Coal! Coal!

Until the coal strike is settled and probably for a time afterwards, there will be a shortage of coal. It behooves everyone to conserve their fuel.

To those who do not have a supply of coal, we offer this suggestion: Do not pass up an opportunity to lay in a supply of wood.

During the cold weather and fuel shortage the lumber yard will not be open until 9 o'clock a. m.

will return to his former home in Weeping Water.

Mr. Carragher, who has been in business here before, is well qualified to look after the business, and has accepted and given it the attention needed to insure its success.

The store has enjoyed a very good patronage in the past and should, under the management of Mr. Carragher continue to be a profitable institution.

Attended the Shriner Meeting

Last Saturday evening W. B. Banning, Ray Franks, Ivan Hillour and the Franks were passengers to Lincoln, being accompanied by Glen Perry, of Murray, all of them going to attend the Shriners' meeting held in the capital city, and to witness the trip over the burning desert sands of a large number of candidates among whom was Ray Franks. He returned home a full fledged Shriner. They all had a very enjoyable time.

Thanksgiving Dinner Success

The ladies of the Baptist church who had in hand the matter of giving the church bazaar and dinner on Thanksgiving day, are well pleased with the results that have crowned their efforts and feel duly appreciative of the kindness shown by all who shouldered the burden of making the affair the success it was.

The receipts of the Thanksgiving dinner amounted to \$150 and it was well patronized both by the home people and those from away. Everyone enjoyed the occasion immensely and in addition to the hospitality were provided with a genuine meal of enormous proportions, that would be hard to equal.

The returns from the bazaar totaled some \$50, making in all nearly \$200 received as the result of the efforts of these good women.

They have requested us to express their sincere thanks to all those who contributed—whether it was goods, service or patronage—to the success of the occasion.

To Spend Winter on Coast

Mrs. Julia Reilly, of Madison, Wisconsin, who has been visiting at the home of Mrs. Elizabeth Easter, for the past few months, departed last week for the west, where she will spend the winter at San Diego, California. She was accompanied by Mrs. Elizabeth Easter, who is also spending the winter there.

Series of Special Meetings

The Rev. J. B. Taylor, pastor of the First Baptist church, will deliver the first of a series of addresses on what are known as the "Pivotal Points of the Bible," at his services here on Sunday, December 7, in which he will touch upon the dealings of God with his people—the Jews, beginning at the beginning, and following them down through all the years, culminating with the church of the present day, and going on beyond that to the end of the world, as prophesied in the second coming of Christ or the millennium. This service should be very interesting and instructive. Hear it.

Red Cross Closes Its Work

The Union Red Cross branch, which had done so much work during the war, and of which all the members were faithful and loyal, doing all they could for the cause of the country and the boys who were making the supreme sacrifice, has concluded to close up its work here, setting under advice from officials of the order higher up, and will turn in all the proceeds from the property which they have on hand.

At a meeting held a short time ago it was decided the officers should dispose of all goods on hand, a sewing machine being among the other effects, and the proceeds will be turned into treasury of the county organization, to be in turn forwarded to the state treasurer.

The officers of the local branch are Mrs. L. G. Todd, chairman; Mrs. M. Lynde, vice-chairman; Mrs. G. W. Chomay, secretary and Mrs. E. M. Keedy, treasurer, and they are in charge of disposing of the effects and making a final report showing the manner of closing the business and the disposition of the funds on hand. This report will be published.

The Union Red Cross branch has done very effective work and all of the members have proven willing workers and now have reason to feel proud of their war record.

Union Wins—Louisville Loses

The girls' basketball team of the Union schools, played at Louisville Tuesday night. They rolled up a good score, it being 62 to 16 in favor of Union. The local aggregation took along a bunch of rooters who were full of pep and they gave the players much inspiration. The first goal was made by Louisville, but soon the Union girls showed their true colors despite the way the girls at Louisville "roughed" them.

Begins Work on Silver Mine

George Eaton tells us that the silver mine in Kentucky in which he is interested financially, is now being worked and that good progress is being made in uncovering the mouth of the old mine, and that it is the intention of the workers now engaged in the work to run a drift from the side which will save much of the work in getting the precious metal. We are hopeful that "Uncle George" will soon realize something substantial out of the venture.

W. C. T. U. Meeting

The Woman's Christian Temperance Union of this place met at the home of Mrs. Edward Young last Tuesday and held their regular meeting, having some business matters to look after. They also enjoyed a program which had been prepared for the occasion. A delicious luncheon was another one of the enjoyable features praised by the large number in attendance.

Miss Angie McArrall was to have led the meeting, but on account of her having been called to Plattsmouth to help out with the work in the bank there was unable to be in attendance.

Business Changes Hands Again

Banner Hatley, of Weeping Water, who has been a resident of Union but a short time, following his becoming owner of the store formerly owned by C. F. Morton and later by Mrs. Thomas Cromwell, has disposed of his holdings to Will Carragher and

SOCIAL CLUB ORGANIZED LAST WEEK

Which Has for Its Object the Promotion of Good Fellowship—By-Laws Adopted.

Some thirty or more of the citizens of Union have formed themselves into a social club for the entertainment of their members and the enjoyment of sociability, making it one of the first principles that good fellowship shall be the paramount thing sought to be attained. The object being to promote friendship, provide amusement and entertainment of such a nature as they may deem proper and as defined in the by-laws of the organization. The association was perfected on November 25th, and the A. L. Becker hall was secured to afford a place of meeting and club rooms for the organization.

The thirty-three charter members were unanimous in the adoption of the by-laws, which provide for the regulation of the club, and define some of the games which shall not be done.

Section four of the by-laws reads: "Members of the club please themselves to promote good feeling and friendship among their members to a reasonable extent and refrain from any intemperate notions or words that may offend or injure other members. No member shall carry liquor into the hall or enter the hall in an intoxicated condition or engage in any game for money or other valuable thing. Any member violating this provision shall thereby forfeit his membership and the president and secretary shall thereupon settle his name from the membership roll and then submit their action for approval of the club."

Section 7 in part reads as follows: "No member shall have the right to invite more than two persons at one time to be guests of the club, and each member shall couch for the good conduct of the guests while present. The club may, by majority vote, set aside a night when the public may be invited to give an entertainment. It is understood that all officers and members of Union or the county be permitted to visit the club room for socialization at any time they may desire, but that when their identification shall have been concluded, they are to depart and will not be allowed to participate in any game or games unless upon invitation of the club to remain and do so."

The last useful provision "That hereafter any person under the age of 18 years desiring to become a member, must send with his application the written consent of parents or guardian for him to become such member."

The members seem to have adopted a policy of being as helpful as possible to the organization and making it become a permanent factor in the city.

The officers of the order are to be elected each month and their chosen for the present are: Fred K. Franks, president; Charles E. Graves, secretary; E. E. Laska, treasurer and A. W. Propp, C. L. Graves and Fred Clark, board of directors.
