

Choosing Between Quality and Quantity!

HERE has never been a time when good clothes were as scarce as they are

right now. But, make no mistake

the scarcity exists only in good

We could get plenty of inferior stuff, but between quantity and quality, we choose quality.

You won't find as comprehensive a showing of Kup-

penheimer Clothes as you tisually find here, but if we have your size in color and style to your liking, you can be sure that every garment represents quality and value to the utmost? And quality is more important than quantity any day.

What About that Overcoat?

You've been thinking about it, now is the time to act, before the weather gets any colder or the prices any higher. We'd like to tell you they're going to be cheaper, but they're not. Waiting only leads to disappointment later. The coats we have now are the lowest you'll ever see for a year or more. Hight now we're featuring a

wonderful array of overcoats, ulsters, dress coats, for costs, for collared coats; newest novelties, conservative styles-overcoats to please every man in Plattsmouth. A few numbers as low as \$15 and from that up to \$65. These are lower than socalled cut prices.
