigan kind usually doesn't get very far.

STILL REMAINS WITH THE ARMY

Buehler Metcalfe, Formerly Captain of Machine Gun Company of the 6th Neb. Inf. in Washington.

From Wednesday's Daily.
The many friends in this portion of the state of Captain Buehler Metcalfe, the well known newspaper correspondent and for a number of years associated with the World-Herald of Omaha, will be interested to know that the captain is now stationed at Washington, where he has been on special duty with the general staff. During the border troubles and the time of the Pershing expedition in 1916 Mr. Metcalfe was stationed with the Nebraska troops at Lila Grande, Texas, as a special correspondent and remained there for a long period, returning to Nebraska in the fall of 1916 when he was assigned as the press representative in the campaign of Keith Neville for governor of the state. At the outbreak of the war with the Central Powers in April 1917, Mr. Metcalfe was commissioned by Governor Neville as a captain in the 6th Nebraska infantry and was assigned to the machine gun company of that organization, in which a large number of Plattsmouth and Cass county men were enlisted, and accompanied this organization to Camp Cody, New Mexico, but after a month there was relieved from his command and assigned as a special liaison officer for the 34th division in which he served during the early part of 1918 and on the ordering of the division to France he was assigned to Camp Dix, New Jersey, to an infantry unit and remained there until ordered to Washington in the fall of

1918 to take up special duty, being attached to the personnel of the general staff. Captain Metcalfe is soon to be given the rank of major, and despite the fact that he has tendered his resignation several times is still held in service at the war office.

REJOICING AT THE C. A. ROSENCRANS HOME

From Wednesday's Daily.
The date of October 21, 1919, is sure going to be a red letter day in the history of C. A. Rosencrans as on this notable occasion he was given one of the proudest of titles—that of father—and it is a safe bet that there is no title in the world that sounded half as lofty as that which the little son and heir conferred yesterday afternoon on Clate. The added fact that the little one is a boy, William Ellsworth Rosencrans II, is also contributing to the joy of the happy parents. Both the mother and little one are doing nicely and—well, time alone can effect a cure for the proud and happy father. The occasion has also brought much joy to the new grandparents, Mr. and Mrs. W. E. Rosencrans and Mr. and Mrs. John Wunderlich of Nehawka.

VISITING IN THE CITY.

G. A. Pfeiffer of New York City, arrived in the city yesterday afternoon and will enjoy a short visit in this city at the home of his aunt, Mrs. Paul Gering and family. Mr. Pfeiffer is one of the prominent business men of the east and is president of the Richard Hudnut Company, one of the largest dealers in and manufacturers of perfumes and toilet preparations in the United States.

SCHMADER WINS A BOUT DOWN EAST

Louisville Boy Knocks Out Opponent in Two Fast Rounds—Philadelphia Paper's Acct.

From Wednesday's Daily
Within a couple of weeks after he had arrived in the east to begin a course of training, Andy Schmader, the Louisville boxer, and who it will be recalled engaged in a six round exhibition match here homecoming day with Billy Uvick, of Omaha, staged a bout at Philadelphia with Joe Allison, of Wilmington, Delaware, winning hands down in the second round. Both the Philadelphia Ledger and Record contained an account of the fight, and from the latter paper, we take the following:

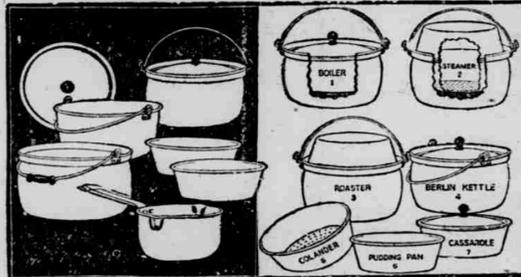

"The most sensational bout of the night was won by Andy Schmader, former heavyweight champion of the United States navy, who knocked out Joe Allison in two rounds of savage fighting. The first round was about even, Allison, who has been beating all his opponents recently, is a game and aggressive fighter and he forced the fighting all through the round. "In the second round Schmader started to work and, with stiff jabs to the face, he soon had Allison bleeding, and one of his eyes in bad shape. Then he drove his right to the jaw, and Joe went down in a heap. Eight was counted over him but he gamely staggered to his feet. Schmader hit him a few light punches and then stepping in, put one on his jaw, and Allison went to the mat. He had to be carried to the corner, and it was some minutes before he recovered."

DO YOU NEED CORN HUSKERS?

Man and wife desire position as corn huskers. Camping quarters needed. Board ourselves. L. C. Wright, Plattsmouth, Nebr. 13-4w2d

A Fine Set Aluminum Ware FREE!

IF YOU BUY A COPPER-CLAD RANGE NEXT WEEK!

"FREE" means that this ware does not cost Copper-Clad buyers a penny. It is a reward for buying while the Crank is here and is offered by him to justify you in attending this sale.

This ware is very substantial and just the kind you would select if buying for your own use. The 7-in-1 convertible cooker takes the place of seven different vessels, as shown by figures 1, 2, 3, 4, 5, 6 and 7. You can use this utensil in some form every day.

Free Next Week to Every Copper-Clad Buyer! Come—See the Asbestos Sweat!

COPPER-CLAD WEEK

NEXT WEEK - OCTOBER 27th TO NOVEMBER 1st

No matter whether you want a range now or next year or any other time, it will pay you to come and see the Copper-Clad Crank make the Asbestos Sweat.

He takes any piece of asbestos, puts it between two iron plates—heats it—and shows

you the sweat. You can roll it up in drops with your finger.

Every good range must be lined with asbestos to cage and hold the heat. Every time the range cools off the asbestos takes moisture out of the fresh air circulating through the range like a blotter takes up water. When you fire up, this moisture, driven by the heat to the outside against the cold range body starts Sweats Rust on the inside where you can't get at it even though you know it rusts. Sweat Rust ruins thousands and thousands of otherwise good ranges ever year. When the body is gone, the range is done for.

The Copper-Clad Idea is "A Sheet of Pure Copper Between the Asbestos and Range Body."

Copper never rusts. It may tarnish but it will last for centuries. There are Copper Domes that have been defying the elements for hundreds of years. So, when we say a "Copper-Clad can't rust out," we mean that the copper lining overcomes all internal rust. Your greasy rag will keep the outside free of rust—and there are no fussy ornaments full of rivets and bolts to skin your hands on. The Copper-Clad wipes clean like a dish.

If these things are so—you should know it. Not by hearsay—but by the evidence of your own eyes. Remember, this Copper-Clad Crank is here to tell to show—to explain. He delights in it. You won't "bother" him by asking questions. He has oodles of time to answer and he is here to "Show You."

THE RANGE BEAUTIFUL!

The strikingly beautiful outlines of the Copper-Clad Range stops every woman. As she looks and admires, she finds that it is true beauty—the beauty of simple elegance and perfect proportions—of fine finish—the thoroughbred of the range world.

Look for hinges on the above—two only on the oven door and they are long and smooth. There are six other doors, yet not a hinge in sight, not a catch, nor hook, nor latch. Built like a fine automobile, the hinges are all inside.
