The country is just emerging from a war, and naturally is a little shy of new expenses, but we have yet to hear a single objection to any expense devoted to deportation of immigrant reds although a good many have suggested that it should be made as inexpensive and de luxeless as possible.

Last year the government bureau of engraving turned out nearly 49 .-000,000,000 in currency, Liberty bonds and certificates. Of course, that isn't so much money as the Lenine money printers turned out in Russia, but our's stand up a little better with the grocer and shoe man, who were immediate objectives.

-:0:--An enormous item in the national budget is the interest charge of \$1,100,000,000 for the war debt. This is more than the entire expense of the government before the too. war. If it should be determined to pay off the debt when due, it would be necessary for the nation to provide \$1,000,000,00 a year in addition to the billion paid for inter-
