#### NO RAILROAD STRIKES.

Simultaneously with the passage by the national house of representatives of a bill to prevent policemen's water flowing hidden under- strikes in the District of Columbia. ground, secretly making the -the senate railroad committee which is framing a permanent raflroad plan adopted a provision penalizing strikes on the transportation lines.

> The two measures, in a way, hang together. Both are intended for the protection of the general public against intolerable interference with its welfare and safety by a group of men employed in a public capacity.

In justice to organized labor, which regards such a measure as a rights, it is necessary of course to provide the means whereby its grievances may be considered and all legitimate demands met. The railroad bill will contain provisions intended to accomplish this. If they are not sufficient, they can be amended. The men must be treated fairly. But there should be no compromise on the no-strike principle.

being subjected to unprecedented federal control. The bill as i stands today provides for more drastic regulation than ever, at th hands of the interstate commerce ommission and federal transportaion board, and for the arbitrary imitation of profits and the turning of excess profits over to the trans portation board for a "national con-

tingent fund." The employes and owners are 'brothers in misery," so far as fed eral dictation is concerned. The new plan, however, is intended for the benefit of both, as well as the outside public, and should work out so in the long run

#### "FREEDOM."

When a lawless mob invaded the streets of New York the other day among the banners it displayed was one that read: "Deport us to Russia; there we shall be free."

Russia is a vivid example of the

kind of freedom the red radicals have in mind. They will never get longer be America. And those who like the kind of freedom that bolshevist Russia enjoys should by all means be sent there as speedily as world for his crime against human- possible-not to oblige fhem, but to Well it makes little difference clean America of the vermin that

Freedom as Russia exemplifies it is this kind of freedom: Freedom to destroy; freedom to burn and lay waste; freedom to kill; freedom to rob and plunder at will; freedom to yrannize over everybody who has \$2 and a white collar; freedom to try to live without work; freedom to experiment in maintaining society without production of the necessaries of life; freedom of the mob to rule, and of the middle class to submit to mob rule; freedom of crime that means paralysis of law, order, peace and security of life or

Russia has that freedom. There ere men in America who want to import that freedom and set it going here. All but one in a thousand of these men are aliens—alien in birth, alien in tongue, alien in thought. alien in purpose. They do not be-

long here. They do no good here. So far as their efforts succeed, they can do only unimaginable evil.

Though they are small in numbers, Mrs. A. B. Cowan his wife, first and if they are left unchecked they can do great harm. It takes only one do great harm. It takes only one man to throw a bomb. One man can deceased; the unknown heirs, devisees legatees, personal representatives and apply a torch that will destroy mil- all other persons interested in the estate of Mrs. A. B. Cowan, deceased lions of dollars' worth of property. One man can spread much poisoned thought, and unsettle the minds of devisees, legatees, personal representa-tives, and all other persons interested in the estate of Mrs. A. B. Cowen, de-ceased; Anthony B. Cowen and Mrs. Anthony B. Cowen, his wife, first and real name unknown; the unknown

If America is free to protect itself, there is but one thing to do. That is to deport promptly every heirs, devisees, legatees, personal representatives and all other persons interested in the estate of Anthony B Cowen, deceased; the unknown heirs That is to deport promptly every and destruction.

America needs a housecleaning, It needs to rid itself of every such agent of criminal revolution. The government is not moving anywhere near fast enough in this most necessary enterprise.-Duluth Herald.

#### THE HONEST AMERICAN.

That the industrial classes of tate of Charles H. Woolcott, deceased America are remarkable for their honesty and faith is the testimony The public character of railroad of Arthur J. Marris, founder of the men is not quite so evident as that Morris plan banks. These banks of policemen, but still clear enough lend money on character, earning to rally the general public in sup- power and ability. The borrower is port of this policy. Railroad em- made to repay his loan by saving a ployees, by walking out and tying regular sum weekly or monthly unup transportation, can do nearly as til the loan is repaid. These banks much harm as a police force which serve the great mass of the people leaves a city without protection who need financial credit just as the against violence and crime. Neither banks which loan only on the oldfashioned type of collateral serve the well-to-do.

terested in the estate of Mrs. Hiram Markwell, deceased; William T. Bryan and Mrs. William T. Bryan, his wife first and real name unknown; the un-

At the annual convention of the dangerous infringement of its directors and trustees of these banks, the statement was made that \$125,000,000 has been loaned in 104 cities of the country with a loss of less than \$1 per \$1,000.

It is a cheering thought, in these days when we are being told on every hand that we are all money-mad and totally unbalanced in our demand for luxuries, to realize that, take us on the whole, we pay our It is worthy of note, too, that debts. We may demand that the railroad capital as well as labor is piper play for our dancing, if danc-
