Delightful Romance Promised Things which read like fairy tales often occur among us and we know it not. Just now the town of Union is on the verge of a very pleasing romance—but we are not allowed to mention any names until after the event shall have culminated in reality. Just wait, and you will be very pleasantly surprised.

Removed to Omaha Hospital Mrs. J. L. Morey, the lady who was injured in the accident several weeks ago, when the car in which she and her husband were riding, ran off the end of a culvert south of town, has been taken to the St. Joseph hospital in Omaha, where she is receiving treatment and it is hoped that she will recover more speedily there than she seemed to be doing here. Although she had the best of medical attention, the other facilities here for her care were not what was desired.

Will Give a Box Social At the Factoryville school, which is being taught this year by Miss Gay Leon, there will be given on Friday evening of this week a Halloween box social, to which all are invited. This will be a very enjoyable affair and it is expected that the young men and perhaps some of the older ones will have to pay pretty fair prices for the privilege of eating the dainties which their loved ones have prepared.

Entertained Sunday School Class Miss Fannie McCarroll, who has charge of imparting instruction to the members of the Concordia class of the Methodist Sunday school, gave them an evening's entertainment in a vacant building near the church last Saturday night, that partook of the nature of a Halloween function, and which followed out the ideas of the fall festival. Needless to say, they all had an excellent time, and were loud in declaring their teacher one of the best entertainers they had yet met. The party was held on such an early date due to the fact that several other Halloween functions were billed for the current week.

Japan Bazaar Thanksgiving The Japan bazaar, which the ladies of the Baptist church have arranged to hold on Thanksgiving day, will be in conjunction with the annual dinner which the ladies of

the church have prepared every year for a number of years. The combination of the dinner and the bazaar should interest many people in their endeavor, and it is looked forward to as a very interesting coming event, and will prove all that is expected of it. Remember there will be many interesting booths at the bazaar, so come and enjoy the occasion.

Making Rapid Recovery DeWitt Surface, who was injured a short time ago while digging a cistern on the farm of Carter Albin, has so far recovered that he is able to get around again without assistance other than that afforded by his trusty cane. It will be remembered by Journal readers that his leg was broken by the caving of the dirt on him, and he was placed under the care of Dr. Brendel, who set the leg. Pretty rapid recovery, we would say.

Married At Plattsmouth. Reports have come to us of the wedding of David Stewart and Mrs. David Pickering of near Union at Plattsmouth last Friday. The cigars and candy for those who do not smoke, were in evidence following the happy event. The bride and groom are well known to the citizens of this place and need no introduction. They are both very fine people and will continue to make their home in the Union neighborhood. The Journal joins with their many friends here in wishing them a long, happy and useful life.

Has Home Nearly Completed Fred Lindsay, living just west of Union, has his home nearly completed at this time, and when it shall have been finished, it will make an excellent place of abode for him and his good wife, Daniel Lynn and Herman Heike were the carpenters who put the structure up. He is now prepared to give attention to the public's battery needs, other than recharging work.

## CASS COUNTY HOG BRINGS \$5,000.00

High Price Paid R. C. Pollard by a Breeder at North Bend for One of His Choice Boars.

R. C. Pollard, who is a breeder of fine Hampshire hogs, has just recently sold to Fred J. Herman, of North Bend, one of his fine Hampshire boars, which was bred and raised in his yards near Nehawka, and which is a product of Cass county, being the highest priced boar ever sold in this county. The animal brought Mr. Pollard a cool \$5,000.00, and is one of the finest ever seen in this section of the country.

The sale places Mr. Pollard and the city of Nehawka in the front rank of "Who's Who in Hogdom" and gives him the prestige of being a breeder of note. We congratulate our neighboring town and her citizens that they are successful in the endeavor to raise the finest hogs and shall be glad to take note of future sales of pure bred animals from Mr. Pollard's pens.

