CHAUTAUQUA FOR NEXT YEAR IS SECURED

COMMERCIAL CLUB CLOSING CONTRACT WITH THE MUTUAL CHAUTAUQUA CO.

FIVE DAYS OF ENTERTAINMENT

That is Guaranteed to be the Equal of If Not Better Than Any Ever Here Before.

From Wednesday's Daily.

Yesterday the commercial club of the city closed the arrangements with a representative of the Mutual chautauqua company for the appearance in this city next season of the series of splendid attractions which are carried by this company.

The Mutual company has one advantage that will be found to greatly lessen the labor of the local committees and this is the fact that they have their own tents, seats, and prepare without effort on the part of the local committee, the place for holding the entertainments.

The program that has been promised to the Commercial club embraces some of the leading features that can be found in the best chautauquas of the country and all of a nature that will be found highly entertaining by those who appreciate a real high class offering of this kind.

The chautauqua has been found to be a very pleasing feature of the summer entertainment program in this city, and the fact that it is the biggest form of entertainment for the money has permitted almost everyone in the city to enjoy the high class attractions that have appeared here in the last few years. The varied form of entertainment pleases all and a good chautauqua program

is one that cannot be passed up by anyone.

The Mutual company promises five big days at the chautauqua and the representative says they will be really and truly big days in every sense of the word, with a strong and pleasing program every day.

NOT DOING SO WELL AT PRESENT WRITING

From Wednesday's Daily.

Reports received last evening from the bedside of Leonard Meisinger at the Ford hospital in Omaha state that the patient is not doing so well as he had been during the latter part of last week. The condition of Mr. Meisinger remains very serious, owing to the great loss of strength through the unceasing flow of blood and while efforts to replenish the blood supply of the patient have been made, the results have not given the immediate promise of improvement it was hoped they would.

The many friends of this splendid young man are hopeful that he may soon be able to show some permanent improvement, but at the present time his case is still very serious.

MRS. JAMES T. BEGLEY HOSTESS TO MEMBERS OF ORGANIZATION YESTERDAY

PLEASANT SOCIAL TIME HAD

Occasion was in Nature of a Musical Afternoon—Two Former Active Workers Present.

From Wednesday's Daily.

The ladies of St. Mary's Guild were very pleasantly entertained yesterday afternoon at the charming home of Mrs. J. T. Begley on North Fifth street, the occasion being in the nature of an afternoon of music. The musical program offered was one that was most thoroughly enjoyed by the members of the party.

A very beautiful vocal solo was given by Mrs. John W. Falter in her usual pleasing manner, while Father Wilbur S. Leete also favored the ladies with two most enjoyable vocal numbers. One of the selections of the afternoon was that of Mrs. T. E. Petersen, "When Duty Calls," and particular interest was given to this song not only for the beauty of its rendition but also in the fact that it is a Plattsmouth song, the lyrics being by Mrs. Thomas Young, formerly of this city, while the music has been arranged by Miss Kittie Cummins, the gifted pianist of this city.

The accompaniment for the several vocal selections was played by Miss Cummins in her usual pleasing manner.

The ladies of the Guild were given the rare pleasure yesterday of having with them two of their former active workers, Mrs. George Thomas, of Nebraska City, and Mrs. C. W. Baylor, of Bovina, Colorado, and the opportunity of meeting these two ladies was one greatly enjoyed by their friends.

At a suitable hour in the afternoon dainty and delicious refreshments were served by the hostess that served to bring to a close a most enjoyable occasion.

REPUBLICAN LADIES FORM ORGANIZATION

Meeting Held Yesterday Afternoon In Response to Call of State Chairman DeVoe.

From Wednesday's Daily.

Yesterday afternoon at 2 o'clock the republican ladies of the city enjoyed their first experience in the political affairs of the party in the formation of a ladies committee to act with the regular county committee of the republican party in the political affairs of the county and state.

While the meeting was not a large one in point of numbers it was very enthusiastic and the ladies entered into the political game with an earnestness that will lead to much good

in the purification of the political situation.

James M. Robertson, clerk of the district court, presided over the meeting as the representative of the city republican committee, and addressed the ladies briefly, outlining the purpose of the meeting and turning over to the ladies the conducting of the meeting.

