LADIES AID SOCIETY IS ENTERTAINED

Mrs. John Cory Hostess to Ladies of
Church Organization Yesterday Afternoon.

From Friday's Daily.
Yesterday afternoon the ladies of the Methodist Aid society enjoyed a very pleasant meeting at the Perkins house on lower Main street as the guests of Mrs. John Cory. The ladies spent the time very pleasantly in the discussion of the work of the organization and in the playing of the busy needle until a suitable hour when very delicious and dainty refreshments were served to the members of the party, the hostess

being assisted in serving by her daughters, Mrs. N. P. Schultz, Mrs. Bert Coleman and Miss Garnet Cory, and this feature of the afternoon was one that was thoroughly enjoyable to the members of the party.

The hour for the departure came all too soon and it was with regret that the ladies wended their way homeward feeling that it had been a most delightful occasion and unanimous in the wish they might have further opportunity of enjoying the hospitality of Mrs. Cory in the future.

FOR SALE.

Chester White boars for sale. Prices reasonable and full pedigree furnished free. Satisfaction guaranteed or money refunded. Call or write your wants. C. Bengen, Mynard, Neb.

Rebuilt Overcoats

Why pay \$75.00 to \$100.00 for a new overcoat when I can rebuild your old one for a fraction of the price of a new one. After having it repaired, cleaned and pressed you've got practically a new coat at a nominal price. I am dyeing a great many army overcoats in navy blue, dark brown and black. They dye nicely. Look over your winter clothes now and have them put in shape to wear.

General Invitation

THE BRIDGE BOND PROPOSITION IS UP

COMMISSIONERS PLACE MATTER
BEFORE THE VOTERS
FOR DECISION.

AT THE ELECTION NOVEMBER 4

It's Up to Citizens Whether or Not
They Desire to Permit Making
of Needed Improvements

From Friday's Daily.

The board of county commissioners have by a unanimous vote decided to submit to the voters and taxpayers of the county at the election one week from Tuesday the question of whether they may be authorized to issue bonds in the sum of \$100,000 for the purpose of caring for the needs of the county in bridge work and which necessity cannot be cared for under the present amount secured for bridge work.

As can be seen from the statement made by the commissioners to the people of the county the cost of replacing the bridges that are rapidly becoming in need of repairs or replacement by new structures, is constantly growing and faster than the funds at the disposal of the commissioners will allow them to replace, and this is the main reason of the request made by the board. These bridges were built, many of them, years before the present board came into office and have in the progress of time become in such shape that they are in need of being replaced for the safety and benefit of the people all over the county who are forced to travel over them almost every day. Without the needed funds it will be impossible to carry on the work only in a very limited extent and a large number of bridges must of necessity be left in their poor condition until the board can be in a position to handle them and in a number of cases this will work much hardship on the people of the county districts, but it is the only manner in which the commissioners can proceed unless they receive the needed authority to go on and issue the bonds as requested.

The county is in as good or better condition than any of the counties of the state with no indebtedness and with a large and prosperous citizenship that certainly would be pleased to see their bridges the best of any in the state and so they would be safe for travel at all times.

The matter is up to the voters and from now until November 4th they should weigh the matter carefully and decide whether or not they will give the board the chance to get the bridge situation cleared up in Cass county.

COULDN'T GET ALONG WITHOUT AN AUTO

Corporal Maldon Brown Has Again
Become Owner of Ford Coupe
—Second This Summer.

From Friday's Daily.
When he sold his new Ford coupe last spring, Corporal Maldon Brown, U. S. A., retired, had visions of becoming a freeholder in the sandswamp western homestead country, where he might apply his term of army service in lieu of residence thereon, and be enabled to prove up in short time. But a trip to the west soon convinced "Brownie" that the prospects weren't over-alluring and so he returned to resume his position here. —Fordless. Bravely has he withstood the inconvenience through the summer, but yesterday, when a new coupe was received at the Pollock garage which is a perfect mate for his former one, he could "hold out" no longer. And now, if it will just clear up and let the roads get good again, "Brownie" will be happy once more.

TO RESIDE IN PLATTSMOUTH.

From Thursday's Daily.
Roy Cavender of New Market, Iowa, has just completed the deal for the purchase of the J. H. Carter property in this city and expects to move here in a very short time with his family to make their home in Plattsmouth in the future. Mr. Cavender is an uncle of C. M. Cavender, operator at the Burlington station, and will be employed by the Burlington in the shops in this city.

The merchant who doesn't advertise only when business is good will eventually quit it entirely.

COULDN'T RIDE ON THE STREET CARS

Was Almost Nervous Wreck—Says
Tanlac Is Worth Its
Weight In Gold.

"I would not take one thousand dollars for the good Tanlac has done me," said Arthur Baars, employed by the Milwaukee Paper Box Co., and residing at 1207 Eighteenth St., Milwaukee, in telling the Tanlac representative of his improvement since taking the medicine.

"Yes, sir, this medicine has put me in shape so I can do more work than I've been able to do before in years, and you can just tell the people I think it is worth its weight in gold," continued Mr. Baars, as he went on with his statement.