## NOTES FROM THE PUBLIC SCHOOLS

Examinations are the Order of the Day—Year's Work Progressing Nicely Now.

FRESHMAN NEWS. George Rieck, our former president has handed in his resignation, due to the fact of over work and Lavon Frans has been elected to fulfill that office.

SOPHOMORE NEWS. Hallowe'en is almost here and it looks as if the sophomores might have to stir up a little amusement for themselves.

We are going to have an examination on rhetoric Friday and we will take up the study of "The Little Minister" Monday.

We are all looking forward to next week with a great deal of pleasure—Exams!!! Harold Frans was absent from school Monday afternoon.

JUNIOR NEWS. We have had our class organized and officers elected for some time, but have not put it in the notes. The officers are: President, Alice Todd; Vice President, Raymond Fahlander; Secretary and Treasurer, Matthew Shoemaker.

Class colors—Yellow and white. Class flower—White rose. Motto—"Character is the diamond that scratches every other stone."

Class sponsor—Mr. Ward. Today each of the Juniors received the earliest little invitation from the Freshmen. They read as follows: "Come to Sunny Slope Farm, Wednesday Evening, Oct. 29, 1919, at 7:30 P. M." We don't know just what is in store for us but we bet on having a good time. We are sure think the Freshies are a good bunch, and may the Sophomores don't think so.

Exams are coming next week and the giggling Junior girls are very sober as department grade has to be 95 per cent. On judgment day we bet we will win and had followed the pious (?) Seniors example.

SENIOR NEWS. The Seniors have received their class pins, and are well pleased with them.

The Senior class this year is the largest in the history of our high school. There being six girls and six boys.

We observed the sixty-first anniversary of Colonel Theodore Roosevelt in our history class Monday morning, by writing themes of his life.

The Seniors are having their share of exams in history. We are expected to take two this week.

Since this is hallowe'en week, several parties are being planned by the different classes.

Camp Fire Girls Celebrate The Camp Fire girls of Union, of which there is a good lively bunch, have arranged to hold a Halloween party. They will surely have a big time, as they have the fun in them, and their chaperone will not deprive them of any opportunity for fully enjoying the occasion.

Epworth League to Meet Friday The Epworth League, young peoples' society of the Methodist Episcopal church, will hold a meeting on Friday evening at the home of one of their members, Miss Mary Becker, and which will be of a Halloween character. There are a jolly lot of young people in the League and they will have a joyous time, so all who have opportunity to attend had better do so and not miss out on the excellent entertainment.

## Give the world the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling, "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squints at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shove-off", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

## VOTE TUESDAY

—and vote for the best man to represent you in the convention that will draft a new constitution for Nebraska.

Make mental appraisal of the candidates; consider their records and the principles they are known to stand for. Which would you trust to handle your business for you?

### Compare Nebraska With Any Other State of the Union!

We are proud of her virile citizenship and her robust young strength in the sisterhood of states.

Nebraska stands pre-eminent in general education, in public health, and is "our home state." Despite the outcry about the high cost of living, business is good, no man need be out of work and there has never been a time when there was so little apparent poverty.

Nebraska may well be proud of her war record, in point of men and money.

Nebraska owes not a penny of bonded debt and the per capita public debt is nine cents—less than that of any other state in the union.

Nebraska's progress and prosperity are protests against any revolutionary interference with the governmental processes that have made this state great.

Nebraska's new constitution should be so written as to safeguard the future against the unholy doctrine of self-seeking agitators. Forward looking citizens will take pause before plunging the state into an orgy of economic experiments that are bound to bring embarrassment, shame, repudiation or ruin.

Nebraska's patriotic electors are charged with the responsibility of stamping out class prejudices and hatreds and resultant CLASS LEGISLATION.

Nebraska's credit as a state is entrusted to the ballots of an intelligent citizenship next Tuesday, November 4.

Vote for the best man for Delegate to the Constitutional Convention. Get your neighbor to vote.