Mrs. E. H. Wescott was selected as temporary secretary of the meeting and at the request of the ladies, Mr. Robertson was prevailed upon to preside and the temporary organization was made permanent. The work of the selection of the various committees was then taken up and the following were named:

First ward—Mrs. H. J. Streight.
Second ward—Mrs. M. A. Street.
Third ward—Mrs. Robert Ward.
Fourth ward—Mrs. George L. Farley.

Fifth ward—Mrs. John Beeson.
The ladies discussed a few matters pertaining to the formation of the permanent organization and the carrying out of the work of organizing the women of the city in the work of the coming campaign.

SUFFERS PAINFUL INJURY AT THE SKATING RINK

From Wednesday's Daily.

Last evening while Ralph Farrar was engaged in roller skating at the Propst roller rink, he met with a very painful and serious accident as a result of which he will be compelled to wear his left arm in a sling for some time.

The rollers of one of the skates which Ralph was using broke unexpectedly and as a result the young man was thrown to the floor in such a manner as to throw his weight on the left arm and while it has not been determined whether or not any bones were broken, the arm is in such shape that it is impossible to use it. An X-ray examination of the injured member will be made today to determine whether or not the bones in the arm have been fractured.

MISSOURI PACIFIC TRAIN DELAYED

Breaking of Engine on Mop Line is Cause of Holding Flyer at Union Over Last Night

From Wednesday's Daily.

The weather is not the only troubles that make railroading in the winter time a tough proposition, as was discovered by the Missouri Pacific railroad when their fast Kansas City-Omaha northbound train, was stalled near Union as the result of the engine being out of commission.

This train, No. 107, is due in Plattsmouth at 7:30 p. m., but was running a trifle late and when near Union the locomotive refused to go further and it was necessary to hold the train there until another locomotive could be sent to the rescue and it was not until 6:10 this morning that the train was able to proceed on into Omaha, where it arrived some ten hours late.

Quite a number from this city who were preparing to spend the evening in Omaha were sadly disappointed and forced to return home without the opportunity of visiting the metropolis, while a number of Omaha people here who had planned on getting home last evening, camped at the depot all night, hoping that the train would be able to get through some time during the night.

WILL REMOVE FROM CITY

From Wednesday's Daily.

C. A. (Mose) Robeson, who for the past two years and a half has held a position as linotype operator on the Journal force, is busy packing his household goods preparatory to shipping them to Creston, where he has accepted a railroad position as fireman, with the Burlington. Creston was the former home of the Robesons prior to their removal to Plattsmouth and it will be like going back home to them to return, as the parents and other relatives of Mrs. Robeson also reside there.

They expect to ship the household goods at once, but Mr. Robeson will remain until Saturday night.

ILLINOIS MAN IS APPREHENDED HERE

Sheriff Quinton Arrests Leroy H. Thompson, Wanted in Illinois for Family Troubles.

From Wednesday's Daily.

Yesterday afternoon Sheriff C. D. Quinton placed under arrest a young man named Leroy H. Thompson, who has been in the employ of the signal department of the Burlington, working out of this city for the past few weeks.

The young man is wanted at Ottawa, Illinois, where it is claimed he has a wife and child and has failed to fulfill a court order to pay them a certain amount of his earnings each month. Thompson was placed in the county jail to await the coming of the sheriff of LaSalle county, Illinois, who was notified of the arrest.

At first Thompson refused to return to Illinois unless extradition papers were secured and action was started by the LaSalle county authorities to secure the necessary papers from the governor of Nebraska, but last evening the young man informed Sheriff Quinton that he would return to his home without the extradition papers and word was

at once sent to the sheriff at Ottawa, who is expected in this city this evening or tomorrow morning to secure his prisoner.

SNOW AND COLD COME FROM NORTH

Sudden Change in Temperature Last Evening Sends the Mercury Tumbling to 10 Above.

From Wednesday's Daily.

The first real forecast of winter came last evening when shortly after 6 o'clock the wind took a sudden change to the north and brought with it a biting cold and quite an active snowstorm that for the greater part of the night made the householders stay close to the stove.

The railroad service which had begun to improve since the storm of Sunday, was given another setback and the trains today over the Burlington from the west are running on very uncertain schedules. The early morning train from the west due here at 7:45 was annulled owing to its being blocked out in the west and the afternoon train, No. 2, will be running from four to eight hours late tonight.