"My trouble started three years ago when I had a collapse caused by over-heat. I was down in bed three months from this spell, and it left me in an awful fix; in fact I became almost a nervous wreck. I couldn't work regularly—was up one day and down the next. Actually, I was so nervous I couldn't ride on the street cars, and being in a crowd or amongst a little excitement would completely upset me, and I would shake like a leaf and it would take several days to get over it. I had such terrific headaches at times my head felt like iron bands were tied around it. Some nights I would have to sit up in bed and get my wife to bathe my head to get a little relief, and many times I couldn't get to sleep until four or five o'clock in the morning on account of these headaches and nervous spells. This is just the shape I was in when one of the men at the shop suggested to me that I take Tanlac, and I agreed to do it, but I had little faith in it or any other medicine.

"By the time the first bottle was gone the headaches had disappeared, and my nerves began to get steady. To make a long story short, this Tanlac made me feel like a different man, and now I haven't a sign of nervousness or the other troubles that had been putting me down for the past three years. I sleep fine, get up of mornings feeling refreshed and rested and ready for my day's work. I eat three hearty meals every day—something I couldn't do before—and what I eat agrees with me, and I am gaining in strength and weight every day. This Tanlac certainly beats anything I ever saw in my life."

Tanlac proved of great benefit to Mr. Baars because it contains certain medicinal properties which enrich the blood and promote a healthy appetite for nourishing food. Tanlac has been very successful in overcoming nervousness and sleeplessness, not from a quieting effect on the nerves, for it has no such effect, but by strengthening the nerves and body and bringing the normal state of health through its effect on the appetite and nutrition of the body.

Tanlac is sold in Plattsmouth by F. G. Fricke & Co., in Alvo by Alvo Drug Co., in Avoca by O. E. Copes, in South Bend by E. Sturzenegger, in Greenwood by E. F. Smith, in Weeping Water by Meier Drug Co., in Elmwood by L. A. Tyson, in Murdock by H. V. McDonald, in Louisville by Blake's Pharmacy, in Eagle by F. W. Bloemenkamp, in Union by E. W. Keedy, in Nehawka by D. D. Adams and in Murray by Meier Drug Co.

TO REMOVE TO STATE OF FLORIDA

Prominent Aurora Legislator to Emigrate to Land of Sunshine for
Benefit of Wife's Health

From Friday's Daily.
The many friends throughout the county of former Congressman William L. Stark, of Aurora, and one of the leading democratic forces of the state will regret very much to learn that he is soon to leave with Mrs. Stark for the state of Florida, where they will make their home in the future. Mr. Stark has made his home in Nebraska for the past forty-two years and was for eight years the representative in congress from the Fourth district and during his services there won much distinction by the able manner in which he fulfilled the duties of his position.

The change in residence is made necessary by the condition of the health of Mrs. Stark and it is with regret that the friends both in their home city and throughout the state part with the distinguished jurist and his estimable wife. The state of Florida will find that they have secured one of the best residents they have ever had in Judge W. L. Stark, and the Nebraska friends are wishing him the success he so well deserves in his new home.

MOVE INTO THEIR NEW HOME HERE

William F. Gillispie and Wife Located
in New Residence Which
is Now Completed.

From Friday's Daily.

The city has gained two new residents in the person of William F. Gillispie and wife, who have moved in from their home at Mynard and will occupy their new home on North Seventh street, which has just been completed and made ready for their occupancy. The new home is strictly modern in every way and is one of the most cozy and comfortable in the city and one that will be greatly enjoyed by our friends.

The work on the new home was done by A. B. Smith and his force of expert mechanics and nothing was omitted to make it the last word in comfort and neatness.

CONFER ROYAL ARCH DEGREES.

From Friday's Daily.

Last night at the Masonic lodge rooms, the Royal Arch degree was conferred upon a class of candidates composed of Roy W. Knorr, Guy W. Morgan and Fred P. Busch. A fairly large attendance of the companions was present to assist in or witness the conferring of the degree and following the lodge work a luncheon was served in the banquet room, followed by smokes and a short program of toasts that included reminiscences of early Masonic life in Plattsmouth by some of the older members of the lodge. It was a late hour before adjournment was finally taken.

ENJOYS PLEASANT AFTERNOON.

From Friday's Daily.

The ladies aid society of the St. Paul's Evangelical church was very pleasantly entertained yesterday afternoon at the hospitable home of Mrs. William Hassler on North 5th street, and a very large number of the ladies were present to enjoy the occasion. The afternoon was spent in the plying of the busy needle as the ladies prepared dainty articles of needlework. The handsome comforter prepared by the ladies of the church was also raffled off at the meeting and the fortunate one holding the winning number proved to be Mrs. Frank J. Morgan. At a suitable hour dainty cake and delicious coffee was served to the ladies, Mrs. Hassler being assisted by her daughter, Miss Anna both in the entertaining and serving. The afternoon as a whole was very enjoyable and the ladies delighted with the gracious hospitality afforded them by their hostess.
